

# Commander Peebles Protests Foster May's Racial Broadcast Over Radio

LETTER TO EDITOR OF WORLD-HERALD

June 12, 1941  
Mr. George Grimes,  
Managing Editor World Herald

Mr. Dear Mr. Grimes:  
I am addressing this to you personally because I am greatly appreciative of your attitude to the group I represent, and Roosevelt Post American Legion.

Always reflecting the tolerant friendly and sympathetic spirit of the late Herby Newland, you have brought courage and hope to all the colored people of Omaha, and the State of Nebraska. For all of this we are duly grateful.

In last night's news broadcast Foster May went far out of his way by constant repetition to focus attention to an unfortunate situation wherein a Negro was involved.

During critical times like these wherein the safety of our country is vitally involved, when the nerves of the whole people is tense and uncertain, and the colored people stand still as always loyally and usefully behind our government, Roosevelt Post No. 30 American Legion protests to you strenuously against this act of sedition which could very easily cause serious trouble to an imminent and loyal group in your midst.

Roosevelt Post urgently requests that you call this matter to the project officials that a repetition of a like instance shall not occur again.

Thanking you personally for past favors,  
I am respectfully yours,  
Dr. W. W. Peebles,  
Commander Roosevelt Post No. 30, American Legion.  
This by order of the Post.

## WAITERS' COLUMN

(by H. W. SMITH)

We are quite sure all of the waiters of our group are doing their part in helping the defense by giving good, quick and prompt service—being on time to work and keeping themselves properly groomed and being polite and pleasant. Keep the good work up boys, as you are making it good for the rookies.

Mr. Richardson of the Field club has added another very fast stepper to his crew. Mr. Harry Frazier, one of the best experienced men in the business, and a very fine gentleman.

We were informed that Mr. Devoreaux is with one of the Railroad companies, and we are quite sure he will always be at the top in giving the very best service.

Mr. Corbett of the Paxton continues to have his crew tops in service and pleasing the high class trade. Keep the good work up boys as you are well thought of by the trade you serve.

Mr. Edgar Lee of the Omaha Athletic Club and his crew are always going places and doing things in very good service as Mr. Lee is a good, deep thinker and doesn't talk much.

The Fontenelle Hotel Waiters have a very wide experience as they have worked in high class hotels from coast to coast.

Mr. Frank Blackburn of the Omaha Club has proved that keeping a crew is a great advantage as members always like to see the some faces.

Mr. Simon Harrold and Mr. Jack White of the Happy Hollow Club, are in the Class A in arranging large club parties as their experience in the work is a very good help to them and the boys should give them very good support as very good service will always keep the colored waiters out in front.

## FORMER OMAHAN PASSES

Walter Jones, died June 10th in Cincinnati, Ohio, following an eight days illness from a major operation. He was borned in Chickasha, Oklahoma in 1902 and came to Council Bluffs, Iowa at the age of 13 years to live with his two sisters Mrs. W. A. Harris and Mrs. R. C. Price. His first job was with the Rock Island railroad as Call Boy. He was the first and only colored boy to hold this job. A few years later, his mother Mrs. Florence Jones came to Council Bluffs and with her 3 sons, Walter, Jimmie and Clarence they moved to Omaha, Nebraska. In Omaha Walter entered school and completed his education. As a young man in Omaha, he worked at the old Merchants Hotel. He was devoted to his mother and in 1920, he made the first down payment of \$300.00 on a home for her, and has since contributed to her support along with his sisters and brother. He helped to educate his brother Jimmie. He was a member of the Royal Dukes Club and very popular with the social set. In 1927 he moved to Cincinnati, Ohio to make his home. There he entered the business world and with a friend they opened the first bathing beach for Negroes which was very successful until the Ohio flood when they lost everything. He was also employed with Cincinnati's Country Club. He was one of Cincinnati's most prominent young men. He was a member of Zion Baptist Church of Cincinnati. He was also a member of the City's most popular men's clubs. (The Mosa business men's club also the cred-mada). A member of the Acmy union of the Lauree Homes. He had just received his appointment as a mail carrier which was to become effective on June 2nd the day after his operation. He was moderately wealthy. His body was accompanied by his wife Mrs. Juanita Jones and his brother Jimmie arrived in Omaha June 13th for interment.

