Wishing You A Merry Christmas

CHRISTMAS 1941

THE MERRIEST CHRISTMAS

The same kind of a Christmas we knew when we were boys and girls. When bob-sleds plodded merrily over the country roads and the brooding peace of Yuletide. That is the kind of an old fashioned Christmas we are wishing you now, and with our wish may we extend a word of thanks and appreciation for your continued friendship and patronage.

VOGUE:

Miss Nancy Bryant looked very cute as she strolled down the pad in her black boots. Miss Alberta Booth looked most stunning as she strolled the halls in a black skirt, white blouse and red sweater. Miss Bertha Davis was seen wearing some very unique costume jewelry. The jewelry was made of red holly berries. Miss Ionez Upcher looked very sophisticated in her light blue dress with long puffed sleeves. Miss Bertha Carter looked stunning in her black skirt and pink satin blouse.

New Hair Style

I am sure you all saw the new hair style that Wendell Jenkins came on with. Looks like he was trying to double for Cesar Romero. Do you think he wasn't on? Well?

Forgery:

I suppose you cats and chicks do not realize that it is a penitentiary offense to forge someone's name. Just recently here was some profane literature going around and someone wrote another girls name on it. Before you kids write someone's name on anything get the persons' permission to write his or her name on it. Please don't stoop to forgery.

Untruthful:

We are sorry to write in this column that some girl or boy has been distributing false statements and malicious gossip to a boy who had a lot of confidence in his girl friend. Through your untrue statements you have almost caused a separation of a certain couple. I think the person who caused all of this trouble should apologize to the boy so that he may again resume confidence in his girl. You who told these false stories about the girl should apologize to her, because she feels very bad that you have succeeded in telling her boy friend all of these untrue statements about her, and they have just about parted. We are asking you to apologize immediately. I am sure this boy and this girl will except your apology without any argument. You would also feel bad if someone actually told false stories on you. So "Do unto others as you would have them do unto you". Please apologize to this girl and boy immediately.

Christmas Suggestions:

Boys we realize that it is difficult to choose presents for us girls but I talked to some of them and, the girls said they liked presents that they could keep to remember you boys by. We appreciate candy but we eat that in a day, so we can't keep that, in memory of you. We use up cosmetics so we can't keep that to remember by. So keep in mind something we can keep in remembrance of you. Don't say that the dance Thursday night took all of your money because that is a frone excuse.

Remarks:

I wish all of my readers of this column a Merry Christmas. I wish all of my friends and my many enemies a Merry Christmas. Your friend,
The CYCLOPS and ASSTS.

A LETTER TO HIS SONS

Galangue, Angola
September 24, 1941.

Messrs Aaron and Bobby McMillan,
2892 Miami Street,
Omaha, Nebraska, USA.,
My Dear Sons:

We are well and going nicely. It has been more than a year since we have received a letter from you boys, and we are wondering if our letters have been reaching you.

Yesterday, I received a letter from Dr. Stearns, mailed December 2, 1940, we also received in the same mail a nice bunch of Christmas cards, from friends in America. Since some of the mail is beginning to come through we were certainly expecting that some of your long overdue letters would be in that mail, but we were truly and grievously disappointed. However we are considerate for we know that this war has been havoc to many letters at sea.

Write us. Perhaps the letters will get through some day. Stick to your studies. Be honest above

mates of the home. Names were also drawn for the exchange of Xmas presents. The Xmas party will be at the home of Mrs. George Goosby Tuesday Dec. 30th.

Mrs. Agnes Curwright was appointed chairman of the party assisted by Mrs. H. Burroughs and Mrs. U. S. Matthews.

Dec 10th Mrs Charles Murry was hostess to the ladies of the Club. This being an all business meeting the evening was spent in completing plans for the Xmas party. All members paid their assessment. It was voted we enlarge our donations to the Red Cross and also enlist the club for what ever service we are needed for.

The President reminded the members about giving a basket for xmas to some needy family.

We were very saddened to receive word of the passing of a dear friend and co-worker, Mrs. S. Joe Brown of Des Moines, Ia. It was just last May she was guest speaker at our State meeting. She was also the President of the Central Association of Colored Women's Clubs of which we belong. We regret the loss of this noble woman and ardent worker. When in Omaha she was the house guest of Mrs. R. C. Price. In times like these and when friendship should be more closely woven together. We wish to take this opportunity to thank our friends for their cooperation in the past year, and extend to you our sincere wishes for a very merry Christmas and a Happy New Year. "Our motto" Working Together.

Mrs. R. C. Price, President, Mrs. Frank Johnson, Secretary.

The Program with Miss Willa Johnson as chairman was wonderful. We wish to thank you and you and we don't mean you! for your special cooperation. The regular meeting will be January 14, 1942. The local take this method in wishing all a Merry Christmas and a Happy New Year.

Miss Hattie Moore, President, Mrs. Flossie Moore, Secy, Mrs. Louise Cooper, Reporter.

"Personalities in The NEWS"

Genial, versatile Vercylee Norvell, who daily proves that he is a versatile artist in every respect —gave forth with his latest musical revue "Castles in the Air" which was performed from the beautiful stage of the ballroom of the Hotel Castle, Saturday evening Dec. 6th. The highlights of this revue were charming little Dorothy Wyby with a voice of an unmistakable beauty; the Brownies, Evelyn Spaucer, Eva Mae Brown and Dot Wyby, and as a special treat four of the greater aristocrats of Rhythm, Norvell is writing another revue entitled "Midnight in Harlem" which will

all means with everybody and you will come out fine. Go to Church. Cultivate the habit of praying. It will help you—I know not how but it will.

Share this letter with Mother Boone. Kiss her for us all and tell her to write to us.

With all best wishes,
Your father,
Aaron M. McMillan.

PS.—For assurance that letters will reach us I suggest that you place your letters addressed to me as usual, but not stamped, in another envelope addressed to Sr. Joaquin Marques De Oliveira, Rua Costa Cabral, No 2517, Porot Portugal.
