WHY AN URBAN LEAGUE FINANCIAL DRIVE?

BECAUSE.....

1. The Urban League is faced with the possibility of closing its doors. The Northwestern Bell Telephone Co. officials have given us the use of this building for nine years without any cost and have paid the taxes and insurance on the structure; but business expansion has caused them to put an end to their generosity. They need the building and have requested that we buy it and pay one thousand dollars (\$1,000) down by June 1, 1941 or MOVE.

2. The community cannot afford to lose a service that means so much to the youth of this city as well as to adults. Nearly 2,000 boys and girls felt the influence of the Urban League last year and about 600 adults were interested in its community center activities, not to mention the 1,500 persons who have filed application for employment here.

3. The youth of the community cannot be neglected. Each year the number of youth coming out of school is increased and, with it, more problems of health, recreation, unemployment, and delinquency which the Urban League has met with well-planned, supervised activities. The loss of our community center would throw us back nearly 15 years when the juvenile delinquency was nearly 4 times our present rate and we had no community center.

4. There is only one way to meet this crisis which faces the Negro youth of this city and that is for you and everyone in this community who can to give your share toward the \$1,000 necessary to save this work.

5. We must continue to:
- (a) Decrease juvenile crime through our work with boys and girls in character building activities.
 - (b) Provide health, educational, and recreational programs to youth and adults.
 - (c) Care for the neglected and underprivileged children who need our agency's adjustment services.
 - (d) Make employment opportunities available for Negro youth and adults and protect the jobs they now hold.
 - (e) To build for better citizenship, better neighborhoods, and a more coordinated community.

THINGS YOUR DOLLARS\$ WILL DO

- 1. Your \$dollars\$ will continue the proper supervision for basketball teams for our youth.
- 2. Your \$dollars\$ will provide a meeting place, chairs, lights, and necessary accessories for adult community center activities.
- 3. Your \$dollars\$ will permit us to keep the ping-pong tables, basketball games, dramatics, club meetings, Girl Scouts and other activities going that have proven so valuable to our children.
- 4. Your \$dollars\$ will keep open our auditorium which has proven to be a center of the community activities.
- 5. Your \$dollars\$ will continue to keep these facilities for the public's use available.
- 6. Your \$dollars\$ will keep the faith and confidence that Omaha's youth have now in their adult citizens.
