Akureyri, Iceland—Official U. S. Navy photo—The United States Navy released this view of the harbor at Akureyri, Iceland, with the comment that the picture was taken from a naval patrol plane a

few days" preceding the U. S. occupation. This port is Iceland's second largest city.

OLDEST GAME WARDEN IN COUNTRY

Berne, Ind.—Spl. CFI photo to The Omaha Guide by Simon M. Schwartz—Captain Rodney Fleming, who lives near Fort Wayne, recently rounded out 42 years as an Indiana game warden. Mm. McKinley was president when Fleming started his job and James A. Mount was governor of Indiana. Fleming has been slugged and shot at many times during these 42 years, but he enjoys his work and is still at it. A careful survey has shown that he is the oldest game warden, in service, in the country.

KNOXVILLE GIRLS O. K. 'YOO-HOOS'

Knoxville, Tenn.—Comment on the disciplining of men of the 106th (Yoo-Hoo) battalion by Lt. Gen. Ben Lear has come from many quarters, pro and con. Here are four Knoxville sub-debs who say they definitely see nothing wrong with soldier's Yoo-Hooing at girl golfers in shorts. They are left to right: Mary Towns

Bruner; Nancy Hoofman; Lloyd Keener; and Betty Ashe. The tempest started when the troops Yoo-Hooed at girl golfers in shorts at Memphis, not knowing that Lt. Gen. Lear was among the golfers. The General was heckled himself when he remonstrated and the result was that the men had to hike 15 miles. The General was golfing in civi's.

A NEW WARDEN COMES TO SING SING

Ossining, N. Y.—Robert J. Kirby, 51 year old successor to Lewis E. Lawes as warden of Sing Sing prison looks through the bars of the Administration Building. Kirby has been the principal keeper of the State Prison at Attica, N. Y., for 10 years. He formally assumed his new job July 16.

Akron, Ohio—Spl. CFI photo to Omaha Guide by George A. Kikendall—Photo shows Bryon A. Bankes of Akron who is almost a counterpart of Rudolph Hess, a fact that has caused many in these parts to believe that the "Hess" who parachuted into England may have been a clever facsimile of the real Hess. Bankes, too, is a good actor. He has taken part in many of the plays at Kent State University. He has been vice-president of the Cuyahoga Falls Players, a little theatre organization. He is also an ordained minister and has preached in the Church of Christ at Hudson, Ohio, for the past eight years. He is vice president of the Bankes Institute of Commerce in Akron and teaches speech and salesmanship there.

WOMEN OF RUSSIA DO THEIR BIT  
USSR—Radio photo—A woman motorcyclist of the Moscow Air Raid Precautions Organization is shown receiving her assignment at Air Raid Precautions headquarters. Soviet women are even engaged fighting with the men in the front lines, the Russians say. Passed by the Russian censor.

## GIRLS ON THE STREETS....

Well my good friends, this is your week to week G. O. T. S. comin' on like a light, and blown up highern' a kite in a mellow sort o'way... So lend me your listerners and dash aboard so we can scan the column and see what the tongue twisters jive is these awful, awful days. Days when it seems as though life has played its last tune and vowed never to play again... days when it seems as though your Lochinvar has left you to bear the burdens of life alone and dared you to venture to struggle on without him, her, he, she or whoever he may be.

**PETER LORRIE**  
Just when are you going to let the public know who you really like... Somebody's getting fed up. They tell me iron wears out.

Now the lick of the week was las' Sunday night when the regular Tuesday nighters came on with a fine party... where? Well, it was at the Weiner Shop, and there the G. O. T. S. had the rare but opportune pleasure of meeting the Brooklyn Giants.

**LOOKS LIKE**  
Roena Jones is patriotic; giving less for plain clothesmen, she is now giving one of Uncle Sam's men a break.

**FOR MEN ONLY**  
Be on the lookout for this person. She recently returned from Houston, Texas after visiting

**DO YOU KNOW WHY HE CALLS HIMSELF KILLER MCOY?**  
(1) He kilt so many living things and even kilt the sea... and that's why they calls it the dead sea.

## Uncle Sam is Using the Telephone a Lot Now

The unprecedented speed-up of defense activities and general business have placed heavy demands on the telephone, particularly in the larger cities and over the principal long distance lines. National defense demands for telephone service are being met promptly and fully but doing this and, at the same time, minimizing the restrictive effect of defense needs upon the service generally, is a tremendous job. NORTHWESTERN BELL TELEPHONE COMPANY

her kinsmen, and claims that she had a heck of a good time down there. For any of you who are interested, a brief description is necessary. Her hair is coal black... complexion, teasin' brown, height... short stop... summ'n' it all up, she is nice looking; and she is none other than Helen Bradshaw.

**IT'S SO BAD BUT TOUCHING**  
Why Phillip Love, a fairly good looking chip looks so blue these days... The question that lies before us... we are wondering if a woman is involved?

