**MODERN ART CLUB—**  
 Hostess to the Modern Art Club Monday Feb. 26 was Mrs. Dora Alexander. The meeting was called to order by the president, who briefly instructed the new members about the Annual exhibit to be held the 3rd Sunday in May. The monthly birth-parties will not be given as usual on account of the exhibit. The members are to be commended on the fine array of needle work displayed at the meeting. We were very happy to have some of the members' husbands look in on us. Of course they were making pick ups. We acknowledge Mr. Cozy Nicholson, Mr. D. C. Riddle, Mr. Charles Harrold and Dr. A. L. Hawkins, who made some very interesting and timely remarks about a problem that exists at Lothrop school pertaining to our children. He further stated that the Negro should be on the alert to hold what he has in jobs also in business and profession. Mr. H. L. Preston responded. The hostess served a lovely repast. Those present were Mrs. Vida Jowers, Mrs. B. H. Vanoy, Mrs. Charles Harrold, Mrs. F. W. Cloud, Mrs. D. C. Riddle, Mrs. Jasper Cole, Mrs. George Althouse, Mrs. H. L. Preston, Mrs. A. L. Hawkins. The club met again on Monday March 4th at 1916 North 25th St. with Mrs. F. W. Cloud as hostess. We are sorry that Mrs. W. L. Myers was absent at the first meeting on account of illness.

**FARM COMMUNITY STRAW VOTES SHOW DEWEY'S STRENGTH—**

Two recent polls taken in typical farming communities in the Middle West demonstrate forcibly that Thomas E. Dewey has strong backing among farmers for the Republican nomination.  
 In a secret ballot straw vote taken at a Republican meeting in Logan, Iowa, Dewey received twice as many votes as all other candidates for the nomination combined. The results were Dewey, 82; Vandenberg, 26, Taft 8, and Hoover 7.  
 At a Lincoln Day Banquet in Union County, South Dakota, the results of a secret ballot poll were: Dewey, 129; Vandenberg, 106; Taft 31; MacNider, 8; Bridges, 2 and Bricker, 1.  
 The straw votes taken at these two meetings corroborate the powerful showing made by Dewey in all of the nationally conducted polls.  
 In the most recent poll of the Institute of Public Opinion (Gallup poll) Dewey was found to be the favorite of 56 percent of the Republican voters of the country. Taft and Vandenberg received 17 per cent each in this poll.  
 The latest Pathfinder poll gave Dewey 58.2 per cent; Vandenberg, 15.6 per cent, and Taft 11.3 per cent, and the Fortune poll, published in January rated Dewey 44 per cent; Vandenberg 24 per cent, and Taft, 19 per cent.

Confucius has entered the political campaign as the ally of Mayor Roberts of Helena, Mont., a Thomas E. Dewey booster. Mayor Roberts offers this: "Confucius say 'What the Republican Party needs is less talker talk and more Dewey doing.'"

From the Tri-County Press, Polo Ill.,—"We are for Thomas E. Dewey for the Republican nomination now, tomorrow, and right on up to the convention. We hope he gets it for in him we see one of the few men in the nation today who possesses the courage to do the things that need to be done in Washington to return the country to sound principles of government."

Report of the secretary of the Williamson County (Illinois) Republican Central Committee: "100 percent for Dewey in Williamson County."

Here's something to read and remember—"We can win with Dewey."

**NEW YORK A BAROMETER**

That Thomas E. Dewey, Republican candidate for the Presidential nomination, would have no difficulty in carrying New York state is the opinion of the watchers of the voting barometer. Since 1936 there has been a decided increase in Republican voting strength and as New York State is a barometer indicating the probable outcome of National elections it reads 1940 to be a Republican year.

In 1936 the Democratic candidate for governor of New York polled 2,700,000 votes to the 2,450,000 of his Republican opponent, giving the Democrats 250,000 more than the Republicans.

In the 1938 election Dewey received 2,302,505 Republican votes and 24,000 Independent Progressive votes. Lehman received but 1,971,307 Democrat votes, but the 419,779 American Labor votes in addition to the Democratic votes won him the election. This election showed an increase in Republican votes, the Republicans casting 331,198 more than the Democrats.

