The Sunday school has increased. We had several visitors. We trust it will continue to increase. Our morning worship was well attended and everyone seemed high in

spirits. Rev. Camel brought to us a very impressive sermon. Our hearts rejoiced as he brought to us the many wonderful things accomplished by faith.

Songs were rendered by our choir which was wonderful.

Our BYPU was well attended. The evening was very impressive. Our pastor preached a soul stirring sermon. It was enjoyed by all.

Visitors are always welcome.

We again had a good attendance at the morning services and our pastor brought us another good sermon. If you don't attend the morning worship you are missing a spiritual blessing. We worshipped at Zion with the Union Service at 7:30 p. m. The Union Service will be at Pilgrim Church Sunday. Rev. G. D. Hancock, host and Rev. F. C. Williams of Zion will bring the message. His choir will furnish the music.

We had about two hundred persons attending the world day of prayer services. There were ten pastors present with members and friends. There will be a program sponsored by the Usher Board Sunday at three o'clock. The public is invited.

THIS WEEK IN RELIGION AND THOUGHT
by Robert L. Moody

Negro History Week—

Another year has passed and we are observing Negro History Week again. This observance is becoming more and more popular. Schools, churches and civic groups are sponsoring programs that give much information and inspiration about the progress of the race.

The Negro showed his ability in many fields before Emancipation. There were inventors, orators, teachers, preachers, etc., during the days of slavery. Freedom has merely accelerated the speed of our progress.

We are thankful for accomplishments that we have made in our 77 years of freedom but this is no time to stop and pick flowers by the way. This merely indicates what we can do if we continue and trust in God. May every young Negro use the hardships and examples of the past as a stepping stone toward higher goals.

TEACHER PLACEMENT

Among neighboring states North Dakota, Colorado, and Kansas have provided for teacher placement since this Service was set up in Nebraska. South Dakota and Iowa preceded Nebraska. Wisconsin was the first state to establish specialized placement service for teachers and Indiana the most recent. In most of the states Teacher Placement Service was established with the cooperation and assistance of

TOWARD NATIONAL FAME

Four years ago Edward Leroy Loper, young Wilmington, Delaware artist was totally unknown. Today his talents are pushing him toward national fame. The Federal Art Project of the Works Administration is responsible for this success. Mr. Loper is pictured here with his prize painting entitled, "Taking Down Clothes." This creation and other productions place

Delaware high up in a list of States where the Federal Art Project has encouraged and materially aided promising Negro artists. Massachusetts, Pennsylvania, Ohio and Illinois are among other states whose native Negro artists have become nationally famous through the WPA Art Program. (WPA Photo)

RUMFORD SALESMAN RETURNS TO FISK

RANDALL L. TYUS

On February first Randall L. Tyus, for seven years salesman for the Rumford Baking Powder Company, was added to the Endowment Campaign of Fisk University. Mr. Tyus was graduated from Fisk University in 1932 and since that time had been engaged by the Rumford Company up to the time of his appointment by Fisk. When Mr. Tyus entered the employ of Rumford he had the natural ability and ambition to become a salesman but no actual experience as that afforded by the Rumford Company. However, by hard study and close application he gradually forged ahead of those who had been in the Company's employ for years and it must be remembered that all of the sales force of the Rumford Company had been exclusively white until the employment of Mr. Tyus. It was Fisk University that broke down the color-line in the Rumford Company's sales force through Mr. Paul K. Edwards, at that time head of the Department of Economics. Mr. Edwards showed the Company the possibilities of the Negro market and recommended Randall L. Tyus. Mr. Tyus has received many commendations during his rapid rise in the Company and leaves behind him a perfect record with Rumford and the officials of the Company regretting to lose him.

UNEMPLOYMENT BENEFIT

Lincoln, Nebr., Feb. 15. —Heavy seasonal unemployment partly due to excessive cold weather resulted in a marked increase in state job insurance benefits payments during January, according to R. T. Malone, director of the Nebraska Unemployment Compensation Division.

January figures released today by Malone show that 18,321 weekly benefit checks totalling \$169,167, were mailed out to claimants in January. This represents an increase of 6,581 checks and of \$63,453 over December. Initial claims filed in January numbered 7,270, compared with 2,847 in December. Continued claims numbered 19,037 compared with 12,451 in the preceding month.

The January average check for weekly benefits for total unemployment amounted to \$9.45 as compared with \$9.21 in December. Past experience shows that the bulk of the money paid out in benefits is returned almost immediately to Nebraska trade channels by the eligible claimants, whose buying power is thus sustained in periods of heavy unemployment.

Man Chooses Pie

—By Frances Lee Barton—

ASK almost any man to list his desserts in their order of popularity and he will head the list with "PIE." He may hesitate afterward, but his first choice is instantaneous. Pies are economical and easy to prepare, yet they never lose their appeal. Here is a pie recipe you will find invaluable:

A Prominent Business Woman Praises Mme. C. J. Walker's Preparations

"I use Mme. C. J. Walker's preparations exclusively because I get results from them that I am unable to get from any other preparation," stated a well known business woman the other day.

The secret of the remarkable success of Mme. C. J. Walker's preparations is in the fact that they were blended by the late Madame C. J. Walker to reach certain definite conditions of the hair, skin and scalp, and today, after over thirty-five years on the market, they are growing increasingly popular, and notwithstanding the fact that the Company has always refused to reduce the price on these goods, they are still in demand everywhere.

Mme. C. J. Walker's Gossamer, although more than thirty-five years on the market, is still the leader in its field. The reason for this is because it not only serves as a scalp oil, but it gives the hair that silky sheen and natural gloss that is the delight of every woman.

Mme. C. J. Walker's Brown Face Powder is not just another Face Powder, but is the result of years of experimenting to produce the perfect blend to impart a velvety softness and at the same time cooling and refreshing. Just the thing for these hot days.

The Mme. C. J. Walker's wonderful preparations are sold by Walker Beauticians and Drug Stores everywhere, or you can write The Mme. C. J. Walker Mfg. Company, direct. Address: The Walker Building, Indianapolis, Indiana.
