"Our Father"—  
Last month we honored our mothers and last Sunday we honored our children. On June 18th we shall honor our fathers. There are two kinds of all the people. There are always good people, and bad ones, i. e., good and bad mothers and children.

The same is true among the fathers.

On these special days of honor we often tell only the good and never the bad and pretend that it was good. Rather than exaggerate it would be good to keep silent.

Fatherhood is equally honorable as motherhood. Though it is expressed differently, life would be incomplete without its love. We are not only grateful for the love nursing and training of mothers, but we thank God for good fathers who love protect and provide for their families. It takes more than mere masculine powers to be a father. Some mothers have been both mother and father and some fathers had done likewise.

Fatherhood is close to godliness because we are taught: "Like as a father pitieth his children, so the Lord pitieth them that fear him." Psalm 103:13.

The morning worship began at eleven fifteen. The Junior Choir took the stand at 11:30. Rev. Relf brought us the message. He took his text from the 25th chapter of Exodus. Many helpful thoughts were received from this wonderful sermon. In the afternoon, Rev. Camper of Bethel AME Church brought us a wonderful message. His subject was "Christ never Changes." We were indeed glad to have Rev. Camper and his choir with us. H.Y.P.U. opened at six thirty. Rev. Relf delivered the evening message. He preached from the Col. 3rd chapter. Sunday night was the climax of our two months rally in which the women and men contested against each other. This was a great rally and the women came out on top. We are now getting ready for our District Convention which will be held here from June 29 to July 1st. We had quite a number of visitors. You are welcome to come and worship with us at anytime.

The Children Day Services at St. John last Sunday were very good. Those in charge are to be complimented on the fine work they are doing. Next Sunday will be Father's Day and Men's day and the committee is working very hard to have a very fine service both morning and night.

At the morning service the speaker will be Rev. J. Glover of Los Angeles, California. Rev. Glover is an Omaha boy who has been making good. We are sure brother Glover will have a fine message for us.

The St. John's Choir will have some very fine music to fit in the service and there will likely be solos from Mr. Thomas Jones and Mr. Foster Goodlett, Jr. These services will be very fine and you will miss a fine treat if you are not there to witness them.

The Pageant that Rev. Coutee and his group is putting on each night at St. John is very good. Come and see it. It will be going on all next week.

Perhaps I should tell you more about the Men's Day and Father's Day program. At the night service the main speaker will be Senator John Adams, Jr. Senator Adams needs no introduction to the people of Omaha. He always has a good thought for those who hear him.

Others on the program will be Mr. H. L. Preston, bass soloist and a paper by Mr. Lawrence

Come and bring your guest and enjoy a fine day at St. John

Speaking of Mrs. Summers, president of St. John's Baptist Ushers Local on South 13th St., who favored us with a visit at our last Cabinet Meeting that was held at the residence of Mrs. Barnes on Hamilton St., as the guest of Mrs. Henderson of Pleasant Green.

After listening to our program pertaining to our Union and taking care of our business as a whole, she joined her local up one hundred per cent. Again we say thanks a million for coming and merrier. Of course you know we are joining up with us. The more, the are hoping to meet all of your local real soon.

Sunday, being a big day over to Zion, as you probably know, a Revival meeting began for a week's run after which it will go to Pilgrim for a week. Oh yes, it's a Joint Revival. Your reporter being a member of that Usher board and on duty also for the day, I was unable to make my usual Sunday visits, but however I met a few of the presidents from the different locals and they reported everything so far so good.

For the past few weeks I've failed to get any news in The Guide, but hope in the near future you will find your news therein. Among the visiting Ushers and Usherettes who favored us with their presence Sunday night was the president of the City Union, Mrs. Young, Mrs. Johnson from St. John's and a few others. We are glad to have you. Do come over again?

Well I'll Be C'ing U.

A five year old girl, Betty Smith, is dead and three other persons are ill as a result of eating gray made from what appeared to be flour.

Betty lived with the family of Oscar Johnson, 1227 Woodland avenue. Mr. Johnson is a janitor for the apartment building at Elventh street and Paseo. In the course of his work Saturday, he found a sack of what he thought was flour in an apartment he was

cleaning.

He obtained the permission of the apartment manager and took the "flour" home where he immediately began to prepare supper for his 8-year-old son, Oscar Jr., and Betty. The supper consisted of sausage, potatoes and gravy when Oscar Jr., complained that the gravy tasted awfully funny, Mr. Johnson gave the rest of it to the family dog.

The dog tasted it, but refused to eat more. Soon he became ill and was not long before Mr. Johnson, Oscar and Betty also became ill. Betty died before an ambulance arrived. Mr. Johnson and Oscar were given emergency treatment and are out of danger.

The only member of the who did not become ill was Mrs. Johnson who ate her dinner before Johnson brought home the "flour".

The powder was to be tested in the General hospital laboratories.
