Further details as to where this fine quilt is to be raffled will be given later. A mammoth display of art work will be exhibited in connection with this even. The sewing instructress, Mrs. Rosa Overton, will begin to teach the members the art of candlewicking.

A delightful repast was served by the hostess. Whether it was the gorgeous in doors flowers; the lovely center piece of silver and black; or the appetizing menu arranged buffet style; that forced everyone to really enjoy themselves is hard to relate.
