DOING OUR PART

Recently there was a campaign to collect old aluminum and give it to the government for use in national defense. Many good citizens responded to this call and thousands of pounds of aluminum were gathered throughout the nation.

There are other things that may be done. Some cities and towns are organizing strong civilian defense organizations. Groups of citizens are organized into voluntary training groups. These groups will learn the best ways of fighting fires, disease and the administration of first aid. Housewives are learning to save food, and other valuable items for defense.

Thousands of men and women wonder why backache bothers them—why they have to visit the bathroom often at night—why flow is scanty and sometimes smart and burns. Any one of these symptoms may mean that your kidneys and bladder need attention now before these minor symptoms may develop into serious trouble.

To flush out excess waste poisons and acid from kidneys, soothe your

Let us respond readily and willingly because when we learn about these things, we shall be better able to protect our own lives, the lives of our families and neighbors as well as the life of our nation.

A Prominent Business Woman Praises Mme. C. J. Walker's Preparations

"I use Mme. C. J. Walker's preparations exclusively because I get results from them that I am unable to get from any other preparation," stated a well known business woman the other day. The secret of the remarkable success of Mme. C. J. Walker's preparations is in the fact that they were blended by the late Madame C. J. Walker to reach certain definite conditions of the hair, skin and scalp, and today, after over thirty-five years on the market, they are growing increasingly popular, and notwithstanding the fact that the Company has always refused to reduce the price on these goods, they are still in demand everywhere.

Mme. C. J. Walker's Gossine, although more than thirty-five years on the market, is still the leader in its field. The reason for this is because it not only serves as a scalp oil, but it gives the hair that silky sheen and natural gloss that is the delight of every woman. Mme. C. J. Walker's Brown Face Powder is not just another Face Powder, but is the result of years of experimenting to produce the perfect blend to impart a velvetlike softness and at the same time cooling and refreshing. Just the thing for these hot days. The Mme. C. J. Walker's wonderful preparations are sold by Walker Beauticians and Drug Stores everywhere, or you can write The Mme. C. J. Walker Mfg. Company, direct address: The Walker Building, Indianapolis, Indiana.
