

AMERICAN LEGION ACHIEVES MEMBERSHIP QUOTA

The American Legion Post No. 30, Dec. 3, 1941—Everyone including Commander W. W. Peebles, and Adjutant Turner is happy. Why? Because Dec. 1st is here and their membership quota is made. Now to try and keep the Spafford trophy for membership percentage over the post quota. The club rooms are almost finished with the redecorating and

the Post is anxiously awaiting for Doctor Perelman to say the one word. Your clinic is open and ready for business. The Post has been notified by Doctor Pinto city health commissioner, that this clinic will also have facilities for the examination of Tubercular patients also.

We wish to thank Mr. and Mrs. Public for their support of our Armistice dance and we do hope that as many will attend our mid-night show just before the holi-

days. The Post will entertain the Ladies Auxiliary Thursday night Dec. 18. Please come out and above all pay your dues.

"NEGROES VS. HITLERISM" TO BE SUBJECT OF FFF CONFERENCE

Plans for a nation-wide conference of Negroes to combat the menace of Hitlerism were announced today by Edward White, executive secretary of the Harbison Division of the Fight for Freedom Committee. The conference will be held in Washington on January 8 and 9.

"Every Negro is aware of the serious situation concerning the welfare of our country today," Mr. White said in explaining the purpose of the meeting. "Although conditions grow more acute each day, there is still considerable speculation as to the attitude of the American Negro; that is, we just don't seem to have any attitude on the question of Hitlerism."

"The intelligent Negro hates fascism, because he has experienced so much of it. This is so true that we have treated it as something that goes without saying and have concentrated all our effort on what we consider the more pressing problem...that of knocking out Hitlerism at home."

"But the defeat of France should teach us something. While we must continue the fight for our domestic rights, we must recognize that with Hitler victorious there is no future for the Negro here or anywhere else. We cannot afford the luxury of indifference. Hitler hates us more than the Russians or the British or the Jews. We have no place in his so-called New Order."

"Negro are determined that Hitler and all other brands of fascism must be destroyed. The purpose of this conference is to give substance to this conviction and to put our words into action."

Mr. White reported that delegates from churches, fraternal organizations, labor groups, and press associations are expected to attend.

GIRLS ON THE STREETS....

December the month every one has practically lived for is here. Celebrations of the Birth of Christ...Exchanging of gifts... Santa Claus...Christmas parties...dinners...Visiting and Vacationing...and many Studds will celebrate in the joints.... But let's look back at November and review Thanksgiving day. The Grant Street Drug store was as full as the Cats and Chicks were.

Jeff, the soda boy, was off duty...they say he antroed up to his girl friends house with an invitation to dinner after which they took in a movie.

The Alstons in South Omaha, Nebraska had a gang... quite a gang at their party Thanksgiving night. The music was fine and the crowd was jumpin'.

Raymond Moore at 25th and Binney Street had a fine party. Among the hep-cats was Manual Johnson, who was doing the square dance with Naomi Downs. Frances Jefferson was looking very fine... Poochie Mease was also comin' on fine... a great number of other hepped Cats were on deck at the fine party.

Woodrow Allen came up from KC. and spent the day lunching the Thanksgiving Day at his girl friends house. He was drapped to a solid lick!

Henry "Skin" Davis found out the real fact that liquor and Gasoline did not mix (at least he should of).

Gazing at the Studd from KC. We can see that he's drapped, he dances, he sings, he jives, and from what we have heard, he recently entertained in Ernie Fields orchestra. Well known in Kansas City for his quick jive answers... his name is William Hawkins, who is here, looking this Dull city over to find the lively spots.

Well hipped man No. 1, Mr. Leroy Broomfield is back again. We spotted him at the dance with the fine chic, W. W. Knock yourself out kid!

The Girls on the Streets want to congratulate Mr. and Mrs. Richard Rice who recently were wedded in Holy matrimony.

James Calhoun is obsessed by a desire to luv. He was asking about one of his old flames.

CONFESSIN' THE BLUES

JAY McSHANN Jay McShann, who will bring his famous orchestra to the Dreamland, Monday, Dec. 8th. Featured vocalist is Walter Brown, whose "Confessin' The Blues", has sold 81,000 records a new high for a Race Band.

Ha! Ha! Ha! Ho! Ho! Ho! is all most as funny as the Santa Claus down Town laughing. J. Booth walked two miles to get two ten cents tickets from two girls.

