Kidneys Must
Clean Out Acids

Excess acids, poisons and wastes in your
blood are removed chiefly by your kidneys.
Getting up nights, burning passages, back-
ache, swollen ankles, nervousness, Rheu-
matic Pains, Dizziness, Circles Under Eyes,
and feeling worn out, often are caused by
non-organic and non-systemic kidney and
bladder troubles. Usually in such cases, the
very first dose of Cystex goes right to work,
helping the kidneys flush out excess acids
and wastes. And this cleansing, purifying
kidney action, in just a day or so, may en-
able you to feel younger, stronger and
better than in years. A printed guarantee
wrapped around each package of Cystex in-
sures an immediate refund of the full cost
unless you are completely satisfied. You have
everything to gain and nothing to lose under
this positive money back guarantee so get
Cystex from your druggist today for only 35c.

BROTHERHOOD

(BY DR. CHARLES STELZIE)
Originally, the Church was a
Brotherhood. Including all class-
es and conditions, it became a fac-
tor in the lives of men that caused
them to suffer and to sacrifice es-
timating else has ever done. It
literally turned the world upside
down. It brought in a new stand-
ard of ethics. However it may
have failed because of human lim-
itations, it has done more to usher
in freedom than all other agen-
cies combined.
Real brotherhood cannot exist
without a love as wide as the
world. There can be no brother-
hood without the Fatherhood of
God. The Fatherhood of God im-
plies a care for everyone of his
children, regardless of race, creed
color or economic condition. He
sends his rain upon the just and

upon the unjust. His provision is
for all.
The coming of world Brother-
hood depends less upon high sound-
ing platforms and pronouncements
than it does upon our readiness to
give to our brothers their just ques-
tions even in the smaller affairs of life.
Platforms are built merely to
stand upon. The testing time
comes when we travel along life's
pathways.
When enough of us catch the
"vision-splendid" of real brother-
hood and determine to live it out—
making the sacrifices demanded of
us in shop and office and store
and home and church—then "the
day" will have arrived. There's
a scripture passage to the effect
that "righteousness exalteth a na-
tion." This means justice what-
ever else may be inclined in the
definition. No nation can be
righteous until its citizens are
just.

Who is the chick that Leroy
Thomas is always talking about?
(J. J.) She has made him love-
sick.

Why was Alice Cook so anxious
to ask Phillip Love a certain ques-

Why is Jack H. so interested in

L. C. X.—I am making plans to
locate my little business in another
city and wish to have your opin-
ion on same.

Ans: I feel that it will be a
change for the better. You seem
to have covered the new city care-
fully and find no reason why you
should not open your business, so
give it a trial. Success will be
yours.

M. P. J.—Should I go back to
this boy that lives in Buffalo, N.
Y. or what do you see for me?

Ans: Stay right where you are
and try to make a success of this
new marriage you have just enter-
ed into. Your husband loves you
—you should do everything in
your power to be happy with him
and you can't as long as you sit
and day dream about another man.

M. N. S.—I want to know if the
girl what stays over with me when
my husband's mother was gone,
does my husband go with her or
has he had any dealings with her?

Ans: No—he isn't going with
this girl and he doesn't have any
intention of doing so. You are
worrying foolishly for you don't
have any cause whatever to be
jealous.

G. B.—I have a job selling and
I seem to be doing fine here. I am
anxious to know if I were to go in-
to the towns nearest me each week
would I do any good?

Ans: Yes—provided you make
it clear to those you meet that you
are to return on certain days each
week. You have worked up a nice
little business, and will continue to
do well if you work hard. As soon
as you get a little more money sav-
ed—buy a small cheap car so you
can cover more territory.

E. S. J.—Will I get to be success-
ful in all my undertakings before
my husband comes home?

Ans: Not everything you wish
to do. I cannot see you driving a-
round in the new car that you are
planning to buy—in fact, you are
not going to have the money to
buy a car. I suggest that you act
sensibly and save your extra mon-
ey instead of trying to live sky
high.

L. M.—My husband is in a re-
formatory and he has always been
crutal to me and I wish to know if
it would be alright for me to get a
divorce?

