**ABBE WALLACE, P. O. BOX 11, ATLANTA, GA.**

R. T. C.—I gave a birthday party the first of this month and invited all my friends. My best boy friend came and brought another girl and I felt let down. What was the meaning of his actions?

Discontinue your friendship right now, as it is best that you found out what type of boy he was before you learned to care more. Such actions as this should not be overlooked.

Ans: His object was to "show off" and to try to make you jealous. Never did he realize that he was cutting his own throat by his actions.

E. C. H.—I read and enjoy your column so much. Tell me if I will make the trip this summer that

## THE AWFUL PRICE YOU PAY FOR BEING NERVOUS

Check Below And See If You Have Any Of The Signs

Quivering nerves can make you old and haggard looking, cranky and hard to live with—can keep you awake nights and rob you of good health, good times and jobs. Don't let yourself "go" like that. Start taking a good, reliable tonic—*one made especially for women*. And could you ask for anything whose benefits have been better proved than world-famous Lydia E. Pinkham's Vegetable Compound?

Let the wholesome herbs and roots of Pinkham's Compound help Nature calm your shrieking nerves, tone up your system, and help lessen distress from female functional disorders.

Make a note NOW to get a bottle of this time-proven "Arkham's Compound TODAY

without fall from your druggist. Over a million women have written in letters reporting wonderful benefits.

For the past 60 years Lydia E. Pinkham's Vegetable Compound has helped grateful women go "smiling thru" trying ordeals. Why not let it help YOU?

I am planning?  
Ans: Indications are that you will go on this journey in the month of August. A very good time is ahead for you and I assure you that you will be glad you decided on this trip.

M. R. J.—When my husband and I married we went to stay with his people and there was no getting along. His people would meet him before I could and they would get his money and now we are parted and I am with my mother, but he torments me to death. Tell me what to do as he won't let me alone and won't live decently either?

Ans: You did the right thing to leave him as he put his own folks before you and was also running out at night. Since he is tormenting you make a change of address, or else get protection from the police. Secure a divorce and wash your hands of this affair for he isn't going to improve and live as you want him to.

J. J. W.—I received my private reply and was very pleased. Now tell me why is it that this girl won't allow me to come to see her? Does she still love me?

Ans: She's a determined Miss and insists on having her own way. She's still interested in you, but also wants you to show your affection for her. She'll change her mind about your visiting her in a month or so.

H. P. M.—I am a steady reader of your column every week. Will we ever own a home of our own in the town we now live in?  
Ans: A home and babies too.

No soon, but eventually.  
E. L. S.—I am a married lady and have been married two weeks. I am 17 years old and my husband is 25. I want to know if there is any woman or girl in my husband's life who will give me trouble?

Ans: NONE. The only trouble you need fear is from your own friends. You are a married woman now, and incidentally your husband is a very jealous man and he won't stand for you being too friendly with any of your old boy friends.

A. A.—I am going in company with a married woman and she tells me that I am her baby's father. I would like to have your advice?

Ans: She knows that you have a little money and that she might be able to get her hands on a little more of it than she does, if she gets you to thinking you are the father of her child. I don't believe it is advisable for you to take on this responsibility. After all, she is still married and living under her husband's roof and in my opinion the baby is his. You are making a serious mistake in carrying on an affair with this woman and you will learn to your sorrow later on.

M. L. M.—Is this treatment doing me any good? I love your column.

Ans: You must continue your treatments. Goiter's can't be corrected in a few weeks time. Be patient, results will begin to show in the near future.

