... BUT MRS. ELDRIDGE WAS THE ...
... ONLY PERSON WHO WAS ...

BRUISED AND BATTERED. Sgt.
Graham had a mark on his hand
from a bite Mrs. Eldridge gave
him while he was twisting her arms
and causing her great pain. This
of course, was an act of self-defense
on her part, wholly justified
under the circumstances.

Why did not the Sergeant and
the officer with him arrest Mrs.
Eldridge and then put the handcuffs
on her and take her to the station?
Why did not they call a doctor
when they saw she was injured
from a cut on her arm?
How did it happen that nineteen
officers were present at the time
Mrs. Eldridge was brought into the
station? Were they staging a show
at the expense of Mrs. Eldridge
in the presence of her husband?
Why were several officers
in the "Bull Pen" with her
while she was being "booked"?
And where was the Police Captain
during the show? Where
were the Lieutenants and why did
they permit the action taken by
Graham?

DR. FRED PALMER'S SKIN
WHITENER COMPANY MAKES
NEW 7 DAYS TRIAL OFFER
TO CELEBRATE ITS 44TH
ANNIVERSARY

Atlanta, Georgia, April 1st,
1942. The GALENOL COMP-
ANY, Inc., of this city, manufact-
urers of Dr. Fred Palmer's line of
cosmetics, among which is the fa-
mous DR. FRED PALMER'S SKIN
WHITENER, has just announced
in celebration of their 44th anni-
versary in business, a NEW 7
DAYS TRIAL OFFER that must get
results or it costs you nothing.

DR. FRED PALMER'S SKIN
WHITENER is the product that
lightens tanned, too dark, rough,
coarse, weather-beaten skin so fast
because it contains a special in-
gredient that is quick-acting. You
no doubt have heard of it. It
starts to work the minute you ap-
ply it. This is one of the reasons
why thousands upon thousands of
folks all over the country use it,
including the glamorous Harriet
Calloway, the internationally
known lady hand leader, Pauline
Webster, Dean Gordon, Vivian
Brown, Lovely Lane and other fa-
mous singers, entertainers and
movie actresses.

DR. FRED PALMER'S SKIN
WHITENER is made from a for-
mula created by Dr. FRED PAL-
MER, one of Georgia's well known
doctors. For over 44 years, it has
stood the test of time. No chang-
es have been made in the original
formula, except those which have
been made from time to time to
make it better and more effective.
Year after year it has been doing
its work, lightening and brighten-
ing the skin of too tanned, dark
people. The fact that its sales
have constantly increased each
year over the year before and that
its use has spread from country
to country, is a testimonial of its
high quality.

This is the 44th year that Dr.
FRED PALMER'S products have
been manufactured. In celebra-
tion of this anniversary, the GALE-
NOL COMPANY, Inc., the man-
ufacturers of DR. FRED PALMER'S
SKIN WHITENER are making
this unusual offer. To every per-
son with a tanned, too dark skin,
who wants it lovelier, softer,
smoother and lighter, they say:
"Try Dr. FRED PALMER'S SKIN
WHITENER. Get a 25c box from
your local druggist. Use it 7 days
according to instructions, then if
you don't say DR. FRED PALMER'S
SKIN WHITENER is just a-
bout the finest product of its kind
you ever used or ever heard of,

problems of the New South, has
been written by the Editor of the
Richmond Times Dispatch. He
calls himself a liberal, as indeed
he is, compared with "Old Bob
Toombs" of Georgia and Calhoun
of South Carolina during the days
when Negro slavery was the cap-
stone of American Agricultural
economy.

The book treats of the problems
in the lands which lie "South of
the Potomac." It concerns itself
chiefly with the Negro and his re-
lation to the whole economy of to-
day in that section of the country.

The author does not like the Na-
tional Association for the Advance-
ment of Colored People any more
than the ante-bellum South liked
the New England Abolition Soci-
ety, even though he expressed his
displeasure in more measured and
polite terms.

Many of the chapters in the
book however are as fair as one
can expect from the pen of a south-
ern editor.

He teaches the Negro the letter
A, but he does not fully realize
that that means, also, B.

CONCENTRATION OF DEFENSE
WORKERS OFTEN CAUSE
OF TUBERCULOSIS

Tuberculosis is often the direct
result of concentration of defense
workers, makeshift and crowded
housing, poor nutrition and the in-
flux of women into factories, ac-
cording to Dr. J. Harry Murphy,
president of the Nebraska Tubercu-
losis Association.

Dr. Murphy made this statement
in announcing the association's
early diagnosis campaign for 1942
conducted annually during April.
"During war time tuberculosis
deaths increase. The United
States is now engaged in a conflict
that will require every ounce of
manpower possible. It is the duty
of all citizens to thoroughly un-
derstand the facts about tubercu-
losis and to help fight this disease
which can do so much harm in
crippling our defense progress" Dr.

