THE OMAHA GUIDE

THRU THE Darkness See

BY FRED C. WILLIAMS

ing the Negro into the present eco- ager. nomic situation and work program took up a program that was launch-

ed by the late Booker T. Washington in which he advocated the education of both the hands and mind of adults and children alike. Now twenty years after his death, leaders and friends of the race are recognizing the value of the teacing and philosophy of the one and only Booker T.

CAPTURING A VISION :- The high time that this race our ours is far more valuable than the white of Baptists honoring the memory tory and credit the men and women recently made before a large audiof the late Dr. R. H. was greatly responsible in inducing ificant is that the southern white man admits the value of the Ne-

gro vote and points out that if the vote is given to the Negro in the eleven southern states where he is now disfranchised, it will destroy, so he says, the democratic party. In this, I do not agree, but it will destroy the white man's futile system that denies the right of citizenship.

き なる 実業 王家 御殿 御殿 THE BLOCK-OUT SYSTEM: -Out in California, the State legislature is in special session and a committee was appointed to investigate Communist activities. The committee convened in Los Angeles and a one days open session almost ended in a riot. The chairman of the committee went back to the Capitol and said they would take up the matter latter. It looks like a Block-Out for the Dies Committee.