### DO YOU REMEMBER?

by Richard Stanley

Well lovers of the turf. The race season has come and gone. Some of the fans are happy and some are sad. The main reason some are sad is because they tried to beat the card. That is very hard to do. If you pick 3 winners out of 8 races you can pat yourself on the back because you have done good. Some fans think they are so good they try to to beat seven or eight races a day. There is where you are wrong. That old saying is "You can beat a race but not the races". In the state of Illinois, standing soon there will be a lottery on the same order of the Irish Sweepstake ticket will be sold for \$2.50 and the drawing will take place once a month. The lucky winner will receive twenty thousand dollars. Not bad. Worth trying better than putting 2 bucks on a nag and watch him run last. You will have to wait 30 days for the drawing. Look, what a suspense you will be kept in and the thrill you will get out of hoping your ticket is the one that fate held for you. Suppose 5 people put in 50c apiece and won that will be four thousand dollars apiece. Where on earth can 50c bring that much money. Not on a horse. I am sure all of you like to take a little chance once in a while. That lottery will certainly hit the spot when the full details are worked out in Illinois. This paper will tell you all about it. It is now up to the Governor of the state to sign the bill for it to become a law. I predict in a very short time some more states will try out the plan if it works in Illinois. That is only a new scheme to get tax money for old age pension and other state needs. The people are going to gamble in some form anyway. The states might as well be the take-off man as some politician to rob the public. Why should the people in the United States send millions of dollars over in Europe every year when people over here are naked and starving. It doesn't make sense. I am saving up my change now so I can buy me a ticket and if I win I am going to change the route of North 24th St. instead of running North and South, I am going have old Chocolate avenue to run East and West. All of you in favor of the change, just hope I win 20,000 dollars.

UNITED COAL WINS 15 TO 2

On Sunday July 2 at 16th and Boyd St., the Cash Coal and West Omaha Booster hooked up to play a game of baseball which turned out to be a football score. The colored lads out played and out hit the Booster. The game was marred with a series of mishaps. Roosevelt Walker was hit on the dome with a ball by the pitcher, but not seriously hurt but painful. The Booster catcher was hit on the finger and the umpire called a halt after he noted that the catcher's finger was broken. Tapley gained his eye and hit two circuit clouts. The game was called off because lost of light. The score was 15 to 2 in the favor of the United Coal. Two games for the United Coal this week. They go on top of the league by one half game. Florence Merchants who were to play a double headed was postponed. If they win both games they regain the lead by one half game.

Wright Awarded Guggenheim Honor

NEW YORK, July 1 (CNA)—Richard Wright, young Negro newspaperman, poet, short story writer and novelist, has won a Guggenheim scholarship amounting to \$2,500. It was said to be the first

time that the Guggenheim Memorial Foundation has honored a left-wing writer. Wright is a member of the Communist party.

The brilliant young writer, who is on the staff of the Federal Writers Project in New York, N. Y. has a life story as interesting as that of Joe Louis. Like Louis, he rose from the deep South, where he was born on a plantation near Natchez, Mississippi. His childhood was spent in an orphan home. He has worked at many jobs, including farm labor, street sweeping, dishwashing, and as a porter.

Wright has won other literary prizes including the Story Magazine award for WPA writers. His most recent novel was "Uncle Tom's Children," which has been acclaimed by critics in this country and in the Soviet Union.

### PRESIDENT GREET'S NAACP WITH PRAISE FOR NEGRO'S CONTRIBUTION TO U. S. RISE

Richmond, Va. June 28—The full operation of democracy in our country is that which makes it possible to "delight in recognizing the contributions which members of the Negro race have made to American life and the part which they have had in the progress of the nation."

This was the sentiment expressed by President Franklin D. Roosevelt in a letter of greeting read at the thirtieth annual conference of the National Association for the Advancement of Colored People, which opened here at the Mosque auditorium, Tuesday June 27, at 8 p. m.

Referring to the Negro people of America as "an integral group in our American democracy," the President said, "we look to you to uphold its ideals, to help carry its burdens and to partake of its blessings."

The complete text of the President's letter, which was addressed to Walter White, executive secretary of the Association, follows: "The opportunities of a democratic people to participate in national progress are legion. Their responsibilities for sharing in the achievement of that progress are equally great. We delight in recognizing the contributions which members of the Negro race have made to American life and the part which they have had in the progress of the nation."

"My sincerest wish for all of you is that your opportunities may be increasingly shared and

your responsibilities continuously accepted in helping the Negro race to hold fast to the advancements already made and in moving forward to higher planes of accomplishment. As an integral group in our American democracy we look to you to uphold its ideals, to help to carry its burdens and to partake of its blessings.

"In extending cordial greetings to the Thirtieth Annual Conference of the National Association for the Advancement of Colored People, may I express the hope that the Negro race will find steadily expanding fields in which to serve with industry, loyalty and distinction.

"Very sincerely yours  
"(Signed) Franklin D. Roosevelt"