He leaves a wife Mrs. Juanita Jones, Mother, Mrs. Florence Jones, Three sisters, Mrs. W. A. Harris of Council Bluffs, Mrs. Della Henderson and Mrs. R. C. Price, and Two brothers, Clarence Jones of Texas, and Jimmie Jones of N. York City.

Country Club in his quiet way and with his good crew are on the job giving clean cut service and very good attention, and Mr. Lambert has very good knowledge of all the new mixed drinks and gives a pleasant smile with every highball or Tom Collins.

Mr. Watson of the Highland in his fast way of getting around from locker room, kitchen, dining room, terrace and answering the telephone cannot be excelled. Success to you, Mr. Watson, as you are also a good golf player.

Mr. John Evans of the Rome Hotel got his service training in the east, and carries a full knowledge of good service with him at all times.

Mr. James Bell, the well known caterer and restaurant man, had a very bad accident the latter part of May and we hope to see him out soon.

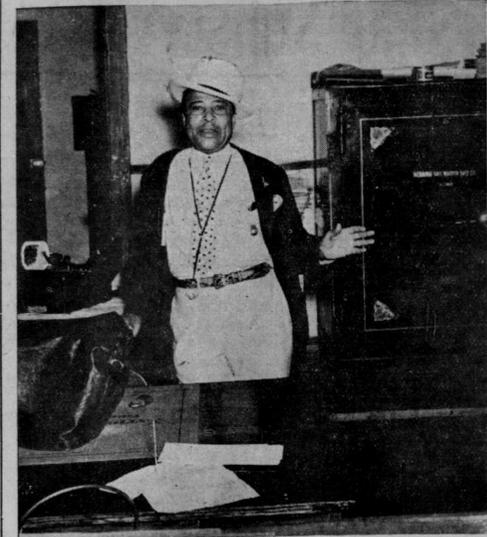

The Cottonwood Room at the Blackstone is going over big and the boys are on the job with the very finest of service and Mr. A-vant is tops on room service as we all know that many years of experience will prove just how good a man is. Keep the good work up boys, as making good on one job sometimes develops into a better one.

## VALEDICTORIAN AT LINCOLN U. (MO.)

MISS RUTH CORNELIUS, St. Louis, Mo., was second ranking member of the 1941 graduating class at Lincoln University's 75th Anniversary commencement exercises. A major in English, Miss Cornelius graduated cum laude.

MRS. JESUITA CAROLY HUGHES, Oakland, California, received the bachelor of arts degree magna cum laude as the highest ranking member of the 1941 graduating class at Lincoln University, Jefferson City, Mo., on the occasion of the school's 75th Anniversary commencement program.

St. Louis, Missouri, June 19 — For the third consecutive summer Negro employees of the Godefrey Manufacturing Company at St. Louis, Missouri, manufacturers of Larieue hair-coloring, enjoy with white employees a simultaneously summer vacation period, Charles W. Godefrey, president, has announced.

This year's vacation period is from July 4th until July 19th with employees selecting those dates by popular vote. The vacations are granted on a full salary basis. Success of the Godefrey experiment in simultaneous vacations for all employees during the summers of 1939 and 1940 has been such that Mr. Godefrey expects the practice to be observed in the future.

The sensational flight of Rudolf Hess, personal deputy to Adolph Hitler and No. 3 leader of the German Reich, has been the outstanding development in the war thus far England has gained a phenomenal psychological victory while Germany's repercussions have been a large number of arrests of Hess' associates. The 850 mile flight, outlined with only a blue pencil and landing within a mile of his destination, is proof of Hess' remarkable ability as a pilot.
