FOOTBALL
(by John Hamilton)
TECH VS. SOUTH—

At Tech field Friday afternoon was the most interesting football game that could be played. Boys were on the field in kick and receiving formation—the whistle blew and South kicked to Tech. Tech's Mike Dibase received the ball on his thirty five yard line and moved up to his forty before being hit by South's hard charging line. It was Tech's ball and first in ten for the Maroons. Coming out of the huddle the boys were hot for a touchdown. Gilbert comes over the ball, it's an end run for a first and ten, and the Maroons are on the march. After fifty yards of hard diving Willard Howard, Tech ace back, receives the ball from center for an off tackle drive good for ten yards and a touchdown for the Maroons. Bud Freeman replaced Howard for the extra point, the kick converged as the quarter ended score—Tech 7, South 0.

SECOND QUARTER
Tech kicked off to South—Rose of South carried the ball to his forty-five yard line when it was first and ten for the Packers. Arvin of South tried his own right end for no gain. The next play Arvin tries another end run but was hit hard by Tech's right tackle Mike Dibase. A fumble, and Tech recovers Arvin's fumble and it is the Maroons ball on the Packers' 40 yard line, first in ten and the Maroons are on the March again. Gilbert comes out over the ball, the ball snaps and goes to Vacanti, a reverse to Howard that was good for forty yards and six more points for the Maroons. Freeman in for Howard for the extra point—kick no good as the quarter ended.

THIRD QUARTER
Tech kicked off to South, South carries the ball to their twenty-five yard line where it is first and ten for the Packers. South was trying hard to score on the hard fighting Maroons but the stubborn Maroons forced the Packers to kick from their thirty yard line—It's Tech's ball on the fifty yd. line. Tech's Roth tries his own left end for no gain Howard trifumble! South recovers Howard's fumble on their own forty five yard line. First in ten for the South High Packers. South's ace back Rose tries his own end for 8 yards, Arvin tries his end and was hit hard by Tech's hard charging center Gilbert. A fumble and Tech recovers the ball. Tech's ball, first and ten for the Maroons on the fifty yard line. Tech tries

hard to score on the fighting line South's quarterback catches it but fumbles and Tech recovers their own punt for a first and ten on the fifty yard line (time out for South) ball in place Tech Nisley takes ball through center for a five yard gain that had the ball on South's forty five yard line. Back in the huddle the fighting Maroons were hot. Gilbert comes over the ball, it is snapped back to Vacanti,—he takes a reverse—pass to Ottman, he intercepted it and it was good for forty five yards and six more points for the fighting Maroons. Freeman in for Howard for the extra point—It's good and seven points were marked up for the Tech High Maroons.

FOURTH QUARTER
Tech's ball first and ten on their own 15 yard line. Gilbert comes out of the huddle over the ball as the team was in a punt formation. It's a kick, high in the air—standing on the fifty yard

CRIMEA CUT OFF

BETWEEN THE LINES

(by Dean Gordon B. Hancock)
OUR CONQUERED COUNTRY

Ours is a conquered country! The Germans have conquered this country just as truly as they have conquered Belgium or Holland. The Belgians have been conquered physically and this country has been conquered spiritually. In fact, ours is the more tragic conquest, for the simple reason that no man is captured completely until his spirit is captured. The spirit of this country is captured and let us make no mistake about it. Our liberties are assailed, our freedom is threatened, our great President is maligned in his high and holy task of unholding the honor of his country. Our great unvaunted democracy is spurned, our way of life is jeopardized, our future is imperiled.

Only the valor of our English compatriots have saved us from physical as well as spiritual defeat. Our traitorous Quislings are heroized; the traducers of our nation are openly upheld as patriots; our Benedict Arnolds are safe behind their mask of democratic immunities; our free speech ideals have been prostituted and perverted and the hands of our greatest President have been infamously tied by designing Republicans and mollycoddle Democrats. Our case for war against Hitler is as strong as it will ever be; the time has struck when we must defend our nation with sweat and tears and blood; a declaration of war is long overdue if the honor of this nation is to be maintained.

