Churches Show Enthusiasm Preparing May Day Festival

Parade To Be Prelude To May Day Festival

Eleven Churches Represented In Second Rehearsal

300 Youths to Sing In Unison

The May Day Festival scheduled for May 22 at Zion Baptist church under the auspices of the Omaha Youth Council will have as its prelude a mammoth parade of youth comprising some 700 boys and girls.

This colorful display of Youth promises to eclipse all other such demonstration ever staged in Omaha. The setting will be as follows as the mammoth parade moves up 24th street; police escort in line followed by a beautifully decorated float carrying the reigning May Day Queen 1937, with boy scouts acting as guards of honor, next in line will be the sponsors and directors followed by the Negro WPA band, after which will come visiting queens followed by the queens of the various churches of the city and their choirs. The sponsors and directors will ride with their respective queens and attendants.

All queens will ride in decorated floats, thus in order to move on time all sponsors are urged to have their floats, queens and attendants with choirs at 24th and Parker not later than 1:45 p. m. The parade will move from that point at exactly 2:30 p. m. Turning out of Parker onto 24th street and up 24th street to Lake, over Lake to 22nd and down 22nd to Grant and thence to Zion Baptist church, where you will be directed to the basement preparatory to the professional up the steps and into the auditorium where it is expected that nearly 2,000 persons will be awaiting the ringing out of 300 youth in song.

Special numbers will be rendered by junior choirs from the following churches with more yet to be added: Pilgrim Baptist, Bethel AME, Metropolitan, Bethel Baptist, Christ Temple, Pleasant Green Baptist, St. John AME, Salem Baptist, Zion Baptist, Seventh Day Adventist, Clair Chapel ME, Los Cantores Choir, Junior Culture Girls and Boys, Saturday Music Club.

It is expected that the special event department of radio station WOW, under the direction of Foster May, will cover the program and send out over the ether a vivid description of this cultural developing program.

CONCERNING THE ADVANCEMENT OF THE NEGRO RACE

The Negro race the episcopal address continued. "His progress is greater than marked by other minority and subject people in the previous history of the world. The Negro wants good wages, good schools, better housing, wholesome recreation justice in and out of courts, a larger share of civic improvements and a chance to make the best of himself.

"Public utilities, such as schools, sewers, water connection sidewalks parks and playgrounds are very inadequately supplied to the Negro districts of our cities, while the appropriations for welfare services are by no means administered on any basis of general interest. The fact that the white man pays most of the tax is no sufficient justification for such a vast difference in the distribution of its benefits. We owe his children a fairly equal opportunity for education and self-realization. We owe him better housing and a fairer distribution of the services for the public good. We owe the Negro the privileges and responsibilities of a citizen for his own good and ours, as he may be able to qualify under any proper standards of citizenship."

TEACHERS TO GET LIFE CERTIFICATES

Baton Rouge May 21 (ANP)—The proposal of the State Superintendent of Education to give teachers with college degree life certificates was approved by the state Board of Education.

Since 1935 certificates have been issued for five years duration, after which the teacher had to do additional work to have her certificate renewed.

The approval of this proposal will mean much, it is said, throughout the state. Because of the limited number of Negroes teachers employed in Louisiana it is two or three years before the average teacher gets a permanent position. This proposal will it is believed, be a definite step toward the teachers to improve themselves after they have realized some compensation for their work.

M. E. Church, South, Take Stand for Negro

Birmingham, May 21 (ANP)—An outstanding feature of the quadrennial episcopal address delivered here recently at the General Conference of the Methodist Episcopal church, South, was the stand taken by the College of Bishops concerning the rights and privileges of America's 12 million Negroes, three-fourths of whom live in the territory of the ME Church, South. Alluding, doubtless, to anti-lynching laws the Bishop said, "Civilization owes the Negro assured justice in the broad world of economic life and at the courthouse door. We owe him protection against any legal extra attack upon his person or property."
