**MT. MORIAH BAPT. CHURCH**  
Rev. F. P. Jones, Pastor  
Forty-seven Burroughs, Reporter

Services were good with a good attendance. We listened to a spiritual sermon, filled with many points worthy of serious thought. The subject: "Self Analysis" was very important, appealing to all Christians to put themselves under the spotlight and see themselves as they are.

The rally of the Twelve Tribes of Israel has gotten started with all the tribes working hard and giving various entertainments and so on to help raise their quota. Everybody is invited to come out and see the progress of the Tribes and help boost for the one that you are interested in.

The Tribe of Asher is giving a "Blaze Away" banquet, Feb. 16, which promises to be different than most banquets. Feb. 10, the Tribe of Benjamin is giving a doughnut sale at the church. These are genuine cake doughnuts so get your order in early.

Those on the sick list are: Mrs. Henry, Mrs. Wright and Mrs. Vesta Beasley.

We were glad to have so many visitors present. Your presence is an inspiration to us. Our doors are always open to visitors and strangers. You are welcome to all our services.

**ST. JOHN A.M.E. CHURCH**  
"The Friendly Church"  
Dr. R. A. Adams, Pastor

The services at St. John last Sunday school opened at 9:30 with Sunday were very impressive. The a fairly good attendance.

Dr. Adams took as his text "In all these things we are conquered through him that loves us." Some thoughts to be remembered from this message are as follows:  
1. Conquering really means striving to overcome for the master and if you resist the devil he will leave you, but if you are weak, and give up, he will always get the best of you. Therefore one should never once give up to him, because each victory will help you to win another.  
2. You cannot give up to the thoughts of others, because they will criticize regardless of what you do, although you may be doing your best.  
3. Perhaps the hardest thing we have to conquer is our temper. If

we can always conquer it, we are our greatest work done.

No report was made of new or sick members of the church.

We take this method of expressing our sympathy to Mrs. J. S. Turner over the passing of Brother Turner.

The Union services were at St. John last Sunday night with Rev. W. M. Camper and his choir serving. Rev. Camper took his text from St. Luke 7th chapter and 13th verse. His subject was "The Five Great Powers." Namely Power of death, Tears, Love, Prayer, and Christ.

His choir sang with great force which seemed to make it easier for Rev. Camper to preach. These Union services are creating more and more interest all the time. We pray that it may continue.

Next Sunday, February 5 the services will be at Cleaves Temple with Dr. R. A. Adams of St. John A.M.E. and his choir serving.

Mrs. Adams the wife of the pastor, is still improving very rapidly, and thanks for the many deeds of kindness shown during her illness.

The Endeavor will be having some very interesting meetings for the next few Sunday's. Sunday Feb. 5 there will be a speakers forum different churches of the city. This meeting will start at 4:45 P. M. So it will be out in plenty of time for all to go to Union services.

If it news about your church you will find it in your Guide, why not have it sent out each week.

**THIS WEEK IN RELIGION & THOUGHT**  
by ROBERT L. MOODY

The month of February—  
Of all the months in the year this one seems to have produced most of the outstanding Americans.

(1) But we must mention this. February 1st was observed as "Social Hygiene Day." This was probably overlooked by some and was not known by many. The fight this year was mainly against syphilis. Heretofore many grown ups brushed or refused to mention this disease above a whisper. But now the harvest of "wild oats" has demanded our attention to its destructive effect. Let us no longer shrink from the truth. Let us face the facts squarely and tell our children the truth in a clean and simple way.

Syphilis, like crime and war, is a social disease and must be combated in the same manner, with the efforts of all our social forces. Protect your boys and girls and generation to come. Fight Syphilis.

(2) Back to dates. February brings "Negro History Week," (12th-19th) and the birthday anniversaries of Abraham Lincoln, and George Washington. Also Henry Wadsworth Longfellow, J. Russell Lowell, and our own Dr. W. E. B. DuBois. Incidentally we notice by announcement that Dr. DuBois is to speak in Lincoln on the 5th. There are probably other birthdays, so we presently remember those who have passed on into eternity, and wish for those who are alive many happy birthdays.

A little girl told me she wondered why Bernard Maroney didn't commit "Sioux eye sight".  
Nope, don't know who she is.  
Ah—Love is so grand says Wendell Chambers and Betty Jean Butler?????

Winter can't jump into summer with a spring.

A fella I know is pretty hot and bothered about the way all the gals encircle Cowboy Stevens in Tech hall and don't seem to look at poor little blue-eyed, intelligent them. Aw think nothing of it R. J. you'll be all right.

LOVE, where art thou, oh, so Richard Gaskin has barrowed you, and with it he has conquered the heart of a certain little Miss with the name of Lena King.

We wonder who Roy Gwens secret passion could be. I hope I'm right to say J. K.

Our sympathies until next time. The womanagement.

Man in Post Office: "Are there any letters for me today?"  
"What is the name please."  
"I think the name is on the letter."

Emma Harvey seems to holding out on us. Who was the gentleman who went with you to the Benson-Tech basketball game? Oh, you won't tell et!!!

**More Daffynities:**  
An egg plant; A factory where they make chickens.  
Deliver: An important part of the baby.  
A tax: What the turkey got.  
Pool: What thread is on.  
Ad Volorem: ??? Maybe it's a disease.  
Borrowing: Digging a hole.  
Interest: Where you go in.  
Read: A bright color.  
Tape: To beat on a door.

Why don't someone ask Preston who the North high dame is???

Carrinne Seay and John are having a war with notes in the 8th hour study hall at Tech high. And boy you ought to see what they write. Don't let the teacher see t kids!!! Bye the way, who's winning as I want to bet on him.

Personal for Joe Wright:

Joe Wright, where is my three cents you borrowed from me? If I don't get it quick, I'll have to resort to legal means. J. S.

Someone wants M. T. M. to know that he is losing a good girl in R.R. she has quite a collection of tie pins and she is very popular with the boys. Say, get one of those tie pins will you Monran-ia?? Give you a nickel. Give you a dime.

If you stopped going over to James houses would you keep writing her letters?? Oh you wouldn't well why don't you advise Le Bo Tomp (Leroy Thomas to you) to stop writing to A. M.

Homer Anderson sure has got religion he goes to Mt. Nebo Church at 11:00 A. M. is it H. B. or F. P. He goes to church of God at 8:00. Is it O. M. or B. L. All Good things must end (??) so FINIS.

How easy it is—with a new Electric Ironer. Be seated comfortably all the time you're ironing—and a whole week's wash seems to take no time at all.
