GAY WESTERNERS GIVE PREMIERE OF GOLDEN SPIKE SOCIAL EVENTS

Beating the starting whistle, (blown by President Roosevelt on April 26th at 10:30 a. m.) the Gay Westerner Social club were hosts at a swanky costume ball at the beautiful Dreamland Hall on Monday, April 24th. Perhaps the one coming the longest distance will be Mrs. Willis Reed from Portland, Oregon who will be guest in the home of Mr. and Mrs. L. L. McVal 2868 Gray St.

Mrs. Reed is a very active Church, Sunday school and YWCA worker in Portland as well as other civic movements. She is now the president of the Women's Federated club of Portland.

The Omaha Concert Band, now directed by Mr. George Bryant, will play a great part in making the day a success. This concert band has given many fine concerts in Omaha and near by towns in the last few years.

The Musical will start at the time set, 2:45 P. M. The Procession will start from the Girl's Gym at 2:35 P. M. and the choir will block the doorway for some time, so if you are late, you may miss the impressive view of it.

The procession will be led by little girls carrying the beautiful banners of the different choirs.

It is the sincere hope of those in charge, that you will not be the one to destroy the beauty and sacredness of the procession by applauding when you see the choir coming in. Just remember you will be just as much out of place if you would be at your morning service when your choir comes in.

In fact, there will be no place in the service where applauding will be in place. Please remember this will not be a contest in any sense of the word, but simply a service in song.

Some of you may wonder what will be done with the collection or offering. May I say, it will be divided among the choirs taking part. So please give freely. That the day may be a success financially as well as intellectual and spiritually.

until April 24th. Every member will be asked to attend the meeting which will be open to the public. A special program will be given for the young people if they will come out. There is a misunderstanding among the middle-aged and young people about this movement. Some think that it is for the older people only. If they would come out and learn more of the plan they would find out that the young boys and girls will receive more benefit from the Townsend plan than the older people. A free door prize will be given at every meeting starting Monday April 24. Come out and join in this wonderful work. Have a good time at the same time.

THIS YEAR'S GOODWILL SPRING MUSICAL TO SURPASS ALL OTHERS

The dress rehearsal in the Tech High school auditorium last Sunday showed much in evidence that the Musical this year will be better than any in the years before.

The latest check-up shows that there will be over 300 people taking part. It will be a treat of a lifetime to be there to witness what has become to be a day looked forward to. A day looked forward to from one year to another.

This year you will see Twelve Church choirs dressed in their vested robes to sing joy and Goodwill into the hearts of near three thousand people who are expected to attend.

There will be many out of town people who will come to see and hear these massed choirs under the direction of Rev. John S. Williams assisted by Mrs. Pearl Gibson.

Perhaps the one coming the longest distance will be Mrs. Willis Reed from Portland, Oregon who will be guest in the home of Mr. and Mrs. L. L. McVal 2868 Gray St.

tually.

A few days after this musical is over, the choirs will have a reception so that they may meet and know each other better in social life. This will not be open to the general public, but to members of the choirs and their "better half." The ministers and their wives will be invited guests.

It is believed that the people of Omaha can have one of the best massed choirs in the country. The material is here. Oh yes! There is a great deal of hard work to do, before such can be accomplished, but what has ever been done that counted for very much with out a great deal of hard work and grief?

We can only do, that we are willing to pay the price to do.

You will perhaps be impressed as never before when you see and hear your own church choirs massed to send out a great message to those whose hearts are set to receive it.

The Union Ushers and Usherettes of the city will be there to give you service with a smile. Mrs. Goosby and Mrs. Young and their co-workers are to be commended for the fine service they are rendering from time to time at the large meetings in Omaha.

Miss Maxine Blair, former Central High school graduate and graduate of Omaha University's business school is leaving for Los Angeles where she will be employed as secretary to Dr. T. W. Kyle.

Miss Blair says she is proud of her new job but she doesn't think California will be to her what Omaha, Nebr. has been and if she could get a position she would not leave you she loves Omaha better than any place in the world. Omaha will miss her for Miss Blair grew up here from a little girl.

Mrs. Lucille Edwards who has been confined to her home by a badly sprained ankle, is able to be out again.

Cards received here by friends of Mrs. Rae Lee Jones, who went south some weeks ago to train a girls singing orchestra at Lawrence Jones Piney Woods Industrial at Piney Woods Miss., tell of interesting trips she is making by bus, with her orchestra throughout the southland and of the favorable comments her singing group is receiving everywhere.
