WILLKIE ON VACATION CONFERS ON RACE PROBLEMS

(Continued from page 1)

him. And listening people become supporters. Wendell Willkie brings a new emotional pattern to America. It is the pattern of plain and rugged speech coupled with a "ugged conscience."

NEGRO PROBELMS TO THE FORE

The Colored group in the United States is deeply concerned with the primary problems referred to—unemployment, low farm prices, and the general business stagnation of the country, debt and mounting, confiscatory taxes, and the domestic weariness which has broken the spiritual morale of so many millions of people, including our 12,000,000 Colored group which is struggling against odds that would rush a less confident and determined people.

We refuse to accept economic and racial prejudices as factors to discourage our proper hopes and aspirations as we seek to rise to the full level of American citizenship.

We recognize the fact that, no political party alone can solve our age-old problems. We know we must do our part to overcome the normal difficulties of life, but while so engaged we shall continue to challenge the American Spirit of fair-play in a demand that abhorrent prejudices be removed, and a fair chance be given us to advance in the American way of life.

DEMOCRATIC DISCRIMINATIONS CITED

The Democratic Party, composed mainly of those Southern States which disfranchise us and deny us the primary privileges of our citizenship, seeks continuance of its control of the Government and a strengthening of its power.

We are called upon to meet the menace of such continuance, for the issue is now joined as to whether a party which has been our consistent enemy, oppressing and debasing us, shall have our support in this hour of supreme peril to our country and the liberties of the people.

By oppressive legislation, Jim-crowism, discriminatory practices, and a formula of discouragement, meant and designed to consign us to a place of permanent inferiority in the body politic, the Democratic Party has proved that it does not consider us free men and free women.

Soft phrases and empty promises by that Democratic Party on the eve of a Presidential Election cannot meet our demand that the which bind us be loosed, and the guarantees and plain mandates of the Federal Constitution be no longer flouted and disregarded.

It is folly to believe that the Democratic Party, chiefly responsible for our ills and humiliations seriously contemplates the removal of these shackles. It will not challenge itself to undo the wrongs it has inflicted upon us; it is sheer silliness to believe that it will reverse its general attitude toward us.

ROBBED OF CIVIL LIBERTIES

We are robbed of our civil liberties, intimidated by mobs which go unpunished at the hands of the Democratic State and Federal authorities, and subjected to every species of violence calculated to destroy our freedom and liberty and citizenship.

The past seven years of futile Democratic effort to solve the problems of the country, and to prove to the Negro group its sincerity with respect to the problems and injustices it now so bibly promises in its Platform to solve and abate, prove its incompetence and its unwillingness.

HAWAIIAN BOXING TEAM INSPECT LOUIS TROPHIES

When the Hawaiian Amateur Boxing team which came all the way from the land of grass skirts to battle Chicago's Catholic Youth Organization squad last Wednesday night, visited the Hall of Sports of the American Negro Exposition at the Chicago Coliseum, they immediately rushed to the exhibit of Joe Louis trophies

which included two diamond studded championship belts, the gold medal awarded him in 1939 by Ring Magazine as the Fighter of the Year, and the boxing gloves he wore when he knocked out

James J. Braddock, Jack Sharkey, Max Schmeling, Nathan Mann and Harry Thomas. The Hawaiian boxers, shown inspecting the display and with two members actually trying on the champion's gloves were accompanied by Bishop Sheil who takes an active interest in

port in this hour of supreme peril to our country and the liberties of the people.

The Colored People of the United States have a stake in this 1940 election such as they have never had before. It is not to be doubted that our men and women in the 15 Northern States where their votes are courted and counted will meet the Issue of the Hour by refusing to go along with that Democratic Party which oppresses and humiliates their kinsmen in the South, denies us steady jobs in in-
