Suffering Women May Only Need "Build-Up" A simple method is saving many women much pain and discomfort! It is based on the knowledge that women's headaches, nervousness, and cramp-like pains are symptoms of functional anemia due to a weak, under-nourished condition. That so many women find relief from these painful symptoms through the CARDUI "build-up" is easy to explain. By improving the appetite, assisting digestion and assimilation, CARDUI helps build periodic pain. Thousands of women also report that CARDUI, taken just before and during "the time," lessens periodic pain.