Willie McBride should be called "Jive Man" because she sho got the jive.

Boy Floyd has finally decided that dancing without them is better than dancing with them. (His shoes) you think he didn't?

Reviewing the stomp Wednesday night. Lloyd Hunter really did play. The Rabbitt came in from the midnight about 2:30 and sanged up a Breeze and did those jitterbugs rock on. The Chattanooga Choo Choo... and Anna Mae Winburn, knocked everyone out on...Ginn.

Mr. John Fontane really is an ideal athlete... he has made quite a name for himself and his race at South High. Keep the wheels rollin Johnny! You're doing fine!

Don't forget Jay McShane, Monday night, Dec. 8—Dreamland hall.

That's all this week!..Your.. Girls on the Streets!

The All-Seeing EYES.. advertisement with illustration of eyes.

Well after a weeks' absence we bring to you just a little of the chatter along chocolate avenue.

CLUB NEWS: The Sub Deb club visited radio station KOIL Friday afternoon. Those that went were Rozella Thomas, Helen Bradley, Nancy Bryant, Venita Hall, Dorothy Woods, Bertha Davis, Ione Upcher.

The Gross Eickes had a lovely Vesper Service and a timely program.

Thanksgiving Well we all scoffed lavishly at Thanksgiving and from the looks of couples each had something to be thankful for. Betty Shepherd was thankful that she still was with Roy. David Hughes was thankful for Rozella Thomas. We all had something to be thankful for.

Slambooks: Slambooks are nice to read and write in, but we should refrain from writing such mean things. I read a few very bad things written in slambooks about people. I read in one where they called a Chick Haggy Lamarr. We admit this Chick is frone, but if you can't write good things or suggest helpful improvements then don't write anything.

QUESTION: What is the meaning of a green eyed monster? There is not a Negro in Omaha with green eyes.

I wish to correct a statement that was printed in this paper last week. The "Green eyed monster" has not arrived early in the R. T. and D. H. love affair. Rozella does not and never has timed David Hughes' speeches with other chicks. I just wanted to set you folks right on the misrepresentation of Rozella Thomas. Rozella is not a jealous person of David or anyone else.

Dark Laughter BY OL HARRINGTON

AN' WHY YOU ALWAYS WAIT UNTIL YOU GETS BEFORE THE WINDER BEFORE YOU FERGOT YOUR WALLET?

Hair: Black, wears it in a page boy.

Remarks: I hope all of you Cats and Chicks will show Miss Dewey a nice time.

BOYS!!!

... Sixteen shopping days till Christmas, so don't tell your little queen you forgot about a present, because I am reminding you about Christmas each week.

A certain Chick is looking for a boy friend. She said nothing under thirty, so you boys give this fine chick a break.

To the Chick—

This little lady said a certain Cat was crazy about her. My dear girl you must cease believing the jive these boys serve you. If you are fool enough to fall for this jive, they will make you believe red apples are blue. So just listen to this jive and forget it, (or jive them back.)

Unknown:

Who is the boy that calls up a certain girl each Saturday night and won't leave his name. Listen fellow if you can't tell her your name then cease calling her.

Well I guess I will close before I make (too many) comments and get stuck. I will be watching you kids till next week.

Be seen! you til next week... I remain your friend.

THANKSGIVING HOMECOMING

Last night was Thanksgiving night in Jackson, Mississippi and the crowd that packed and jammed the Crystal Palace Ballroom acted as though they were also thankful that the "Swinging Rays of Rhythm" had returned to Mississippi after an absence of six months.

The dance was advertised as "Thanksgiving and Homecoming" for this popular co-ed band of girls from the Piney Woods School, Piney Woods, Mississippi.

The youth, the music and the pep of this world's greatest all-girl dance band is amazing on the on-lookers and thrilling to the dancers.

Many of the crowd had heard of the loss by fire of the South's most beautiful ballroom El Dorado in Houston, Texas and also that the "Swinging Rays" had recently filled it to overflowing and one could hear this expression in the crowd in nudifferent forms:

"If these 'Swinging Rays' were as hot in Houston and played this torrent jazz that they are beating out here tonight I must have hung in he air and caused spontaneous combustion after they were gone!"

The band consists of 17 high school and junior college girls; a saxophone sextet; a brass sextet; and a Rhythm quartet.
