NEW! "BACTERIOSTATIC" FEMININE HYGIENE

now finding great favor among women...

Many doctors recommend regular use of douches as a precautionary measure for women who want to be clean, dainty—for women troubled by offending odor or discharge. Some products may be harmful to delicate tissues. But not Lydia E. Pinkham's Sanative Wash! Pinkham's Sanative Wash is gaining great favor because it's NOT a harmful germicide. Instead—it's a mighty effective "bacteriostatic" (the modern trend). It not only discourages bacterial growth and infection but thoroughly cleanses, deodorizes. Very soothing—relieves minor irritations and discharges and has a tonic effect on delicate membranes. Inexpensive! All druggists.

A Prominent Business Woman Praises Mme. C. J. Walker's Preparations

"I use Mme. C. J. Walker's preparations exclusively because I get results from them that I am unable to get from any other preparation," stated a well known business woman the other day.

The secret of the remarkable success of Mme. C. J. Walker's preparations is in the fact that they were blended by the late Madame C. J. Walker to reach certain definite conditions of the hair, skin and scalp, and today, after over thirty-five years on the market, they are growing increasingly popular, and notwithstanding the fact that the Company has always refused to reduce the price on these goods, they are still in demand everywhere.

Mme. C. J. Walker's Gossamer, although more than thirty-five years on the market, is still the leader in its field. The reason for this is because it not only serves as a scalp oil, but it gives the hair that silky sheen and natural gloss that is the delight of every woman.

Mme. C. J. Walker's Brown Face Powder is not just another Face Powder, but is the result of years of experimenting to produce the perfect blend to impart a velvety softness and at the same time cooling and refreshing. Just the thing for these hot days.

The Mme. C. J. Walker's wonderful preparations are sold by Walker Beauticians and Drug Stores everywhere, or you can write The Mme. C. J. Walker Mfg. Company, direct. Address: The Walker Building, Indianapolis, Indiana.
