HIGH BLOOD PRESSURE

Dangerous High Blood Pressure (Essential Hypertension) is usually marked by distressing symptoms such as dizziness, throbbing headaches, sleeplessness and nervousness. If disregarded, this may lead to Heart Trouble, Stroke, Paralysis, Hardening of the Arteries or Kidney Trouble. Diamonex, new discovery of a heart specialist, is designed to quickly aid in the relief of these symptoms.

A Chicago resident says: "I suffered from High Blood Pressure for several years with increasingly severe throbbing headaches, dizziness and shortness of breath. I showed the Diamonex formula to my doctor and, on his advice, tried the treatment for two weeks under identical conditions as previous treatments. Within only three days my bad headaches and dizzy spells were gone. My high blood pressure was reduced and I sleep fine."

Diamonex goes directly to work in three different ways to aid in the relief of these dangerous symptoms. Results are speedy—within as short a time as two weeks sufferers often find that Diamonex has accomplished 75% of the total reduction possible with this formula. If you suffer from High Blood Pressure you may try DIAMONEX without risking a penny. To introduce this wonderful treatment to a million new sufferers this liberal trial offer is made for a limited time only.

SEND NO MONEY—just your name and address to the Diamonex Company, 1077 London Guarantee Bldg., Chicago, Illinois for a regular \$2.00 treatment of Diamonex for only \$1.00 and a few cents postage. Use Diamonex according to the simple directions for only two weeks. If, at the end of that test period you are not delighted with results your money will be refunded immediately on request. There are no strings or conditions—you owe it to yourself to make this wonderful test at once. Write today as this offer is fully guaranteed.

'THE HUMAN FAMILY'

(by Myrtle M. Goodlow)

In the human family
How can there be
A superior race of men
Or an inferior—when
From one blood God created
all men.

And commanded them to love
one another as a brother.
But sinful man in order to
please himself—

Put part of God's word on the shelf,
And only believed what he
wanted to receive.

Because man failed to keep the
laws of God and Christ
The world is in a sorry plight,
Nations have sealed their fate—

Through prejudice and hate
And willfully destroyed.
All they once enjoyed,
For man's evil deeds of lust
and greed

Has turned the world into a
battlefield.

With death and destruction on
every side,
Because God's law was cast
aside

Lasting peace shall never be
until all men are free.
So in the crucial hour to come
We pray O God, Thy will be
done.

For the cries of war shall not
be stilled,
Till Thy sacred word has been
fulfilled.

For Thy word O God still
stands,
And the fate of nations in Thy
hands.

OMAHA NEGROES SIGN UP FOR CIVILIAN DEFENSE

You May Join At The Urban League 2213 Lake Street

Praise for the wholehearted participation of Omaha Negroes in the defense program is announced by executives of the Civilian Volunteer organization, which is enrolling citizens for defense duties at 620 World-Herald Building.

Lists of volunteers include several hundreds of Negroes enrolled at the downtown office and many more who signed up recently at Long, Lothrop, and Howard-Kennedy schools, officials reported.

They said that among these were numerous members of Roosevelt Post of the American Legion.

The enrolled volunteers include all members of the staff of the Urban League, it is announced by R. B. Brown, executive secretary.

Mrs. Grace Bradford, neighborhood secretary of the Urban League Center, reports that members of the league are attending defense classes in first aid and in motor car duties, and that other groups are engaged in Red Cross knitting. The first aid classes are held at the Center, 2213 Lake Street, each Wednesday night, under the instruction of Mrs. Pearl Hieronymus. It is announced that Mrs. Charlotte Crawford has completed the course for motor corps service.

Five Girl Scout troops are taking part in first aid, finger printing, and Victory Garden activities.

Steps have been taken for organization of a unit of the American Women's Volunteer Service, with cooperation of Urban League members. One of the planned activities of this organization is the conducting of nutrition classes under direction of Mrs. Thelma Hancock.

One additional Negro Division to be organized.

Officials of the Civilian Volunteers said that Negro enrollment to date demonstrates that Negroes will be found cooperating wholeheartedly in volunteer duties in all phases of the defense program. Additional enrollments are requested at 620 World-Herald Building for classes of instruction in defense activities and to complete organization of defense units.

TO INDUCT 175,000 NEGROES INTO ARMY

During the current year War Department and Selective Service plans contemplate the induction of approximately 175,000 Negroes. This is based upon the overall increase in the Army and the percentage of colored to white registrants. Due to the present existing shortage in housing facilities, it is probable that this increase will be distributed rather lightly in the early months of the year, but will increase materially during the late spring, when construction projects will have been completed. The War Department plans to distribute Negroes to the various units of the arms and services.

One additional Negro Division to be organized.

Laxative with Three Important Features

Three things most people want a laxative to do are: Act punctually; act thoroughly; act gently.

This one usually fills all three requirements; brings happy relief from constipation's bad breath, loquacity next morning if taken at bedtime by the directions.

The way BLACK-DRAUGHT generally benefits users is mainly due to its chief ingredient, an "intestinal tonic-laxative" which helps tone lazy intestinal muscles. The millions of packages used prove BLACK-DRAUGHT's merit. It's a purely vegetable medicine. And economical, too! 25 to 40 doses cost only 25c.
