We received many good thoughts on how each one of us should obey and respect our parents. The pastor brought a very inspiring message at 11:00 o'clock subject, "The Church of God" as a family" during his discourse he touched on many points which were very interesting as well as instructive. Despite the inclemency of the weather the service was well attended. At six o'clock the young people rendered a wonderful program with Lorenz Spaght in charge. At 7:45 the pastor brought another soul stirring message. Sub. God is calling his people out. Ezel 34-12 Our hearts was made to rejoice as he brought out how we as Christians should live after God has called us out from everything that is not governed and ruled by his word, that we might by his grace prove to the world that men and women can live a clean life in this present world. We was glad to have present with us, Sister Bessie Beard, from Arkansas, who is visiting her daughter, Mrs. E. M. Sawyer. Everyone is always welcome.

Elder was present and made encouraging remarks to the Sunday school. This being the Quarterly meeting, Rev. Rosser, preached both morning and evening. Rev. Adams, pastor of St. John AME church preached Sunday afternoon. Attendance was good and the spirit was high throughout the day.

Mrs. L. A. Story, wife of our pastor in her own charming manner, stated that she was here to serve in any way that would make for success. Mrs. Story, like her efficient husband, is outstanding in her own particular field. Ophelia Story, a niece, who makes her home with the Story's, was also introduced. The Storys were welcomed with a storm of groceries Saturday evening. The Epworth League is still keeping up its interest. The Missionary Society will sponsor a musical program Sunday at 3 o'clock.

ST JOHN AME CHURCH "The Friendly Church" Dr. R. A. Adams, pastor

In spite of the snow and cold weather, the attendance at St. John last Sunday was very good.

Dr. Adams preached a very strong sermon, selecting his subject from Ex. 13:14. In the afternoon, Dr. Adams, the choir and a number of his congregation went to Cleaves Temple to be with them in their quarterly meeting. The choir sang with great spirit.

The sick of the church are about the same as last week. We pray for their comfort. The trustees and the pastor are very anxious that all members and friends do their very best in the financial drive which will close Sunday, Nov. 13th.

Now this is a drive that every one should see to it that he or she pays all their obligations so the trustees can meet some of their urgent bills.

The Choir's Host and Hostess' fourth annual turkey dinner will be the best one yet. The choir is working hard to give you a great music and educational treat. It will be worth fifty cents to see the table and hear the young people's chorus which less the other part of the program. It seems that most all tickets will be sold on Sunday night so be sure to see that you have yours.

You must get them before Monday night, as the place cards will have to be made for this by Wednesday. The choir's fourth Sunday night's request services are getting better each Sunday night. Send in your request, that they may sing it for you. Watch for your church news in your local newspapers. They are trying to keep you posted.

THIS WEEK

IN RELIGION AND THOUGHT
R. L. MOODY.

Twenty years After—

Since last Armistice, we have lived in a hectic world. As we celebrate the twentieth anniversary of the signing of the Armistice, we think of the fear and unrest that is in our hearts and minds. At times we have felt that peace was a lost cause, and we are not so sure that some egotistic maniac will not set a spark to the keg of dynamite.

The treaty of Versailles which was associated with the Armistice has become another broken promise Adolph Hitler, Europe's "boogy man" has succeeded in frightening his contemporaries into meeting his demands. Much has been sacrificed to preserve the purpose of the Armistice, Austria and Czechoslovakia have surrendered unconditionally. The rest of us stand by and wonder what will come next.

"It gratifies my sold to know, That tho' I perish, truth is so." The truth was in 1918 and remains "so" today, that world peace will not or cannot be realized until individuals and the world at large, accept Jesus Christ, the Prince of Peace and His Way of Life and Peace. For he is our peace and has left for those who desire and will accept. Peace not as the world gives, but His peace that passes all understanding. And may we add: All-misunderstanding.

PILGRIM BAPTIST CHURCH Rev. G. E. Stevenson, pastor Mrs. M. L. Dixon, reporter

The ordination of Rev. Campbell to the ministry was held at 4 P. M.

Group No. 1 presented a pageant during the program hour.

For the evening service the pastor spoke from the 6th chapter of Gal. sub. Wise Pilgrims. Rev. Stevenson has accepted a church in Washington and He and family will be recipient of a program in their honor next Sunday afternoon of a reception. The Young people's choir will render sermon next Sunday. They will also render a program honoring Rev. Stevenson Sunday evening at the usual church hour. Little John Davis who is in the methodist hospital with pneumonia is improving.

CLAIR CHAPEL ME CHURCH Rev. G. D. Hancock, pastor

Sunday School 9:30 A. M.
Preaching 11:00 A. M.
Epworth League 6:30 P. M.
Preaching 7:30 P. M.

Sunday morning was our first wintry day but it did not effect the attendance of the Sunday school. We are anxious that more adults be present.

The scripture text, for the morning services was selected by Rev. Hancock from St. John 20:19. Sacrament was taken at this hour also. The visitors are always welcome at Clair Chapel. At 3:30 P. M. Sunday, the Sunday Forum was held with an interesting program by the Trojan Club. Don't forget the November birthday party to be held on Friday the eleventh at the church. You are invited to attend the regular Wednesday night prayer services. Sister Collins, one of our most faithful members is very ill and our prayers go out to her at this time. The Sunday school Alliance will hold their services with us next Sunday at 3:30 P. M.

The Sunday Forum which made its first attempt last Sunday in trying to bring the public something different was well received by a good number and by the interest shown we are hopeful that throughout the winter more will avail themselves of the opportunity to become a part of these Forums. The program which was rendered by the Trojan Club of the YWCA was educational and inspiring. The address by Mrs. Lucille McAlester could not have been better. The same is true of the others. Their program was based on World Fellowship. The next Forum will be the first Sunday of

December so remember we will be expecting you. Better mark the date now, Sunday Dec. 4 Clair Chapel ME Church.
