## ST JOHN A.M.E. CHURCH

Robye Mayo Edmonson, reporter  
Dr. R. A. Adams, pastor  
"The Friendly Church"

Sunday School was delayed 15 minutes due to the fact that the choir sang over station K. O. W. H. At 9:30 we convened. Sunday's lesson was well taught by our efficient staff of teachers. The subject was "Asa: Life of Trust." I think it was the general consensus of opinion of all that Asa was a man in whom God had supreme trust. Asa was also one to recognize his duty to God. Due to the absence of our Secretary Mr. Lawrence Parker, who is on a vacation, Miss Edna Blair is substituting. She is very competent in secretarial work as well as an outstanding pianist. Announcements were made Sunday for two socials to be given on Monday and Wednesday.

Morning service was very effective. Rev. Adams took his text in Matthew 6:10. Thy Kingdom Come. They will be done. The point that interested me was that many people pray "Thy kingdom come" and if the kingdom would come we would pray in reverse. We know that the kingdom comes through our hearts and if we don't open our hearts. It relies solely upon oneself to open the door. Don't forget that next Sunday is "Womens Day" With Mrs. L. S. Adams behind it the women will go places. The Allen Christian Endeavor was well attended by the young people. The lesson was intelligently led and discussed by Rev. Rucker. The Subject was "Good Times in the Home." It dealt with dancing and card playing in the home. It is well to know that Young People did not take the usual side of saying that the above was all right. The conclusion was that a Christian home should not put up with such procedure.

The request program was wonderful due to the fact that Mrs. Gibson was unexpectedly called from the city. Mrs. Pearl Hieronymous who substituted for her proved well very efficient as directress. It goes without saying that our pastor is an efficient substitution. He took Rev. Gibson's place and sang the solo "The Sinner and the Song." It was appealing and effective.

Visitors for the morning were Ruth Nelson of Fortworth Texas, Mrs. Alduck, Mrs. King, and Mr. Bruce. Visitors are always welcome in Mt. Nebo.

## CHRIST TEMPLE CHURCH

Rev. L. M. Relf, pastor  
Sis. A. Hegan, reporter

Sunday School was opened by Bro. Singleton at nine thirty. The Golden Text was "Help us, O Lord our God for we rest on thee." II Chronicles 14-11. Morning worship began at eleven a.m. the Junior Choir taken the stand at eleven thirty. Rev. Relf brought us a wonderful sermon from II Chronicles 14. His subject was Asa, A Life of Trust. H. Y. P. U. met at its usual time. The evening service began at eight p.m. Rev. Burton preached for us a wonderful message from 2nd Thess 3: He determined the fact of how the people in the church should do and live. Our visitors during Sunday service were three. You are always welcomed at Christ Temple.

## MT. MORIAH BAPTIST

Rev. F. P. Jones, Pastor  
F. Burroughs, reporter

The spirit came and dwelled with us as we listened to God's servant talk to us by the way. For the morning worship, the Pastor brought to us the third division of the subject "What Time Is It with You?" Many pointed truths were brought out. After the sermon five girls sang "Won't you hear me pray once again. Mr. Edward Anthony sang a touching solo.

At the evening worship we again listened to a good sermon the subject was the "Good Samaritan" Among the visitors present at the morning worship was Mrs. Vivian Jones, the wife of Mr. Thomas Jones and her sister Mrs. Florence Hutchinson.

Immediately after the services Sunday evening, Rev. Jones left to attend the World Congress now in session at Atlanta, Georgia. He expects to be home by Sunday. Next Sunday the Mortgage Burning rally will reach its climax and will be observed with a program.

All pledges are expected to be paid up. A history of the church in pageant form will be the main feature of the program. Every one is invited to attend.

from the convention; I'm sure you will want to hear her report. Mrs. Goosby, our secretary, is out of the city due to the death of some close relative. I am sure I speak the sentiment of our entire group when I say to her via this column, please accept our heart felt sympathy in this, her hour of bereavement. Now until we meet again shall I say

## CITY UNION OF THE USHERS AND USHERETTES

Jack Hall, reporter  
WE, 6421

First we'll give way for one important announcement. Should you ever look it, in the club news, column of this paper. Mrs. Henderson, president of Pleasant Green's local wishes to announce that on July 24 the local had a lawn social and all the Ushers and Usherettes were especially invited to gather with friends.

Now to get along with our story. We want to say thanks to some body for I knew it was some well wisher or shall I say some praying Usherette that caused good fortune to come our way in the form of a little gas that enabled us to take our Club Jelopy out on its maiden trip. Oh yes, we were all lined out including the trusted chauffeur, Mr. Robert (Bud) Green. You can trust him when you know he's asleep and his assistant or my body in the person of Mr. Frank Cole. And believe it or not, at each point of call we were received with outstretched hands. Of course they expecting us to drop something in the basket, just as a little keep piece until we returned again.

On one of our stops, someone must have put out some advance of our arrival and just as a safety first measure they had the B. B. Boys on hand to escort us should we by any chance venture too far in the enemy lines. Thanks to Lady Luck and our horse shoes, we came out OK.

