Story at Right

Climaxing the most active period in its history, members of the Home and Foreign Missionary Society of the AME church attended its quadrennial convention held in Jacksonville, Fla., last week and rejoiced over reports which showed \$72,000 raised for mission work. Bishops and delegates from every section of the country were present as Mrs. Lucy M. Hughes of Cameron, Texas, dynamic president of the organization describing which she inspected the far and flung mission outposts of the church this summer. Mrs. Hughes will be a candidate for Secretary of Missions at the General AME Conference to be held in Detroit in 1940.