**AND NOW WE "QUOTE"**  
"I borrowed somebody's yaller Poniac and got yaller wommin' to match it; although any types all right... just so."

That glamorous, cool, calm and collective Mary Harris is back on the scene, after being in camp for several weeks. Mabece the bad D. G. will be more considerate she's pined for her while she was away and received only a letter from her.

**ARE YOU ELIGIBLE—TO SOLVE THIS MYSTERY?**  
Who was the 2 couples that cared less for the carnival last week and toured to Jeff's, ordered a slag of barbecue, pop, etc... then made headway for Elmwood Park, in order to enjoy the meat; or was it really the meat they wanted to enjoy. Could have been a gag for the ole' moon really was a shing.

**THE COPS ARE ON THE BEAT**  
To pick up the members, preachers and deacons that often held a prayer meeting every night on the side of Hollywood. Better watch it boys, you came mighty close to getting lamed the other night.

**DRAGGING THE CARNIVAL**  
Let's go to the carnival on the old circus grounds and see what the folks are doing... Harry Best, spent the "last night" with a boy friend of his... they were just walking around... Doris Pittman was with Wilbert Williams one night and Jesse King was with him the next night, whatta man. he must have spent "around" ten dollars. Roosevelt Laten was seen with a big mob of girls... Lesse Murrell was with the important "jig" Bernard Maroney... Guy Rucker seemed to be having quite a time with Millie Green... Katie Beesley was riding around on the most daring rides with John Booth... Ross Fontaine was with Charlotte Ellis... Kenneth Maroney seem to "care less" for girls he was all byhimself... Olive Wil-

is rode everything there was to ride... Delmar Russell was also seen with his twenty young girls. It is rumored that—that carnival was really on.

**HERE'S A FLASH!**  
Young studs, have you seen the new girl who is treading the path with Thomas Willis. Altho she hasn't met many "hep cats" yet, her name is Myra Lee Lafall, from Dallas, Texas many of you can recognize her as "Miss America" of Lincoln High School, because her picture was in the Pittsburgh Courier a short time ago... Myra has planned to spend the summer in Omaha—Come on Cats, let's help little Thomas show her just how fine our city really is.

**WHO BLEW OUT THE FLAME?**  
It looks like one of our most popular lads (Jack Williams) is slipping... we seen him with his old forgotten "flame" (Altha Robinson)... just wondering if that "flame" yet have a sparkle... or did the Lenore, blow the flame out... If you ask us... there is still a "flicker".

**VIOLA LITTLEJOHN**  
have found herself another love "High temper" J. M. It seems as though she is trying to forget "James Cagney".

**THE KNOWLEDGE TEACHER**  
Althea Lightning is back... she is another one of our finer girls who is progressing rapidly. Just wondering if she really is the first fiddle in G. H. Band as L. P. has boasted before she came back... As far as we can see; she isn't even playing the third fiddle. And L. P. has quit boasting...

**STROLLERS**  
We imagine the three couples were out for a good time Monday night... they were at Elmwood Park... eating, drinking and strolling along... They were R. L.—B. R.—H. B.—boys; F. G.—W. P. and A. M. all riding F. G.'s car...

**CORRINE SEAY**  
strongly recommend Estelle Littlejohn to read this; Quote: she says "I'm shore glad that one boy ain't got it all"... As we know, unquote... Good things come to those who wait.

**ARMISTICE SIGNED IN SYRIA**  
Britain's five weeks military campaign in Syria is over. The terms of the armistice are military secrets and cannot be divulged, but it is believed the carrying out of the terms will be administered by "Free French" forces. The fall of (1) Beirut, capital of Lebanon, was accomplished by the following military moves: (2) Damascus was proceeding from (2) Damascus. "Free French" forces were operating at Quarlatene, where they concentrated with British forces at Homs from (3) Tadmur. An Indian contingent was attacking westward from Demir Kapu (5).

**FOR THE FIRST TIME—IN A LONG TIME—**  
We spotted Olive Whitney and Jeannette McGee at the Carnival... They were with their lovers, all looking very fine.

Calvin Frazier and Joseph Lamberth will leave Sunday for Los Angeles... Enroute, they will stop at Nevada and Phoenix... Left to mourn is their heart beats in this small town.

**FADS AND FASHIONS**  
Willie Kate Harris really does look exotic in her beige jacket and dark brown slacks... Emmett James takes the view in his fine, draped blue suit... Helen Bradshaw looked very well in her navy and red slacks suit... Harold Boggs and Willard look fine in their white sharkskin shirts... Fred Fathering tops the score in his sport suit... "Brother can you spare a dime", this is what Marcus Douglas asks everyone since he has been wearing his new blue slacks suit... And last but not least... It is strongly recommended that in fashions; all shape less girls should wear boomstick skirts. This is your, Week to week, Girls On The Streets.