Ans: I think that you have
grounds for a divorce and if you
haven't ever been happy with him
—then now would be the logical
time for you to get a legal separa-
tion. It is suggested that you do
not rush into marriage with the
person you have in mind—take time
to think this matter out before get-
ting married again.

B. B. E.—The young man I am
going with tells me he loves me
and wants to marry me. He says
he wants a baby very much right
now. Tell me what to do?

Ans: Get married right away—
afterwards, you two can talk over
the matter of raising a family. He
is sincere in wanting a child, but
you shouldn't think of such a step
until you two have visited the min-
ister for it would mean trouble for
you both.

E. J.—What would you do if
you were me? I feel that I need
a trip. My husband's sisters are
trying to get the children to hate
me?

Ans: Nothing your sister in-
laws do or say will make your
children dislike their own mother
and there is no cause for worry a-
bout this problem. I don't think
that a trip is advisable under the
present conditions of your home.
Make plans to visit your own peo-
ple this coming summer and take

\$1,600,000 RE CAPS WAGE
FIGHT NEARS CLOSE

CHICAGO, Jan. 28 (ANP) —
The United States district court in
this city has been the scene of one
of the key suits in a series of na-
tionwide civil actions filed against
railroads by the United Transport
Service Employees of America. It
was expected that final arguments

suit of the red caps against eight
railroads by the United Transport

The suit is concerned with the
payment of 18 months' back wag-
es and indemnity to 75 percent of
the nation's red caps' salaries.
In this particular suit which covers
more than 1,000 employes percent
figures filed by railroads before
a federal court show that be-
tween October, 1938 and in early
1940, these employes worked a to-
tal of 3,138,509 hours to earn un-
der the provisions of the Fair
Standards Labor Act, \$840,677, of
which they were actually paid \$65-
08. The difference of \$775,018
is the amount being sued for by
the U. T. S. E. A.

Red Caps are being represented
by Leon M. Depres and M. J. Mey-
ers, Chicago attorneys. Here to
serve in an advisory capacity are
Attys. George E. C. Hayes, Wash-
ington; George Roewer, Boston;
Theodore Berry, Cincinnati and
Fred Mandel, Cleveland.

Each of these attorneys is
handling suits similar to the Chi-
cago case to be brought to trial in
various courts throughout the
country.

Tuskegee, Ala., (C) The strike
here over food came to an end
Sunday night, January 19th, ac-
cording to President F. D. Patter-
son. Classes were normally re-
sumed Monday morning.

But the strike did not end with-
out some penalties. Fifty-five
students were actually suspended
and twenty were put on probation.

It is admitted here that at least
1,400 boys and girls took part in
the rebellion against the food and
service in the dining room which
they termed was too strict. The

BILBO MAY HEAD SENATE
DISTRICT GROUP

Washington, Jan. 29—Because
other senators don't want it and
it is a hot potato sometimes, the
chairmanship of the senate com-
mittee for the District of Columbia
may go to "The Man" Bilbo, sen-
ator from Mississippi, who from
time to time has broken into the
public prints as a proponent of
the "back to Africa" movement
for all American Negroes.

Bilbo, by virtue of his ranking
in seniority in the senate, may
come to the job because others de-
cline it—and some district resi-
dents feel that the passing of this
important post to Mr. Bilbo may
not be the best possible thing for
the district, especially the colored
residents therein, who suffer al-
ready because of the predominant
southern rule now in the saddle.

Zivic, too, had a patch on the back

Laxative with Three
Important Features

Three things most people want a
laxative to do are: act punctually
act thoroughly; act gently.

This one usually fills all three
requirements; brings happy relief
from constipation's headaches, bil-
iousness next morning if taken at
bedtime by the directions.

The way BLACK-DRAUGHT
generally benefits users is mainly
due to its chief ingredient, an "in-
testinal tonic-laxative" which helps
impart tone to lazy bowel muscles
The millions of packages used
prove BLACK-DRAUGHT'S mer-
it. It's a purely vegetable medi-
cine. And economical too! 25 to 40
doses cost only 25c.
