AN OUTING
On August 18th, a group of well known men composed of Dr. C. H. Singleton, Dr. West, (brother-in-law of Mr. Jess Hardin,) of Washington, D. C. Mr. Cleo Mortimer and H. W. Black, left for Lake Adry, Minnesota for a fishing trip. The party made the drive of 545 miles in about 12 hours. After leaving the main highway the drive was through about miles of virgin forest with foliage of all kinds so thick that the car was rubbed and marked at every step of the way. The road was just wide enough to admit one car at a time with an

At the end of the trip the party came to a stop at the "Retreat" a camp with cottages operated by Mr. George Gamble, a product of Omaha and a brother of Mrs. A. Williams. Mr. Gamble first went to Lake Adry for his health and improved so well that he decided to make it his home. It is located just 135 miles north of Minneapolis, Minn., and is a veritable paradise for fishermen and hunters. Deer, bear, rabbits and etc. The lake teems with bass, crappies, bluegills, great northern pike and other kinds to attract fishing. Many thrills for the boys as well as cooking, gorging and house cleaning made them all feel well repaid for their time and expense. With many regrettable farewells the crowd bade Mr. Gamble au revoir and started for home. Stopping in Minneapolis about two hours to call home and Dr. Singleton calling our old friend Joe Levy who is convalescing from an operation. We arrived in Omaha all well and happy with just one thing more to do and that was to see how many of our friends we could get to before our fish run out.

Mr. and Mrs. R. C. Price appeared before the Equalization Board, and made a drastic plea for this most worthy organization. Mr. Price was very gentle in his argument. He told every reason why all properties belonging to this organization should be free from taxes. Mrs. Price, well armed with ace records of the properties was able to give a concise and accurate account of all funds. Taxes have been paid on the following properties for a period of 10 and 16 years:

LABOR HALL
(by Edna Mitchell)

The wreckers are on the Labor Hall which has stood for years between Patrick and Blondo. Hundreds of Sir Knights and Daughters were there also the Tenth assembled.

If this building could talk it would reveal some of our secrets and would say that many a dollar has passed that way. This building has been used as a church in the past years. We are certainly going to miss this frame structure but to beautify this part of our city it must go along with the rest of the wrecks. It brings back memories of our deceased Sir Knights and daughters, also our children who the in the great beyond.

A Prominent Business Woman Praises Mme. C.J. Walker's Preparations

"I use Mme. C. J. Walker's preparations exclusively because I get results from them that I am unable to get from any other preparation," stated a well known business woman the other day.

The secret of the remarkable success of Mme. C. J. Walker's preparations is in the fact that they were blended by the late Madam C. J. Walker to reach certain definite conditions of the hair, skin and scalp, and today, after over thirty-five years on the market, they are growing increasingly popular, and notwithstanding the fact that the Company has always refused to reduce the price on these goods, they are still in demand everywhere.

Mme. C. J. Walker's Gossline, although more than thirty-five years on the market, is still the leader in its field. The reason for this is because it not only serves as a scalp oil, but it gives the hair that silky sheen and natural gloss that is the delight of every woman.

Mme. C. J. Walker's Brown Face Powder is not just another Face Powder, but is the result of years of experimenting to produce the perfect blend to impart a velvety softness and at the same time cooling and refreshing. Just the thing for these hot days.

The Mme. C. J. Walker's wonderful preparations are sold by Walker Beauticians and Drug Stores everywhere, or you can write The Mme. C. J. Walker Mfg. Company, direct. Address: The Walker Building, Indianapolis, Indiana.