In 1939 in the election of Judge Lehman, who was the sole candidate and whose name appeared on all ballots, the voting showed another increase in Republican strength. The Republicans cast 1,946,481 votes, the Democrats, 1,512,650, the American Labor party 240,302. The Republicans cast 433,831 more votes than the Democrats and 193,529 more than the combined Democrat and American Labor vote.

**A TRIBUTE TO YOUTH**

An editorial in The Spokesman-Review of Spokane, Washington, following the tremendous reception accorded Thomas E. Dewey and his Lincoln Day speech in Portland, Oregon:

"In his youth and strength, the vigor of his mind, the high courage of his spirit, his fearless confidence in America, the people see a new, fresh cleansing element in political leadership, a driving force for righteousness and the restoration of sanity, stability, impartiality in government and unity in the nation. And that is why Thomas E. Dewey can carry the Republican party and with it the American people to victory next November over forces of defeatism and discouragement.

**ANOTHER NEGRO FILM CO.**

A newly incorporated picture producing organization, headed by Ted Toddy, of Atlanta, Georgia, has entered the Negro picture field to produce eight feature pictures with all Negro casts. Toddy, who is an exchange operator, arrived in Hollywood by plane from Atlanta this week to complete details of the production and distribution set-up. The company is called Dixie National Pictures, Inc. It will distribute through its own exchanges which operate under the banner of Dixie National Films, Inc. Distribution

offices will be maintained in New York, Chicago, Los Angeles, Atlanta, Charlotte and Dallas.  
 Toddy will be president of the newly formed company. Other officers are Ted Toddy, vice president; Norman Stephenson, secretary-treasurer. Jack Coyle will be on the board of directors.  
 The pictures will be produced by Ted Toddy who pioneered the Negro market with his all-Negro western "Harlem on the Prairie" which still holds the box office record established two years ago for grossing larger returns than any other all-Negro picture.  
 Production of the first of the new series is already under way with the purchase of an original story from Walter Weems, who wrote the famous "Hearts in Dixie", and who was the chief writer for Moran and Mack during their success on the stage and in pictures. The title of this first production will be announced within the next ten days. Details of the story are being worked out now by producer Buell and writer Walter Weems. Actual filming of the picture is scheduled to start early in this month.

**TEACHER LEAVES \$40,000 TO FOUR WHITE SCHOOLS**  
 Chicago, March 8 (ANP) The will of Miss Rachel A. Hargrove, a retired teacher in the public schools in Illinois, last week revealed that she had left her \$40,000 estate to four white schools in Illinois. The schools, Knox College, Wheaton College, Aurora college and Northwestern university are to receive \$20,000, \$5,000 and \$15,000 respectively.  
 Miss Hargrove, who died Feb. 18 at the age of 75, had taught 20 years in the Froebel and 15 years in the Corkery elementary schools here. Her attorney, Adeler Petit Jr., white (?), said she had no relatives and picked the schools as the ones she most wanted to help.

