ST. JOHN AME CHURCH "The Friendly Church"
Dr. R. A. Adams, pastor

The beautiful spring morning brought a good attendance out to Church and Sunday school last Sunday. The Sunday school was

opened at 9:30 a. m. and the lesson was reviewed with great interest.

The Easter Services will be some what changed this year. The Senior Choir will have its program at the 11 o'clock hour and the Sunday School at 7:30 P. M. and the young people's chorus directed by Mrs. Alice Wilson will furnish the music.

In the afternoon at 3, there will be a United Easter Service under the direction of the Ministers' Alliance. Rev. Hilson, pastor Salem will speak and a large united choir will sing. The services will be very good and you will miss a treat if you are not present.

Last Sunday was communion day and as is, Dr. Adams' custom, he did not preach a sermon, but emphasize Palm Sunday and the Communion.

At the evening service hour, the Booster Club presented a religious pageant which was very good and uplifting. One could not help but appreciate it when he sees the fine talent in our group.
Now that the Union Services are over, and we go back to our regular Sunday night services, we will start having our all request services by the choir, and you can sent in your request now so they will be sung. Please do not wait until a few days before the request night because the director has to make out her program in advance.

The choir's has been working hard on its Easter Musis and as soon as Easter is over, it will put in extra time for the "Goodwill Spring Music" which is to be at Omaha Technical High school Auditorium, Sunday, April 30th at 2:45 P. M. Those in charge of this Spring Music are very sure it will be far better than any one in the years before, because more time has been used in getting ready for it.

The sick of the church are brother Cook, a member of the choir, Sister Hanger of the Senior Board, We wish for them and others whose names were not passed in to the sick committee, a speedy recovery.

St John is always glad to see and welcome her many visitors and ask them to make it their church home while in the city
