Kidneys Must
Clean Out Acids

Excess acids, poisons and wastes in your
blood are removed chiefly by your kidneys.
Getting up Nights, Burning Passages, Back-
ache, Swollen Ankles, Nervousness, Rheu-
matic Pains, Dizziness, Circles Under Eyes,
and feeling worn out, often are caused by
non-organic and non-systemic kidney and
bladder troubles. Usually in such cases, the
very first dose of Cystex goes right to work
helping the kidneys flush out excess acids
and wastes. And this cleansing, purifying
kidney action, in just a day or so, may eas-
ily make you feel younger, stronger and
better than in years. A printed guarantee
wrapped around each package of Cystex in-
sures an immediate refund of the full cost
unless you are completely satisfied. You have
everything to gain and nothing to lose under
this positive money back guarantee so get

B. L. H.—Tell me if I should keep this job that I have or try to get the other job I have in mind? I am terribly dissatisfied here in this town and would like to know what would be best for me to do?

Ans: Hold to your present job for the time being. In the mean-
time, write this friend of yours in Ohio and see if you can't get something up there. It is my sin-
cere belief that you are going to make a change this year—which
will prove for the best.

F. S. L.—Tell me what is wrong
with my husband? We can't get
along no way I try to do and he
treats me mean and I don't want
him no more. I have a friend say
he will get my divorce and marry
me and will give me the treatment
of a nice wife. I love this man
should I take him or not?

Ans: If it were just you alone
to be considered it would be dif-
ferent. This man admires you—
but it wouldn't take him but a few
weeks to get fed up with you and
all your children. Stop running
around with fellows—live true to
your husband—things will be a
whole lot nicer in the home.

J. M. F.—What is wrong with
my husband he won't ever give me
any money but fifty cents or a
dollar at a time? He runs a wood
yard and has more than that.

Ans: Stinky. There isn't any-
thing at all you can do about this
trait either. Although it seems to
me that if you were to try to over-
look it and show your apprecia-
tion for what he does give you—he
might do better as years go on.
Fussing with him is just like argu-
ing with a sign post.

E. P.—Please tell me if I am go-
ing to have success taking the
course in beauty culture?

Ans: I recommend this course
of study for you. A beauty shop
is needed in your small town and
I urge you to go right to work on
this course and prepare yourself
to open a shop of your own this
year.

T. T.—Advise me what to do?
I am fixing to quit my boy friend.
He has asked me not to quit him
but I don't know what to do.

Ans: You apparently have no
affection for him and I see no
reason why you shouldn't give him
up to look for someone else. He
cares for you—but if you can't re-
turn his love, you would be doing
the right thing to let him know it
now before he became too fond of
you.

L. V. D.—Will I make the trip
that I have planned and if so will
I get to go by my home town?

Ans: The trip is going to be
postponed permanently. It is very
likely that sometime during the
summer months you will make a
trip to this place but your present
plans will not work out as you
want them at this time.

MARIAN ANDERSON
(by Myrtle M. Goodlow)
Not long ago, Marian Anderson
At the shrine of Abraham
Lincoln

Lifted her voice in song
"My Country 'Tis of Thee—
Sweet Land of Liberty
Her heart and soul in every note
And every note a prayer of hope
That God in His own appointed
time,

Would right each wrong
And America would someday be
The Land of Liberty
To all alike beneath her stars and
stripes.

We all recall how the DAR.

Refused to let her sin in "Con-
stitution hall"
And the righteous truth confronts
them

Is Marian Anderson the Real Am-
erican?

With such unpatric acts as these
God is displeased
And the spirit of Abraham Lin-
coln is grieved.

Within millions of hearts there is
felt

Dep gratitude to Mrs. Franklin D.
Roosevelt
The first lady of the land,
Who refused to take a hand
In this unpatriotic act of the
DAR.

Through the voice of Marian An-
derson
The will of God shall be done,
And she is content
To be His instrument,
For Marian Anderson's name will
be a blazing star,
When we have long forgotten the
DAR.

MUSIC AND—
MUSICIANS

(by Booker T. Washington)

There are a group of people who
are called "The Classics". They
will not accept any music that has
not been composed by composers
who did not live in the early part
of the 19th century or before.
No modern composers' music will
be tolerated by this group who be-
lieve that the composers who now
compose music are composing pure

truths of the gospel of Jesus."
11 o'clock message by pastor,
subject "God's Method of Divine
Healing," taken from Matt. 10-1.
This was a glorious message teach-
ing us that Jesus is our Healer,
and that every Christian has the
Blessed opportunity of looking to
Him by faith, belief, for their heal-
ing. Jesus is one who has power
to heal all diseases.

Present with us in 11 o'clock
worship was Rev. Eddie Manley
from Christ Temple.

6 o'clock YPM. well attended.

8 o'clock, the pastor taught us
from Rev. 3-20 teaching us after
we have accepted Christ, we must
overcome many things in this life.
If we expect to reign with Him
in eternity. You are always wel-
come.