While our car was percolating fairly well with a strong southeast wind and a gallon of gas we set our compass and in due time dropped anchor at the harbor known at St. John's Baptist on So. 13th St. The church your reporter has been trying to visit for many a Sunday. After being introduced by the good president of that local in person of Mrs. Summers, we made a short but very spicy and timely talk to the local, praising them and also encouraging them in the good work and their loyalty to the Union. After the remarks the donation had been given by us, the pastor spoke very encouraging of the Union and said he was in accord with the set-up at large and with that he bid us good-speed and we departed in another "good will trip" which ended at the Urban League.

Mass Meeting At 3:30 P. M. members of the locals gathered at the Urban League for the final meeting for this month. To listen and see the reports come in by the different chairmen of their departments that would spell Walk or Ride for our delegates who turned out to be our good president for the trip to the convention and New York. Now we all know our president can't walk that far. The convention opens Tuesday of next week. So it's up to the half and as for as the three quarter mark, the trip seemed very doubtful but when coming in the home stretch our old favorite FAITH began to come to the front and at the finish just nosed in ahead of MR. DOUBT with MISS I TOLD YOU SO, coming in for the last money. Now you will agree with me when I remind you again, that there's many a slip between the Dough and the Trip. I told you our delegate had good (shoes) religion.

So after the race was over and the winner acclaimed "meaning money in the hand" the president (and delegate) in her big hearted way thanked the chairmans, locals its members in fact every body that donated financially or at least held a good thought for her while struggling, and hoping for a realization that she had prayed and hoped some day to see a delegate from our Union start for the Convention.

Now as she took her leave Saturday night via the Zepher Route to Chicago, there to join the other delegates from every where, west, south, and north and east to entrain Sunday night in a said body via Canada, Buffalo and New York City and cross the bridges to Brooklyn, we can only say to you to enjoy every minute of your trip and return to us lots of news

and maybe return to the convention for 1940. You never can tell.

Locals, Socials Looking over my date calendar for this week, I find quite a number of socials are dated for this week. Mt. Moriah local met Tuesday with its trip to the park. Bethel A.M.E. Friday 21st met with its Hobs Travels and Pleasant Green, lawn social Monday night. We can only say we wish for them all the success and pleasantry. I only hope your reporter will find time to come in on some of your outings before the fun is all over. Last week your reporter acted as you might say "pinch hitter"

The ensemble on the left can look very charming on practically anyone who has a flare for youthful clothes. The scotch-plaid effect of the bolero should be worn loosely, with a matching belt or band of the same material. Note that the belt is extremely wide. The dress is of contrasting color and would look especially well in deep blue crepe or rayon shark skin. The front is tailored, and the skirt is quite full. The young lady in white is wearing

just the thing for a hot day—simple and sweet. Made up in cotton or linen the coat has slightlyuffed leg-o mut—ton sleeves and simple collar. Note the unusual pocket effect with the flap buttoning from the bottom—simple, but very effective. The skirt is very plain except for the flare bottom for comfort and freedom of movement. It should prove becoming, no matter what your complexion.

## WOODSON CENTER NEWS

THIRTEENTH ANNUAL PLAY SCHOOL BEGINS

This year is our boys aeroplane class. The boys have no special teacher but conduct the class themselves. Some of the planes have also been planned by the boys. These vary in size from a six inch wing span to some with a three inch wing span. All of the boys in this class have a special interest in building aeroplanes. One member of the class belongs to the South Omaha boys aeroplane club. Another member has built over 25 planes in the last year.

Other classes include: Sewing, cooking, weaving, clay-modelling, artcraft, woodwork, story telling handicraft and music. 14 classes are taught daily in the two buildings, our Center at 3000 R. St. and Mt. Olive Church directly across the street in front of our Center. Woodson Center and Staff are very grateful to the Pastor, Rev. J. P. Mosley and his good members for the use of the facilities of their church during this time when our "Housing" problem is so serious.

Our average daily attendance these three weeks has been above 60. The school will close on July 25th with an exhibit and short program which will include a daily period of the school's activities.

for our chief instructor, Brother Claude Williams, and make a couple meetings, which I believe was quite profitable to all that was present as I did my best to point out and explain some of the duties that is expected of a good Ushers Local.

It seems that the locals are over on the alert for new material as I noticed quite a few new faces on the different local boards which make a nice showing. Now to the sick members, we say we wish for you a speedy recovery and that you will be up and around again. So with the same old saying—I'll B-C in U.

hours from 4 till 7 P. M. The exhibit will open during the evening hours for those who cannot attend in the afternoon. Parents and friends are cordially invited to attend and bring interested friends with them. On Wednesday July 26th, the school children and parents will hold their picnic in the park Carter Lake.

Playground activities of the school are held in our yard. Each group of the school has a period of games. Swings, teeter totters, horse shoes, croquet and ping pong are enjoyed by the children daily.

AFTERNOON PLAYGROUND Older boys and girls continue to enjoy games on the playground at the "Brickyard" in the late afternoons, Tennis the greatest attraction of teen-age boys and girls next to baseball; and both courts are busy these sultry days. Younger boys and girls enjoy swings, handball, and other sports.

Our Senior boys are playing ball three days a week now, instead of two. We understand that the Southside boys still bring crowds to the games when they play.

ADULTS: Our women's class in handicraft has continued throughout the hot weather. Some of the rugs will be ready for display by the end of this month.
