## VEGETABLE LAXATIVE WITH PROVED FEATURE

The punctual, satisfying relief from constipation and its headaches, biliousness, bad breath, so often experienced by users of this laxative, is mainly due to its combination of purely vegetable ingredients.

BLACK DRAUGHT'S principal ingredient has high medical recognition as an "intestinal tonic-laxative," helps impart tone to lazy bowel muscles.

A little of this spicy, aromatic product by simple directions at bed time generally allows time for a good night's rest; acts gently, thoroughly next morning.

Next time, take time-tested economical BLACK-DRAUGHT.

L. T.—I was born June 5, 1911 and am a constant reader of your column. Will I be able to get a city position and if so what should I study, bookkeeping or filing?

Ans: Both. It is your desire to get office employment, then take a complete business course. It would be ployment, begin a business unwise to start hunting employment. Begin a business the fall of this year you will be qualified to hold down a good job.

M. C.—I am in love with another man and I am a married woman. It is hard for me to get out and be with him and I wonder does he love me? Also tell me if I will take the trip this summer?

Ans: Sister you aren't in love. You are out to seek new thrills in life. It had better come to a stop, for once your husband gets wise to your little scheme, and he will put you out on your ear. No, he isn't going to give his consent for you to make the trip alone.

E. R.—I am coming to you dear Sir with my problems. Why is it I can't handle money like other men, can't own a nice car like other people, and can't enjoy life like other folks? Can you help me?

Ans: Your whole difficulty is that your income isn't as great as some of your associates and you can't stretch it any. Also you are little TOO GENEROUS with what you do have. If you want a nice home, car and little spending money too, you will have to find good paying employment and learn to be more conservative with your money.

M. S.—Do you think that I will be able to pay for my home and to support my little girl too. What must I do about my brothers?

Ans: It is indicated to me

that you will be able to pay for your home in time. But you may be forced to rent out a portion of it in order to meet the notes. Don't worry about your youngster, as you will soon be well and able to care for her again. About your brother, put them out of your home now, if they do not wish to pay their share of expenses. You're not physically able to support anyone other than yourself and child.

G. A. M.—What makes my boy friend so tight with me? Does he really mean to marry me like he said?

Ans: Your friend isn't turning any of his money over to no one. He is going to spend what he makes himself and just as he pleases too. His affection for you isn't "true love". Neither is he making any plans to take you for his wife. There are too many stories circulating about him, some of them are true.

T. L. R.—I have prospects of getting another position and wonder if I should take it if I am fortunate along this line. Could I get my Astrology Reading and Lucky Day Chart now?

Ans: By all means take the job if presented to you. Hold to the place that you have now and in the meantime study and prepare yourself for this other job. You will make a change before the end of this year. Yes, send for your Astrology Reading and Lucky Day Chart now. The price is only 25c.

A. E. W.—I have a boy friend who I have been going with for the past five years and I want to know if it should marry him or not?

Ans: He cares for you, but concentration reveals that you aren't in love with this boy. You do not approve of his ways and the longer you two lived together, the worse a thing like this would get, and you can't change them. Make some new associates before thinking of marriage.

**CAMPUS MUTTERINGS—**

Girls around Central are jealous of Connie Hill. I wonder why.

Bryce Dorris and Joyce Hall are both atwitter over the same boy. I wonder who has his heart.

Around 235, study hall, 8:00 A. M., there is quite a bit of situation going on.

Does B. W. really like H. B. or is her mind wondering? It must be.

Beatrice B.—Who were you dressed up for Sunday? It couldn't be Earl H. could it.

A certain person is playing second fiddle to W. H. We wonder who she is.

Dorothy Poppo, why are you chumping so many boys? Don't play on the wrong string.
