YWCA NEWS

"The witch doctor still has too much sway, although the practice of witchcraft has been made a crime," the bishop continued. "There is need everywhere of health service. So the AME church begins its new epoch, here in this community where 11,000 people live with no doctor, no dentist, no drug store, no health committee, here where we bring the aspiring youth of South Africa to learn the higher things of life, here is the place we start. And I am happy to say that this clinic is the gift of the American Negroes.

"The Budget Plan" was the chief topic of the evening at the Mother's Council Mrs. Travers gave an outline of a "Year Planned Budget" that had been used successfully by numerous families. A planless life is like a ship without a compass, it gets nowhere because it lacks direction. Whether it be clothing, vacation, house furnishing, medical care, your child's education, have your plans made long before the occasion arrives. Mrs. Travers asserted that the lack of initiative and cooperation causes most failures in the achievements in the family budgets.

Miss Willis directed the Mother's Chorus in an enjoyable hour of As next Monday evening is Mrs. Travers last evening, all mothers are urged to be present to submit their ideas for a new program for the next quarter.

The Mothers are looking forward to an outing to Boys Town. Reservations can be made by calling the "Y". We 1539.

GROSS EICKS

The Gross Eicks opened their meeting at 4:45. Pictures were taken of the group. Mrs. Crawford made some announcements, Mildred Squires, David Longmire, Velma Thomas, Inez Saunders, and Johnny Burden acted on the panel with Mrs. Crawford as Chairman. Mildred Squires talked on "My Ideal Boy" David Longmire's topic was "My Ideal Girl." The third speaker was Johnny Burden who talked on "Pet Peeves in a girl." Velma Thomas talked on "Pet Peeves in a Boy." Inez Saunders summed up the four topics. One of the most important faults found in boys and men in our community is that they are too lazy to tip their hats. We are hoping that they will correct this fault.

HOLLYWOOD CHARM

by Bessie Mae West of the Althouse School of Beauty

The care of the hands is quite essential of a person if it is to be charming or attractively definitely detract from our personal charm.

Our nails should be scientifically manicured regularly whether polish is applied. Manicures not only beautify but remove deposits from under the nail that a mere washing of the hand does not remove.

There are many helpful interesting facts concerning manicuring. Read Hollywood Charm and visit your Cosmetologists for helpful beauty hints.

Out-Look Good for The Goodwill Spring Musical

Now that Easter has passed, all time will be given to preparing for the Spring Musical.

It is expected now that all who are to take part will make these other rehearsals. You will be given instructions as to what you will be expected to do, so do not expect some one else to tell you. You should be there and get it first hand for yourself. Just now we think there should be rehearsals on each Thursday night and Sunday afternoons until the time for the Musical. It is to take place on April 30th.

Will have a dress rehearsal at Tech High school Sunday April 23 at 3:15 P. M., at this rehearsal you should have your banner girls and boys with their little robes on so they can be drilled in the marching. These children will be under the general charge of Mrs. Annie May Kennedy and girls she has to help her.

Now make it your duty to be at this rehearsal because your places will be definitely assigned. The Omaha Concert band will be there to rehearse with you.

Remember now you are to dress just as you will do on the day of the musical. We are having this rehearsal at a great expense, so let us make it worth while.

If we get an understanding the

23rd then the 30th will be easy for all. Remember we are to get bigger and better each year, and our slogan is all working with 100 per cent Spirit of Solidarity. L. L. McVay.
