RAMBLERS WIN—

The Ramblers defeated the Tigers 53-51 in the first game of the three game playoffs for the Urban Hi-League Championship. The next game will be played Tuesday night March 25. (Willie Wise had 25 counters for the losers. Sonny Triggs counted 16 for the winners. The defensive work of Jr. Gray and Bus McCants was outstanding for the Ramblers. The game was a rough one. At the end of the game the Ramblers had 3 men, 5 fouling out.)

VERNON BROWN, who was injured in football practice last fall. Vernie, who played with the Rockets, was honored by being selected as "The Bravest Fellow" in the Urban Senior League by popular vote in the Annual All-Star balloting this season. He received a certificate of merit for his bravery. Monday night at the Dream land there will be a benefit dance held for him.

VERNIE—"Not to the swift is the race—not to the strong, the battle; but to those who endure to the end." Eccl. 9:11. You will endure to the end and win your battle. You have the good wishes of everyone. You can do it.

and the Ramblers. These two teams will engage in a play off within the next three weeks.

The Ramblers are defending champs. They beat the Aces last year in a play-off tourney. The Ramblers have the best evenly divided team if they would play together in a unit. Five of their players made the Urban Hi-All Star team. Maybe that is the mater—too many stars. Whenever they do decide to play together as a unit they have one of the smoothest running machines ever to play on the Urban court. But this is not often enough. Their lineup includes Richard Gray, one of the league's best backboard artists, Bobby Fry, a small, clever and sly forward, Sonny Triggs, who plays best when the chips are down, Lloyd Gray, a quiet and unassuming guard, Bus McCants, a tall, lanky player, Joe Fagin, a rough and ready sub, Don Stanley a fast improving little front liner and Maurice Hudspeth, first year man from the Grade League.

The Tigers have the most experienced team in the league. Brown and Britt have been playing together for several seasons. Their array of talent includes Willie Wise, league high scorer, Frank Brown, a left handed streak of lightning, Sid Britt, a smooth front liner, Clarence Smith, a tall guard and Hardy Meeks, a cool, and calm guard. Joe Crossley, who quit the team during the season when they were six games ahead, might return to play with them during the playoffs. The Tigers might miss the heady play of Bobby Popp, who is in a CCC camp.

HOW TO DETECT COUNTERFEIT COINS

1. KNOW YOUR MONEY!
2. RING all coins on a hard surface. Genuine coins sound clear and bell-like. Counterfeits sound dull.
3. FEEL all coins. Most counterfeit coins feel greasy.
4. COMPARE the reeding (the corrugated outer edge) of a suspected coin with one known to be genuine. The ridges on genuine coins are distinct and evenly spaced. On counterfeit coins they are poorly spaced and irregular.

HOW TO CASH GOVERNMENT CHECKS

1. KNOW YOUR ENDORSERS!
2. DEMAND definite identification of the payee.
3. COMPARE endorsement on check with signature on identification.
4. WPA workers carry cards with identification number, signature and physical description. If you cash WPA checks, compare these three things and make sure the description fits that of the person presenting the check.
5. BE CAUTIOUS about cashing a check on which the payee's address is far removed from your place of business.
6. REMEMBER—You may lose the amount of any Government check which has not been endorsed by the rightful payee.
7. MAKE A CHECK BEFORE YOU TAKE A CHECK!!

The 5C's won from the Falcons 1-0 in a broomball game at the Ak SarBen Coliseum Saturday night. The game was played on the ice with brooms and a volley ball. The crowd hollered and cried for more after the 5 C's made their goal. They continued to play on until they finally were exhausted. There were falls galore.

The verbal war between Squire Max Clayton and Tommy O'Loughlin still yet continues. O'Loughlin, manager of Paul Hartnek, says he has received no offer from Squires Max to fight Lem Franklin who only a few weeks ago beat Carl Vinciguerra in 92 seconds. Max says he has offered Tommy 25 per cent of the gate, but that he wants a \$2,000 guarantee. O'Loughlin denies that he received any such offer. Paul whipped Lem in the Golden Gloves, but as Clayton puts it "Pugs change faster than styles in women's hats."

SPOKANE GIVES IKES A REBUFF IN POWER VOTE

Public Ownership Is Defeated 3-2 Washington, D. C., March 12 — Word from Spokane Wash that a proposed 6 1-2 million dollar municipal power venture had been overthrown by the electorate was considered in the capital tonight as further evidence of a growing insurrection against federal power dictation in the northwest.

The results of the Spokane referendum were interpreted as a particularly strong blow against Secretary of the Interior Harold L. Ickes and other bureaucrats within the administration who covet a dictatorship over electric power

ularly significant because, according to reliable information, the Ickes forces had planted a staff of agitators there to help influence the election toward municipal ownership. The idea was that Spokane would take its power from Grand Coulee dam, only 90 miles away, if municipal ownership were voted. This dam and the Bonneville project, two of the largest dams in the world, are now under Ickes' control.
