## Way To Happy Relief From Lazy Insides

Punctual, satisfying relief from constipation and its headaches, biliousness, bad breath, is the rule when spicy, aromatic, time-tested BLACK-DRAUGHT is used.

That is principally due to the chief ingredient of this purely vegetable medicine, an "intestinal tonic-laxative" with high medical recognition. It helps impart tone

to lazy bowel muscles.

Take BLACK-DRAUGHT at bed time by the directions. See how it generally allows time for sleep; acts gently—but thoroughly the next morning. Remember it next time a laxative is needed! And it's economical, too! 25-40 doses: 25c.

## TO PROVIDE YOUTH WITH EXPERIENCE FOR JOBS

Glady's J. Shamp, State Youth Administrator for the National Youth Administration, has informed the Omaha Guide that the NYA has arranged its 1940-41 program to provide youth with increased opportunities for work experience.

Miss Shamp stated that in area Two, which includes Omaha, at

least 90 percent of the boys employed in NYA are obtaining work experience in various types of mechanical project work. Included in the Omaha program for out of school youth are the following work experiences on a project basis: sheet metal, machine shop, welding, woodworking, radio, black smithing, upholstering, auto mechanics, electricity, truck and tractor operation and repair and plumbing.

According to Miss Shamp, the purpose of the program is to provide youth with an opportunity to form sound desirable work habits and attitudes which will improve their employment assets in private jobs. This type of work experience offered NYA youth employees is to be changed each three months to provide each youth with a varied exploratory shop experience. Among the work habits stressed are: promptness, following orders, and directions, seeing the job through accuracy and speed in work, proper care of tools and equipment, safety and others which constitute good employment assets in any occupation.

Russell Bouyer, Area Supervisor in Area Two office at 716 South 15th Street, Omaha, said today only youth between the ages of 16 and 24 inclusive; who are members of families unable to provide the basic needs of all members of the family including the youth member; unmarried citizens of the United States; unemployed and not in regular attendance at school are eligible for NYA employment.

The Area Two office administers the out of school program for counties.

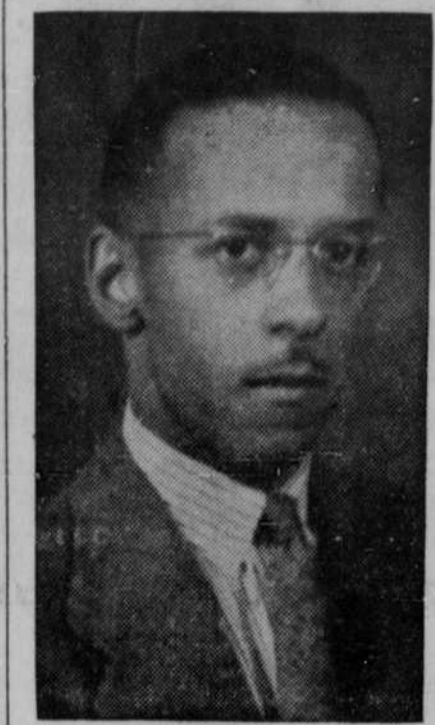

Mr. Bouyer invites members of the community to visit the Boys Work Center at 1515 Cuming St., and the Youth Center at 716 So. 15th St., in Omaha. Working hours for youth at these Centers are from 8:00 A. M. to 3:30 P. M. each week day. Additional daily shifts are being planned for the Boys Work Center so that more youth may be given work experience in the various mechanical units located at the center.