And what do we have? Saboteurs running wild, Quislings rampant, Hitlerites scoffing and strikes abounding, labor and capital using the crisis to further selfish ends, America First committees springing up like mushrooms over night. What do we have? Subtle campaigns of Negro baiting and race hating, prejudice taking precedence of principle, studied efforts to exclude the Negro from a program that will fail without him, our great radio system turned over almost entirely to the pro-Hitlerites with their Lindberghs and Wheelers to confuse and bewilder people too bent on money grabbing to save its soul.

The role this nation is playing today will be the cause of shame when the history of the present is written by the historians of the future. We are a

conquered nation! We are afraid to make war on an enemy that has his dagger at our throats. We are living today not by our own strength but by the grace of God and the valor of Great Britain and Russia. The great American whose record for courage in the past, has succumbed to the siren songs of our Quislings and pro-Nazis and is ripe for Hitler's prey. We are not saved by our own courage and valor; we are being saved by circumstances.

We are just lucky; and that is all. The nation that is saved by mere luck is lost. War is at present necessary and inevitable but we are hindered by subtle influences that even our President dares not challenge. What we are doing today is, waiting for our country to be recaptured. Only a war can save us and we cannot declare that war because of pro-Hitlerism in this country. This nation is at the mercy of this country's henchmen of Hitler. What a shame! This country has been conquered! The tolerance with which the designs of Lindbergh are treated shows this; the seeming reverence and admiration for Wheeler shows it. The difficulties that Roosevelt encounters in his efforts to retrieve our nations shows it. This nation is in a stupor of indifference and ignorance induced by our isolationists who are knowingly unknowingly Hitler's henchmen.

These political perverts would vacillate until Hitler has conquered Europe and then he could concentrate on this country and conquer it physically as he has conquered it spiritually. When a nation gets too proud or too philosophic to fight for its honor and safety it is conquered. Democracy is a fine thing but it must be preserved if need be upon the field of battle for there it was first bought and paid for. That there could be found a Negro-America First committee to support Negro hating, Jew baiting Lindbergh is deplorable.

Lindbergh's club foot stuck out the other night when he turned on the Jews. He meant Negroes also and let us not forget it. Negroes must not so easily forget how ugly Lindbergh was when he refused to reward the Negro who found his slain child. Lindbergh is for Hitler and Hitler is against black peoples. Let our black skin remain the badge of loyalty and not become symbol of allegiance to our country's conquerors!

ace Rosetrie s to pass, no good and the ball called back. South comes out of the huddle, center over the ball, snapped it back to Rose and he tries his own end for a five yard gain as the gun went off—the game is over and the final score—Tech 20, South 0.

A Prominent Business Woman Praises Mme. C. J. Walker's Preparations

"I use Mme. C. J. Walker's preparations exclusively because I get results from them that I am unable to get from any other preparation," stated a well known business woman the other day.
The secret of the remarkable success of Mme. C. J. Walker's preparations is in the fact that they were blended by the late Madam C. J. Walker to reach certain definite conditions of the hair, skin and scalp, and today, after over thirty-five years on the market, they are growing increasingly popular, and notwithstanding the fact that the Company has always refused to reduce the price on these goods, they are still in demand everywhere.
Mme. C. J. Walker's Gossline, although more than thirty-five years on the market, is still the leader in its field. The reason for this is because it not only serves as a scalp oil, but it gives the hair that silky sheen and natural gloss that is the delight of every woman.
Mme. C. J. Walker's Brown Face Powder is not just another Face Powder, but is the result of years of experimenting to produce the perfect blend to impart a velvety softness and at the same time cooling and refreshing. Just the thing for these hot days.
The Mme. C. J. Walker's wonderful preparations are sold by Walker Beauticians and Drug Stores everywhere, or you can write The Mme. C. J. Walker Mfg. Company, direct. Address: The Walker Building, Indianapolis, Indiana.
