L. B. H.—Look into my pitiful condition and lend me a helping hand if you please. Last night I saw him with another woman and you know how I felt about him walking with her right before me. Tell me what to do about it?

Ans: Play the same game that he is playing—get you a friend and show off in front of him. This man does have other friends, and I feel that you would be making a mistake to concentrate on him altogether. Someone else will come into your life who will mean more to you later on.

L. T. G.—I want to know if my husband is going with this so-called girl he has in his car all of the time? I hope he gets drafted soon.

Ans: Well there isn't any reason for him to be hauling her around if he wasn't interested in her—I think that it is time for you to put a stop to this business. Let him know that you won't stand any more of it. Your husband will probably be classified very soon in regards to the draft.

S. C. M.—We have been wanting to move for the past few months and wonder if it would be alright to do so?

Ans: A change is recommended since you are so dissatisfied. Stay there in the city, but look around for a desirable place to live where you will have more privacy.

C. M.—I am in the middle of a bad f.x. I am and have been taking a course of legal training thru the mail. I am delinquent in my payments and am financially un-

Kidneys Must Clean Out Acids

Excess acids, poisons and wastes in your blood are removed chiefly by your kidneys. Getting up Nighs, Burning Passages, Back-ache, Swollen Ankles, Nervousness, Rheumatic Pains, Dizziness, Circles Under Eyes, and feeling worn out, often are caused by non-organic and non-systemic Kidney and Bladder troubles. Usually in such cases, the very first dose of Cystex goes right to work helping the Kidneys flush out excess acids and wastes. And this cleansing, purifying Kidney action, in just a day or so, may easily make you feel younger, stronger and better than in years. A printed guarantee wrapped around each package of Cystex insures an immediate refund of the full cost unless you are completely satisfied. You have everything to gain and nothing to lose under this positive money back guarantee so get Cystex from your druggist today for only 95c.

able to meet this demand. The company is threatening to sue me. Tell me what to do?

Ans: They can't get blood out of a turnip—let them wait. I suggest that you write the company a nice letter explaining to them that you intend to take up your payments just as soon as you can get work. Get out and hunt a job—this matter should be handled satisfactorily and I don't think they will enter suit if you make arrangements to take up these payments in a few months time.

C. B.—Would it be advisable for me to marry this boy I have now? Hope you give me some advice soon?

Ans: The first thing you must do is get your DIVORCE from your former husband. The man you are going with admires you—seems to me that he is very sincere in wanting you to become his mate.

H. B. N.—What would be the proper thing to do about the accident that I was in recently. Someone told me that I should get me a lawyer right away.

Ans: The company operating the bus you were injured on knows about the accident and they are waiting for you to contact them. Go to their office immediately and file your complaint. I don't advise your seeing a lawyer unless necessary—if you did—you would have to give him a good portion of what you collected for his fee.

L. S.—Would it turn out alright if I married my girl friend's husband as I now have in mind? I feel worried about it and do not know what to do as I have no parents to tell me.

Ans: As long as your girl friend lived she was very fond of you and I am sure that she would approve of your taking her baby and marrying her husband. He is in love with you now and I see no reason why you shouldn't marry him at an early date.
