**GOODWILL SPRING MUSICAL  
 REHEARSALS TO BEGIN  
 FEBRUARY 25th**

Again the choirs taking part in  
 the 6th Annual Goodwill Spring  
 Musical will begin their rehearsals  
 Sunday February 25 from 3:45 to  
 5:15 p. m. at the Hillside church.

The choirs are expected to get in  
 touch with McVay, 2868 Corby St.,  
 phone WE. 0713 or Rev. J. S. Wil-  
 liams 30th and Ohio St. to see what  
 music they are to have. Rev. Wil-  
 liams wants all choirs to get the  
 music and go over it at their own  
 rehearsals before they come to the  
 massed rehearsals. The music is  
 only about 10c per copy this year.  
 Since this is true, we are sure ev-  
 eryone can have his or her own  
 copy.

Now as we will only have massed  
 choir members, we are sure the  
 musical will be far more pleasing  
 to the public than in the past years.  
 Not only to the public, but to those  
 who are to take part in the program.

Now we are doing good work so  
 far, let's try to make it just what  
 we would like it to be.

Why not start now writing and  
 asking your friends to be your  
 guest on April 28th. If you are  
 going to have out of town guest.  
 Why not let the committee in  
 charge know it so they can speak  
 of it in the local papers, so that  
 other friends may know it and  
 look forward to greeting them.

We are sure that the pictures  
 will be made at the first rehearsal,  
 but if they are to be made, we will  
 let you know. They may not be  
 made until the second rehearsal.  
 Whenever they are made, we hope  
 everyone will feel it is his or her  
 duty to get in on this group as

**"Build-Up" For Women  
 Helps Avoid Distress**

Do you suffer periodically from  
 headaches, nervousness, irritability,  
 cramp-like pain?  
 If so, here's good news! These  
 may be symptoms of functional  
 dysmenorrhea due to malnutrition,  
 often helped by CARDUI.  
 CARDUI usually increases appet-  
 ite and the flow of gastric juice;  
 so aids digestion and helps build up  
 strength, energy, physical resist-  
 ance. Result for many is less peri-  
 odic distress. Or you may find this  
 also helps ease your periodic dis-  
 comfort: Take CARDUI a few days  
 before and during "the time." 50  
 years of use and popularity invite  
 your confidence in CARDUI.

### THIS WEEK IN RELIGION AND THOUGHT

—by Robert L. Moody—

**Famous Men—**  
 We often repeat that February  
 is the month in which many famous  
 men were born. This has been  
 true regardless of race and color.  
 Abraham Lincoln, George Wash-  
 ington, and Frederick Douglass,  
 were born in February. Others  
 were Thomas Edison and Henry  
 Wadsworth Longfellow.

The lives and examples of these  
 men remain a memorable challenge  
 to Americans of today. May we  
 honestly and humbly do our part  
 to make America better as they did  
 Mississippi Law—

We wonder how Honorable B. K.  
 Bruce and H. R. Revels would feel  
 if they knew of the recent acts of  
 the Mississippi congress. An act  
 has passed both houses ready for  
 the governor's signature, that pro-  
 vides for separate textbooks for  
 Negro and white students. The  
 cost would be one-third of what  
 white children's would cost. We  
 quote M. E. Morehead, Ass't Supt.  
 of Hinds County: "This System  
 could provide the Negro with a set  
 of text books best suited to the  
 level of his intelligence for one-  
 third of what it costs for the white  
 child."

We hope that our brethren will  
 wake up and exercise their rights  
 to vote since they are a majority.  
 May they take courage and do as  
 the Florida Negroes did last year.  
 The time will then come that such  
 disgraceful measures will be re-  
 voked and others will be nipped in  
 the bud.

**WPA. ORCHESTRA**

The third program in the pres-  
 ent series of "Music Appreciation  
 Concerts" being presented in the  
 Omaha Schools by the WPA. Civic  
 Orchestra will be presented begin-  
 ning the week of February 19th.  
 The concert, titled "Dances of the  
 Old and New World", consists of  
 dance forms of various European  
 countries and several American  
 dances. France is represented  
 with the Gavotte, from Mignon,  
 Vienna by the Strauss waltz, Tales  
 of the Vienna Woods, Spain with  
 its Malagueña from Boabdil by  
 Moszkowski. Bohemia by the Polka  
 from the Bartered Bride while  
 the Minuet from Don Juan by Mo-  
 zart represents various countries.  
 The American dances include the  
 Dagger Dance from Natoma by  
 Victor Herbert, the Juba Dance by  
 Dettis, Square Dance by Davidson,  
 Indian War Dance by Skilton, and  
 the Sheep and Goats Going to the  
 Pasture by Guion representing the  
 Southwest.

