(By Ralph L. Lester for ANP)

### The Anvil Chorus

Philadelphia Oct. 21—Theatrical Note: "Run Little Chillun," featuring Clarence Muse, is in its twelfth week and is playing to a packed house, in Hollywood, every night—A new call to worship: CH CH means nothing unless UR in it—Aside to Heywood Brown: R. H. Jones, a local newsman, disagrees with you consistently, yet seldom fails to read your turnout.—Curiosity Certainly would like to meet Jack Benny's "Rochester."—One thing about Henry Armstrong

reported intention to retire—He'll have to retire in sections.  
Ella Fitzgerald: Your "A Tisket a tasket" failed to make a top flight record. It was No. 1 for five weeks but has dropped low and fat.—Sidewalk talk: People are queer: A man will buy a stranger a drink of liquor, yet refuse a "down and outer" a nickel for a cup of coffee.

### Expensive Gum

The mid-city shopping district was crowded with the usual Monday afternoon turnout. Near the corner was a uniformed lassie dispensing sample chewing gum to the multitude. A middle aged gent received his stick of gum and after taking a few steps, returned for another free sample. He got it, but his greed cost him \$23. Going

back after the second piece he was jostled and his pocket picked.  
Hope

Careful observation points to the fact that Hollywood is discarding an old system. No more do names of stars make the pictures. Several recent hits had no glamorous names and it appears that the play itself will be more important in the future. If this is a correct diagnosis we shall expect to see more genius talent gracing the silver screen.

### Despair

For several years we have searched in vain, for a man, or woman, who had met someone who knew a person who had been interviewed by a representative of the American Institute of Public Opinion.

### The Elusive Cherry

It has long been our desire to aid the vast number of unfortunates who rarely are successful in getting the elusive cherry at the bottom of those tall glasses of mixed drinks. With this thought in mind we have evolved a series of methods that should prove helpful.

**DIRECT APPROACH:** Call for a spoon (if charged extra for this service, you may purloin spoon with freedom of conscience.) With spoon push aside green trimmings or assorted top trimmings. Slippery of ice may attempt to impede your progress, but with the spirit of an artful explorer, push on in your case down. Contact with cherry should be made in front. Nothing will antagonize a cherry so

quickly as a rear attack. After making contact press cherry against glass and firmly raise to a spearing level. With toothpick attack vigorously and after the conquest poised on the toothpick for the admiration of girl friend. She will in all probability, snatch the captured cherry thus leaving you the victor without spoils.

**SUBTLE METHOD:** Sip slowly the contents of glass, ignoring the decorations, until all liquid is gone. Quietly remove cracked ice and trimmings. With glass attached to lips, place head in star gazing position. Tap glass firmly, on bottom. Cherry will depart from glass via your nose, and fall on floor, rolling under table. From there even an inebriate can get it.

**SURE FIRE:** In the event the

above mentioned should fail, then use this sure fire method. Take glass firmly in hand. Raise to a height of three feet and dash on table: Floating through the particles of broken glass, cracked ice and what-not, in a rivelet of liquid refreshments, will be the elusive cherry.

### FILES FOR DIRECTOR OF METROPOLITAN DISTRICT

John M. (Jack) Virgin, residence 1810 Ohio St., and in business at 1907-9-11 Cumings St. a Furniture and Hardware, files by petition for Director of Metropolitan Utilities. Mr. Virgin owns several large apartment houses &

numerous small properties.  
Mr. Virgin says he is in favor of lower water deposits from \$5 to \$3 and water meter read every month instead of every 3 months.

Cammie: You act like a monkey when you are around me?  
Charlie: Certainly, I want to be as ideal a companion for you as possible.

**STOP Scratching**  
RELIEVE ITCHING SKIN QUICKLY  
Even the most stubborn itching of eczema, blotches, pimples, athlete's foot, rashes and other externally caused skin eruptions, quickly yields to pure, cooling, antiseptic, liquid D.D.D. PRESCRIPTION. Clear, greaseless and stainless—dries fast. Its gentle oils soothe the irritation. Stops the most intense itching in a hurry. A 35¢ trial bottle, at all drug stores, proves it—or your money back. Ask for D.D.D. PRESCRIPTION.