**"NATIVE SON" GREATEST NOVEL YET BY AMERICAN NEGRO**  
 (by Frank Marshall Davis for ANP)  
 Put down "Native Son" by the brilliant young Richard Wright, published March 1 by Harper Brothers and current Book of the Month selection, as the greatest novel to come from the pen of an American Negro. In fact, it ranks with the best work of any modern American and is likely to prove as controversial as Steinbeck's "Grapes of Wrath" with which it is going to be quite generally compared.  
 Chief character in this realistic psychological story is Bigger Thomas.  
**FISH DISHES GIVE VARIETY AT SMALL EXPENSE**  
 (by Arden H. Duane for ANP)  
 Inevitably connected with the Lent season is the serving of fish. I have often wondered why most of us confine the serving of fish during lent and to one day a week during the rest of the year.  
 Fish is becoming more and more appreciated for its iodine content and its vitamin content. It is, without doubt, extremely edible and palatable. It is the most economical of main dishes. It provides the same protein nutrition as meat with a larger percentage of vitamins as an extra attraction. We can enjoy fresh fish, canned or frozen fish—all good to eat and good for you.  
**Baked Halibut with Rarebit Sauce**  
 One half pound of sliced halibut, melted butter, salt, pepper, one and one half cups milk.  
 Rub fish with melted butter. Sprinkle with salt and pepper. Place in a baking pan. Pour milk over fish. Bake about thirty minutes in a moderate oven basting frequently with milk. Serve with rarebit sauce.  
**Rarebit Sauce**  
 One half pound grated cheese two tablespoons butter, one one half teaspoons salt, one eighth teaspoon pepper, one one fourth teaspoon paprika, and one and one half cups of milk.  
 Melt butter in double boiler, add flour, salt, pepper and paprika and blend thoroughly. Add milk gradually, stirring constantly until mixture is thick. Continue to cook ten minutes longer in double boiler, stirring occasionally. Add cheese and beat until cheese is entirely melted. Serve immediately on fish.  
 I'll be glad to send you the leaflet of twelve fish recipes if you send your request to Arden H. Duane, Associated Negro Press, 3507 South Parkway, Chicago, Ill. Don't forget the loose three cent stamp.

mas, 20, who for five years has lived in Chicago with brother, sister and mother in a one room kitchenette. Born in Mississippi, reared in the midst of this nation's color prejudices, ringed by white restrictions, he is anti-social in a society hostile to him. White people he hates and fears. His outlet is petty crime. Forced to work or be cut off relief, he becomes chauffeur for the Daltons, rich philanthropists who have given millions to Negro education—and who own the kitchenette building where bigger Thomas pays exorbitant rent.

**RETIRING HEAD OF EPISCOPAL CHURCH WORK AMONG NEGROES REVEALS 35 YEARS PROGRESS**  
 55,000 Members Now

New York, March 8 (ANP) — "While in 1865, under the leadership of both southern and northern Episcopalians, a movement was begun to awaken the church to its responsibilities for work among Negroes, the American Church institute was not organized until 1906. Prior to that there had been study of the situations existing and some scattered work."  
 With this preamble, the Rev. Dr. Robert W. Patton, D. D., who announced his retirement as director of the American Institute for Negroes at the end of 1930, told the national council of the Episcopal church at its February meeting in New York City, of the progress of the church among Negroes.  
 "At the time (1906)," Dr. Patton said, "there were about 15,000 Negro communicants of the Episcopal church. Now there are about 55,000. Thus, in 35 years (including 1940) since the founding of the institute there are 40,000 more than in 1906, or a 350 percent increase as compared with an increase of 200 percent in the Episcopal church as a whole. In this increase, it is fair to say the institute played an important part."  
 While it is not the function of the institute schools merely to make Episcopalians, Dr. Patton explained, the influence of the church is bound to be felt, along with the "great things the schools accomplish in elevating the standards of Negro citizenship and in training Negro youth to serve efficiently in industrial and professional life."

"I use Mme. C. J. Walker's preparations exclusively because I get results from them that I am unable to get from any other preparation," stated a well known business woman the other day.  
 The secret of the remarkable success of Mme. C. J. Walker's preparations is in the fact that they were blended by the late Madam C. J. Walker to reach certain definite conditions of the hair, skin and scalp, and today, after over thirty-five years on the market, they are growing increasingly popular, and notwithstanding the fact that the Company has always refused to reduce the price on these goods, they are still in demand everywhere.  
 Mme. C. J. Walker's Gossline, although more than thirty-five years on the market, is still the leader in its field. The reason for this is because it not only serves as a scalp oil, but it gives the hair that silky sheen and natural gloss that is the delight of every woman.  
 Mme. C. J. Walker's Brown Face Powder is not just another Face Powder, but is the result of years of experimenting to produce the perfect blend and at the same time cooling and refreshing. Just the thing for these hot days.  
 The Mme. C. J. Walker's wonderful preparations are sold by Walker Beautyicians and Drug Stores everywhere, or you can write The Mme. C. J. Walker Mfg. Company, direct. Address: The Walker Building, Indianapolis, Indiana.
