duty. We had a very interesting league, Mr. Cribbs acting president and Mrs. Nancy Hall, program chairman. Mr. Logan brought us encouraging remarks on our duty. The president is still ill. The evening service was sponsored by the Pastor's Pride Club and was well attended. We had a number of visitors at each worship. We trust that they will worship again with us at their earliest convenience.

MT. MORIAH BAPTIST

Rev. F. P. Jones, Pastor
F. Burroughs, Reporter

"I was glad when they said unto me, Let us go into the house of the Lord." Psalms 122:1.
The Sunday worship was well attended with visitors from Zion and Pilgrim and other churches. The pastor delivered the message which was excellent, a sermon filled with gospel truth, one of those sort of sermons that one might compare with a measuring rod, for it made one think and treasure themselves and see their shortcomings.

BYPU services were also good with a good number present. The adults rendered a childhood program.

Each adult recited a speech that they knew when they were children. Much pleasure was derived from this program.

The Mission Circle is giving a pie sale Friday Nov. 17.
We are glad to have Mrs. Jones home again. She has been out of the city because of the death of a member of her family.

ST. JOHN AME CHURCH

The Friendly Church
Rev. T. A. Starns, Pastor

The day at St. John was another banner day. The Sunday school opened the day with a very good attendance with the Supt. Mr. T. H. Goodwin, in charge.

Rev. Starns preached both morning and evening. He always has a very fine message for those who come with their hearts in tune to receive it. Rev. Starns says he expects to let his morning congregation out between 12:15 to 12:30. He likes short services.

The choir made a new all-time record of having nearly 100 per cent of the choir out. They changed to their winter vested robes and made an impression that will be long remembered by those present. The choir has a fine outlook for the year. They expect a full choir at most of the services.

The pictures made last Sunday came out fine and can be gotten any time. Why not send a friend one for Christmas?
Send in your request now for the fourth Sunday night request program.

The financial drive is moving on fine. Do not be the last to pay your pledge. Let us all move forward with old St. John.

The Church and friends are glad to know Dr. R. A. Adams, former pastor of St. John and family, are doing fine in their new charge at Wichita, Kansas.

The clubs and groups of St. John are making plans for some very fine things in the near future so keep in touch that you will not miss out on any of them.
We are always glad to see so many visitors out at our services. We invite strangers to make St. John their church home while in the city.

THIS WEEK In Religion and Thought

ROBERT L. MOODY

Hatred—

"Whosoever hateth his brother is a murderer." John 3:15. Last Saturday some countries observed Armistice Day. Thousands visited the tomb of the Unknown Soldier with hearts full of hatred but they also had fearful thoughts of the future. Have these "honored dead" died in vain?

The Battle Hymn of the Republic has a statement that needs revision under present conditions. It says, "As He died to make men holy, let us die to make men free." Thousands died believing that their deaths would make men free but we are faced with the same problems of war. There is only one man who died to make men free. He is the same man that died to make them holy i. e. Jesus Christ.

The fear of the future that we experience is caused by hatred in the hearts of individuals and nations. There will always be wars and rumors of wars as long as hatred remains in the hearts of man. Hatred makes all men potential or actual murderers.

All conditions of peace as made twenty-one years ago have proved faulty because they are purely human. Though an agreement was reached each nation had the hateful suspicion of the other and waited for the opportunity to retaliate.

The best way to realize a real armistice is to get rid of the cause of war i. e. hatred. One may not shoot, cut nor bomb his neighbor but he is just as dangerous if he has hatred, the element of murder in his heart.

As much as we hate pessimism we do not expect freedom from war until every person accepts the Price of Peace in his heart. This is improbable. However, as many as receive Him, to them will He give power and peace but not as the world gives.

CLAIR CHAPEL CHURCH

Rev. G. D. Hancock, pastor
Mrs. Ellis Kirtley, reporter

Mrs. Wade and Mrs. Justus sponsored a beautiful tea from 4 to 8 at the home of Mrs. Justus. Attendance was good. The sick of the church are: Mrs. Stanley Goosby, Mr. Sam Greivous, and Mr. Lewis. All are showing improvement. The Happy Time Club invites you to eat Thanksgiving dinner at the church Nov. 30th. There will be a turkey dinner. The Ladies Aid will show you the latest styles in clothing and hair styles Nov. 22nd. The public is invited.

Visitors are always welcome at Clair Chapel.

OMEGA ACHIEVEMENT WEEK OPENS WITH RADIO ADDRESS

Washington, Nov. 16 (ANP)—With the theme, "The Negro in Government and Politics," the annual National Achievement Week sponsored by Omega Psi Phi fraternity got under way Sunday with an address by Maj. Campbell C. Johnson, week director, on the "Wings Over Jordan" radio program. The observance ends Saturday.

During this week, local chapters of the Green letter society are having programs devoted to Negroes who have achieved distinction in government and politics during the anti-slavery period, reconstruction, post-reconstruction and the modern era since the close of World War I.

This theme was chosen because of the coming presidential campaigns and the European war situation. Omega officials believed this was a strategic time to tell America of the part played by Negroes in national affairs during the past 150 years so as to

How to Avoid Dialing Wrong Numbers

1. See the Telephone Directory for the correct telephone number.
2. Before starting to dial, listen for the "dial tone" (a steady humming sound).
3. Dial each letter and figure of the telephone number in the order it appears in the directory.
4. Pull the dial to the finger stop for each letter and figure and let the dial return to rest before dialing the next one.

When you dial a wrong number two persons are inconvenienced... the one called by mistake and yourself... a mighty good reason for dialing carefully.
