Mrs. Roberta Baly, sister of the bride and Mrs. Amanda Craig, mother of the groom, stood in the receiving line with them. The bride was very charming in a dress of blue and silver with a corsage of gardenias. Mrs. Amanda Craig was dressed in black crepe with white accessories and her mature years added grace and dignity to the occasion. Mrs. Baily's gown was of white lace with corsage of pink and white rosebuds.

The color scheme, yellow dominated the magnificently decorated table with exquisite cut glass and fine silver. The place cards were little perfume applicators, accentuating the color scheme.

Mrs. Fredericks is a prominent social matron of Omaha, Nebraska, and the house guest of Mrs. Josephine McCraven. They were schoolmates and are life long friends.

By Richard Stanley

Count Basie's Band will appear at the Dreamland on Sept. 29th Last week's paper quoted that famous orchestra as the 19th. My mistake, excuse it please.

CELEBRATING HER BIRTHDAY

Miss Cola Pierson, the miniature waitress of the famous E and E Little Diner really enjoying herself to the height of perfection, with a smile on her face twice as large as she is for her age. Miss Pierson is just like all ladies and won't tell her age, but the way she looked Saturday night, and the way she danced in my opinion she is just 22 years old. Miss Pierson was in company of the genial Jack Whitmeyer and the ever jovial Miss Hayes owner of the Little Diner Cafe.

CELEBRATING HIS BIRTHDAY

Mr. Eugene McGill, jovial owner of the famous McGill Bar celebrated his ?? birthday on Sept. 23rd. Every one joined in the wishes of this good fellow a very happy birthday and may he have many more like this one. The huge crowd in the Blue Room stood up and gave McGill a great big hand. McGill told me his age was 42 yrs. Let's all laugh for I've known him for 23 years and he was in business in South Omaha 30 years before I knew him, he worked for dear old Uncle Sam for 12 years. Anyway Mc looks and acts the very picture of health and may he have 42 more birthdays.

COTTON CLUB SWING BAND

The Cotton Club Swing aggregation is about the hottest in town. 4 of the boys were formerly with Nat Towles. The piano player and his ten fingers sound like Eddie Duchin and the well known Bates is trying his level best to dethrone old Satchamo and Archie Brown needs no introduction for he is really tops with his trombone. The only difference between them and Tommy is Tommy draws down more shekels. That sax man can hold a note longer than it takes some of the boys to pay me those small favors and the Charley Martin does when some Drummer makes more noise than one draws out on him, but sweetener noise. All in all the band is tops; also, the floor show is excellent, featuring Miss Jean Powell from Chicago, the whirl wind. W. C. Williams, Master of Ceremonies, Wianoina Harris the All Right Then singer of perfection, Velma Morris, torch singer Deluxe. The Cotton Club had only standing room at 11 o'clock with a jolly crowd of mixed patrons and the waitresses were tying their best to give the best of service under trying conditions. Why do the patrons stand up when the floor show begins and crowd the aisle? If every body keeps their seats then all can see and hear. Every body had a good time, in fact, they always do at the Cotton Club.

BLUE ROOM FLOOR SHOW TOPS

Every night last week the famous Blue Room played Host to a packed house, not even standing room Friday night. Where so many good timers come from is a mystery. Also Saturday night with that ever smiling Georgie Watkin directing that hot band and her dancing is superb, in fact it is tops; ably assisted by Selma Long and Babi Jiner and the boy with the hot feet make a very hot floor show. McGill says that he will spare no expense to bring his patrons the best in entertainment every week. Mc wishes to thank all the good people for their attendance. Since he knows what they want he is going to try to keep it for you. Good music and entertainment, law and order prevails at all times.

A Prominent Business Woman Praises Mme. C. J. Walker's Preparations

"I use Mme. C. J. Walker's preparations exclusively because I get results from them that I am unable to get from any other preparation," stated a well known business woman the other day.

The secret of the remarkable success of Mme. C. J. Walker's preparations is in the fact that they were blended by the late Madam C. J. Walker to reach certain definite conditions of the hair, skin and scalp, and today, after over thirty-five years on the market, they are growing increasingly popular, and notwithstanding the fact that the Company has always refused to reduce the price on these goods, they are still in demand everywhere.

Mme. C. J. Walker's Glosline, although more than thirty-five years on the market, is still the leader in its field. The reason for this is because it not only serves as a scalp oil, but it gives the hair that silky sheen and natural gloss that is the delight of every woman.

Mme. C. J. Walker's Brown Face Powder is not just another Face Powder, but is the result of years of experimenting to produce the perfect blend to impart a velvety softness and at the same time cooling and refreshing. Just the thing for these hot days.

The Mme. C. J. Walker's wonderful preparations are sold by Walker Beauticians and Drug Stores everywhere, or you can write The Mme. C. J. Walker Mfg. Company, direct. Address: The Walker Building, Indianapolis, Indiana.