### Brewer Action Program Now in Twelve States

The brewing industry's "clean-up  
 or close-up" program, in which Ne-  
 braska was the pioneer state, is  
 now in full swing in twelve states.  
 The movement is to be extended  
 gradually.

Organization of the industry for  
 self-regulation has just been com-  
 pleted in Arkansas, Missouri and  
 Georgia, making the program of ac-  
 ceptance of the social responsibil-  
 ity of brewing effective in one  
 fourth of the nation's states.

In all of these states, brewers  
 and beer distributors are engaged  
 in active cooperation with law en-  
 forcement officials to assure the  
 maintenance of orderly, lawful con-  
 ditions wherever beer is sold.

Launched as an experiment in  
 Nebraska in 1938, this program  
 proved so successful in eliminating  
 anti-social conditions where they  
 were associated with the sale of  
 beer that it was adopted last year  
 in Alabama, Kansas, Maine, Ten-  
 nessee, North Carolina, Mississippi,  
 Oklahoma and West Virginia.

The movement is being sponsored  
 by the United Brewers Industrial  
 Foundation, representing brewers in  
 all sections of the country. It is  
 designed to protect an industry which  
 contributes a million dollars a day  
 in taxes, utilizes the products of  
 three million acres of farm land an-  
 nually and helps provide employ-  
 ment for a million people, from the  
 irresponsible actions of a small  
 number of law-violating dealers.

The plan consists of systematic  
 investigations of retail outlets, and  
 prompt appeals to the constituted  
 authorities for revocation of the  
 licenses of persistent law violators.

The program in each state is ad-  
 ministered by a State Director se-  
 lected from outside the industry.  
 Among these Directors are a former  
 Congressman, two former State  
 Senators, a former United States  
 Attorney and two former Assistant  
 United States Attorneys-General.

Administrators, and two former As-  
 sistant Attorneys-General.

 nesday Feb. 7 at 1:30 p. m. from

 Moody officiated assisted by Rev.  
 Relf, Rev. G. D. Hancock, Rev. O.  
 J. Burckhardt and Rev. Irvin. In-  
 terment Forest Lawn Cemetery.

**EMPLOYMENT PLACEMENT**

The outstanding achievement re-  
 vealed by the January activity re-  
 port of the Nebraska State Employ-  
 ment Service was the fact that 68  
 percent more applicants were plac-  
 ed in private industry than during  
 the same month a year ago. These  
 placements totalled 1127 of which  
 482 were of permanent nature; 42  
 of the private placements were of  
 applicants having veteran status.

Public placements, because of the  
 closing down of practically all hydro-  
 work and other PWA projects due  
 to the extreme cold, reached a  
 total of only 420. Of this number  
 however, only 251 were secured  
 through the NSES because this  
 process was required by regulation.  
 The remaining 169 were public  
 placements secured through solic-  
 itation on the part of employment  
 service personnel.

New applications likewise were  
 much lower than a year ago, the  
 total number of 3253 being 29 per-  
 cent less than in January 1939.

### NEW YORK ESTATE, SOUGHT BY FATHER DIVINE, MAY BECOME A PUBLIC ARBORETUM

**HYDE PARK, N. Y., Feb. 17 (A  
 NP)**—The plan of Father Divine  
 to purchase the beautiful 250-acre  
 Vanderbilt estate near Hyde Park,  
 was given a setback last week with  
 announcement by President Roose-  
 velt that the government hopes to  
 take over the property and oper-  
 ate it as an arboretum for the pub-  
 lic.

The President said that the pres-  
 ent owner, Mrs. James Van Alen  
 of Newport, R. I. plans to give the  
 property to the government, possi-  
 bly this spring. A small admis-  
 sion fee, to pay for maintenance  
 costs will be charged to visit the  
 arboretum which will feature the  
 scientific cultivation of trees, shrub  
 berry and vegetation.
