

GIRLS ON THE STREETS.....

Well folks, there's a time for work, and there's a time for play, and that's why they call it "Labor Day". Yes, Monday, Sept. 1st was Labor Day and I'm knowing everyone had a fine and delightful day. "Course as most of you know the hep cats ambled on down the road to the Lincoln fair, but Gene H. spent his holiday in Denver. However we consider it very lucky for those who lived through this holiday as there were many who didn't survive. Well.....so much for the fine holiday so let's drop the past and look into the future... on with the live.

Worried
It seems that the chic that was striding up the stroll with Willie McDavis, was rather worried about some studd... we wonder.

Back Home
Joe Brooks was seen speeling his fine speel to his chics on the avenue after a long trip out of the city. We are knowing that he has not gotten out of practice "as any fool can plainly see."

Allright
The two Johnson brothers from South Omaha was spotted with the Stewart lad and the two Davis brothers Sunday. Of course they covering the old stomping grounds with the bosses'. Maroon car of which they borrowed.... Lucky fellows.

Canada Lee Gets Out of Tight Spot; Sold Gift Car with Balance of \$789.36 Due
New York, (C) by Delores Calvin Canada Lee, the former fighter, who battles unsuccessfully as Bigger Thomas in "Native Son", won a decision in the courts this week in which the finance company in which the villain.

When "Native Son" was at its peak that was when Canada was making \$75 weekly, the original producers, Bern Bernard and Lionel Stander gave him a car in lieu of a raise. The black car had 4 stars brightly painted on the doors inscribed, "In recognition of the greatest acting performance we have ever seen." But Canada did not like the make of the auto and sold it, declaring it was free of mortgages and encumbrances.

But a week later the finance company bipped on Lee with all four for the balance it \$789.36 which the producers forgot to pay. Charged with grand larceny, Canada made a quick move and sent hurriedly for J. J. Leventhal of Lee and Leventhal, the new producers of the show now playing in Brooklyn. Mr. Leventhal, of course could not let the star be held in court for there would be no "Native on," so he willingly paid out the balance, but said it was an advance on Lee's earnings.

Breathing a sigh of relief, Canada will now have to think and think hard how to budget or he'll be missing that \$789.36 very soon.

NAACP BRANCHES ASKED TO ACT ON RACE STRIFE IN ARMY CAMPS
New York—All local branches of the National Association for the Advancement of Colored People were requested last week to take immediate steps to bring about alleviation of racial friction among white military police and civilians and colored soldiers in army camps.

Outlining a method of procedure, the national office of the NAACP, called for mass meetings in every community at which Negro citizens will voice their alarm over the growing seriousness of the situation; letters and telegrams to the President, the Secretary of War, and congressmen demanding an investigation; letters to the editors of daily papers protesting existing conditions, and passage of resolutions to the President and the Secretary of War endorsing the program of action outlined by the Association.

Marie Downing BEAUTY AND ROMANCE

Keeping cool when the thermometer runs its little red tongue up to the top figure is something that we all think about a good deal. How to do it? Well, you'll feel cooler if you look cool, and there are lots of tricks to make you look as cool as a frosted lemonade!

So, defy old Sol and try a few of these. First, a warm or lukewarm tub or shower. If you prefer the tub, toss in one of the delightful preparations that turn it into a fragrant mass of bubbles. It's fun, and cooling. Take your time, and relax every muscle in your body. If you're addicted to firm rubbing with a rough towel in the drying-off process, give that up for summer and blot yourself dry as gently as possible. Next comes the bath powder, and if you use a scented one, choose the same scent as your bath bubbles and your cologne. You don't want to finish up with a mixture of perfumes!

Once you're in fresh, cool clothes, do your make-up carefully. Summer make-up should be lighter than you may use in the cooler months. Very little rouge, a deft hand with the powder, and your gayest lipstick, applied sparingly. You want to look as fresh and cool as a flower. You can help create that illusion of coolness and freshness through a more casual hair-do. Wear your hair a little further off your face, keep it softly curled, rather than in a set and formal coiffure. For the final touch to your hair, wet your fingers with cologne or toilet water and push the curls into place, dampening them very slightly with the fragrant liquid. A little more on the back of your neck and on your wrists, and a dab on your hanky, and you're ready to go. Tie a gay little beaucher-off ribbon in your hair, and you're off for fun and romance.

Just as sure as you look as cool as you can, you'll be a refreshing sight among your sweltering sisters, and that's enough to make you feel as cool as a cucumber. There, now, don't you feel cooler already?
What are your beauty problems?
Write: Marie Downing, Lariouse Beauty Bureau, 3509 Lindell Blvd., St. Louis, Mo., and she will be glad to answer them. Be sure to enclose a self-addressed, stamped envelope.
