Katherine Ann Watte, age 7, is the daughter of Mr. and Mrs. Henry Watts of 2209 Lake Street. She skipped 2A and is now in the 3B.

Katherine Ann is musically talented. Her teacher of piano, Mrs. Frank Allison says she is above average for a child of her age. At the age of three she sang the popular song of "3 Littleigs" and won a large doll as a prize. She has sang on the air a number of times and was on Easter program at Pilgrim Baptist Church and played the Wood Nymphs.

She played at the Masonic Hall at a Style Revue presented by Mrs. Marij Alford.

She played at the closing of the Bible School held at Zion Baptist Church.

Katherine Ann is very fond of books and rollers skates. She has many dolls but likes to play best with the one called Betty Jane. It has a wreath of golden hair. She washes and curls its hair.

When asked what she is going to be, when she grows up, her candid reply is an elevator operator or hair dresser while her parents raise in hope she will be a gospel singer.

Dr. J. J. Jones Dentist, and his wife left for Chicago Sunday morning Aug. 7, by motor to attend the National Dental Convention, which will be held in Chicago from the 9th to the 12th day of Aug.

CENTRAL STATES GOLF TOURNEY TO BE AUGUST 12

Minneapolis, Minn., Aug. 13—Interest in the eighth annual Central States golf tournament to be held here August 21, reached a new high here this week. Elaborate plans have been under way for some time for the event but when word came from the St. Louis and Kansas City clubs that

about twenty-five golfers were to represent those clubs the local committee has redoubled its efforts. Indications point to the largest as well as the fastest field ever to enter the tournament in the history of the association.

The Heart-of-America club of Kansas City will be represented by ten players. George McClain and Leroy Doty are chief and definite threats for the title. McClain bagged the city title in a fourth of July tourney in which he just edged out Doty. Both Doty and McClain have held the Kansas

City title before. Other good golfers in the Kansas City party, will be Walter Ricks, Kenneth Hill, Morris Herndon, C. L. Prescott, Major Shavers, M. Hill, Ray Rucker and J. W. Elliot. Ricks is the long driving star who annexed the driving contest held in connection with the city tournament.

The Paramount golf club of St. Louis will be out to keep its record intact of furnishing the champion, which it has done for the past three years. Sam Shepard, Richard Young, Sanders Mason, Herbert Love, Edgar Cash and

Albert Hill are all championship masher wielders. Shepard, the defending champ, and Young have both held the title and know how to keep the pace. Young won the spring tourney this year in the Mound city which indicates he will be on his game. Mason and Cash will be newcomers to Central States play. Both are long drivers and will be the thick of the fight. Mason and Love in tune-ups in St. Louis last week turned in cards of 76 and 79 respectively over the Forest Park lay-out. Included in the St. Lou's contingent will be Frank McConico, Eugen. Garner,

Fred Alston, Dr. L. B. Howell, William Alexander and Dr. Davis-day.

The local golfers are working out daily for the event.

Mrs. Alberta Jones wife of Dr. is expected home Friday August 12 from Methodist Hospital where she underwent an appendectomy.
