M. D. L.—During the Xmas
holidays I went home to visit my
parents. While there my boy
friend proposed marriage to me.
Now mother doesn't particularly
care for him for no reason at all
but his family likes me. Should
I accept this proposal of marriage
as I am terribly in love with him?
Ans: Love comes first. You
have reached the age of 24 and
you seem to know your own mind.
Your mother will become recon-
ciled to the fact of your marriage
—although she dislikes the idea of
your marrying anyone. She does
not have anything in particular a-
gainst the young man—else she
would try to show you some of
his faults.

the trip back to St. Louis. For
the past few months things have
not been favorable—but as soon as
your daughter gets the job she is
after—things will look differently
and all three of you will be in
good spirits again.

Girls On the Street

If I were you Laura Averett, I
wouldn't talk so much.

The soldiers that are here from
out of town are taking the girls'
attention. Look out Omaha boys.
They are beating your time.

May we congratulate Mr. and
Mrs. Fred Martin, the former Miss
Jackquelyn Luckey. Good luck to
you all.

Billie Caldwell is back from his
vacation. Glad to see you Billie.

Betty Riggs sure looked lone-
some at the Omaha U. the other
night.

Peggy Anderson's heart beat
seemed to be Leonard McDonald.

Bob Floyd seems to be the lady's
man. That's the lick Bob.

Imagine Charles Buckley at the
Omaha U. Saturday night.

Can you imagine Roberta Long-
mire and Doris Southard being at
the U. Saturday night.

Seen: Two girls on 24th and
Burdette's quarreling over a South
Omaha Cat.

I hear that there is going to be
a waffle dinner soon. Hope it
will be a success.

Valentine day will soon be here.
Wonder how many girls will re-
ceive a box of chocolates or some
flowers?

Maggie Johnson, president of
the Sophisticated Chicks has been
ill. We miss you Maggie, and we
hope you will be better.

Benjamin Gray has changed
quite a bit since he has been going
with Elsie Mallory.

Guy Rucker looks as if his mind
is a hundred miles away. Wonder
if Claudia S. could be the reason.

Willard Wright seems to have
taken Alberta Booth seriously.
Wishing you success.

The Commodores, better known
as Mr. Dickson's team are leading
in the girls' basketball league.

I wonder if Perry Harris is going
back to College? Or has he
decided to stay here for awhile.

Who was the cat who was sit-
ting in the show with one young
lady and writing notes to another
chick? Sure nerve.

R. A.—I am employed as a ser-
vant girl and I do not work but
half day. Sometimes the woman
pouts for weeks at a time and I
don't know why. I work about an
hour and a half over each day to
try to make things measure up
right. Tell me what to do as I
am dissatisfied? If I am in the
wrong don't be easy on me?
Ans: There isn't any girl who
could do a whole days work in
only a half day each day in the
week. You may get by with it
occasionally but you must work
longer hours if you get the amount
of work done that she expects
from you. It is my suggestion
that you register at the agencies
and find you another job. Hold
on to this one until you can do
better.

D. G. H.—My husband says he
wants me to take the children and
go home for a few months. Now
he makes \$35 per week and he is
running around until all hours of
the night and has our bills in a de-
plorable condition. Is it wise for
me to go? I do not want to
leave?
Ans: Of course you don't.
Your place is right there with
your husband and he should real-
ize it too. Before you will ever
get on your feet again, he is going
to have to stop his running around
and spending every cent he makes
on the outside. Talk things over
with him right now—your mother
and father do not want you home
with them, as they too realize your
place is with your husband.

C. B. V.—We have planned to
build a house this spring and I
wish to know if we will be success-
ful in our plans?
Ans: It looks as if you two will
be in a position to proceed with
this building this year. Continue
to work—both of you—lay away
every cent that you can because
you must economize in order to
get this home built.

A. R. B.—Please tell me how I
may gain my husband's love so
he will kiss me before leaving
home and etc? Is there any
hopes?
Ans: That's a job that will
take time to accomplish. By your
own love and devotion, and by
keeping yourself looking attract-
ive to all men—it is only natural
that you will appeal to your hus-
band. Some wives forget all a-
bout their personal appearance
and habits once they marry. This
is a mistake. Look your best al-
ways, and when you feel the urge
to be kissed—start kissing—be-
lieve me.
\*\*\*\*\*
A. Y.—My husband and I want
to go back to St. Louis in the
spring as we aren't doing so good
here. Tell me what you think
will be best for us as well as my
daughter?
Ans: I have reason to believe
that all three of you will get work
before spring and will postpone

Double Help for
WOMEN!

What do you do when headache,
nervousness, cramp-like pain, lack
of energy and appetite, or some
other form of periodic, functional
distress begins to make you miser-
able? Why not do as thousands of
women and take CARDUI?
There are two ways to take it.
First: To help relieve periodic pain
and discomfort, start three days be-

fore "your time" and follow direc-
tions. Second: To assist in building
energy, strength, through increased
flow of gastric juice which
helps appetite and digestion, take
it by directions as a tonic. Women
who use it both ways seem to be
CARDUI's most enthusiastic boost-
ers.

"GAS COOKING
is 9% Cheaper with the new
RICHER GAS"

For years Omaha has had the cheapest
manufactured gas rate in America. Gas
costs have been reduced again with the
introduction of RICHER GAS in Omaha.
The new gas will save Omaha users
approximately \$130,000 in 1941. This
means that gas cooking, gas refrigeration,
gas home heating, and gas water
heating is now 9% cheaper than ever
before.

WHAT IS TALK
WORTH?

(by Charles Stelzle)
Some men are paid a dollar a
minute for their speeches because
they've taken time to think them
through, but there are lots of oth-
ers who can't make a cent a day
that way, because they spend their
time hollering for "free speech."
It has often been said that talk
is cheap; but it is altogether a
question as to who does the talk-
ing. As a matter of fact, what a
man means more than what he
says, for it is a man's character
which determines the value of his
speech. This implies that the
value of men's word vary.
In this respect men are divided
into three classes. Men of the
first class have their words taken

at par. They mean precisely what
they say. Of this type of man it
has been said: "His word is as
good as his bond." Men of the
second class have their words taken
at a premium. Such men are usu-
ally slow to speak. Their words
are few. But when they promise
one rests assured that ordinarily
they will do more than has been
asked. The words of the men of
the third class are always discount-
ed.
And so, it often happens that ex-
actly the same words, spoken by
different men, mean a very differ-
ent thing. It's because the men
are different. Therefore, we place
a different value upon what they
say—at par, below par, above par
—that's our estimate of the same
words spoken by three different
men.
It is rather curious that while
most of us flatter ourselves that
we cannot be fooled by the other
fellow, few of us seem to realize
that we cannot fool others. It
does not take men very long to
form a proper estimate of our real
value. Everybody soon knows
whether our words are to be plac-
ed at par, at a premium or at a
discount. Therefore, let's quit
trying to fool one another. It does
not pay. It is a waste of time and
energy.

What are your words worth —
how much do they weigh?
