Mr. M. F. Mulvaney, president
of the Board of Education, is a
Republican candidate for Congress
in the 2nd district. I have known
this man for some time as a re-
spectable Christian gentleman. He
is now a member of the I Method-

in the S. S. As president of the
Board of Education, Mr. Mulvaney

the way for colored teachers in
the Omaha school system. His in-
terest in the culture of our race
was evident when the Central high
school was given to 12 churches
last April for the presentation of
the 4th Annual Goodwill Musical of

To Nebraska Beer Dealers...

Your license is a valuable and protected permit to engage
in a legitimate business.
You have more than average protection—the number of your
competitors is limited by governing authorities.

ALSO—
Your license is more than personal privilege and personal
property.

Your license makes you a definite part of the great Nebraska
Brewing Industry—an industry which pays millions each year
in taxes, millions in payrolls, uses a vast amount of farm
products; an industry in which millions of dollars are invested.

Your license makes you ONE OF THE MANY responsible for
maintaining the high standards of the industry—responsible
for strict adherence to law and for orderly conduct of the beer
business.

The Nebraska Brewers and Beer Distributors Committee is
organized to protect the industry from abuses that sometimes
attach themselves to the beer business. You, the retailer, do
not want abuses or law violations. The small per cent of your
number who may disregard law and common decency, jeop-
ardize too many jobs, too much invested money, too much
tax revenue. These few are as undesirable to the retailer as
they are to the manufacturers and distributors of beer.

Urge your customers never to patronize a beer store or tavern,
which by its conduct jeopardizes your license and privilege
to do business.