FUN AND GOOD FOOD
AT THE GREEN LANTERN

MR. DAVIS

Some few weeks ago the Green
Lantern opened with a bang. Most
everyone was there and the excite-
ment was high and that same
crowd is still coming back for
more fun and good food. Join the
crowd and make the Green Lan-
tern your place of recreation.

I made an inspection tour over
the town before deciding where to
buy your food. Inspecting sanitary
conditions and considering the
advantages as well as opportuni-
ties, these places offer us as a race.

A taste of Fairmont's ice cream
is all we ask for your seal of ap-
proval. Their long year's experi-
ence in blending these delicious
flavors make their cream just
right.

I chose Omar Bread for its last-
ing flavor and freshness and these
beverages to add that certain fla-
vor to your meals or just a drink
to make the day alright. Cleo Cola
beverage, Pepsi Cola, Coca Cola,
Caleo Vess beverage, Birely's 7-
Up and Hires Ideal Bottling Co.

We delivery steak, chicken and
many other kinds of sandwiches
amounting to \$1.00 and up.

return it and your money will be
refunded.

The general manager of the
GALENOL COMPANY, Inc., states,
this is the most outstanding offer
his company has ever made
and feels that it will enable thou-
sands of folks in
every part of the country, who de-
sire a lighter skin, to try this a-
mazing product without risking
their money and perhaps win the
beauty success and popularity
they have always wanted. If you
are unable to secure DR. FRED
PALMER'S SKIN WHITENER at
your local drug store, send 3c to
cover postage and handling to the
GALENOL COMPANY, Inc., Dept
103, Box 264, Atlanta, Georgia and
they will mail you a generous size
FREE sample box.

Murphy said.

The disease also creates a ser-
ious financial problem, he said.
Men infected are thrown out of
work, their families become de-
pendent upon public support, and
orphans must be placed in state
institutions. People are often un-
aware they have tuberculosis. It
is the purpose of the early diag-
nosis campaign to make them
more alert in regard to personal
health and to enroll their support
in helping the Nebraska Tubercu-
losis Association eradicate the dis-
ease from the state.

Today every man is essential to
the national defense program. Dr.
Murphy emphasizes the fact that
for every man in the field eight-
een men and women in overall's
are required. Just as the army
and navy have an effective work-
ing program against tuberculosis
so too should every community.

Health officials know what to do,
but they need help and under-
standing. During war time their
program must be strengthened.

Throughout the month of April
the Nebraska Tuberculosis Associa-
tion, whose activities are financ-
ed solely by Christmas Seal funds
is asking that everyone cooperate

TRUTH VISIONS by ABBE WALLACE

M. D. H.—Now here is my sad-
ness in life. There was only one
man in my life and I am 47 years
old now. This man courted me
3 years and wouldn't marry me
so I married someone else. He
wouldn't let me alone. My hus-
band died and still this man would
not let me alone. Now this has
been going on for 35 years and I
don't know what to do with him
Advise me?

Ans: Marry the man. That is
what you have wanted to do many
times but you just didn't
want to give in. He has worried
you for 35 years and that seems
proof enough that he won't ever
be happy until you give your con-
sent to marry. He realizes that
he made a mistake not to marry
you years ago..... but when you
married someone else, he couldn't
change things then.

W. C.—I have a private prob-
lem I want to discuss with you
which is very important. I do not
know how to send the money.
Please let me know if I can get
my Astrology and how to send
this money?

Ans: You may send 25c; in
coin, or in stamps for the Astro-
logy Reading. Be sure to send your
correct birthdate and address. In-
clude self-addressed stamped en-
velope for your private reply.

A. & J. & W.—We are readers
of your column and want an an-
swer in your column. We are 3
girls trying to be modern and at
the same time trying to be de-
cent and respectful. The ques-
tion that puzzles us most is: we
want to know if petting is wrong,
why do we enjoy it? Also how
can we tell that we are selecting
the proper mate if we don't try?
Please help us?

Ans: As long as you girls con-
fine your petting to a few kisses
and clean fun.... you have noth-
ing to fear. It is only natural
that you should enjoy petting. I'm
sure the boys do too. However,
most young men and women over-
emphasize the part that sex rela-
tions play in choosing a mate....
don't use the "trial method" as an
excuse for living an immoral life.
It won't work girls. There are
too many pitfalls and dangers for

in protecting millions of war work-
ers by doing his share in helping
find tuberculosis, treat tubercu-
losis and conquer tuberculosis.

EQUAL PAY SUIT FILED IN
BIRMINGHAM, ALABAMA

New York—Continuing their
fight against unequal pay for e-
qual qualifications and work in
the South, Negro teachers of Bir-
mingham Alabama, filed suit in
the federal court there on Friday,
March 27, the NAACP said. This
week in Florida, Judge Louie W.
Strum has taken under advisement
suits filed in Duval, Hillsborough
Marion and Palm Beach counties
for equal salaries. Judge Strum
issued the first order denying in-
tervention in the Duval county
suit to the white teachers on
March 3; later, issued a similar order
in Marion county.

INDIA IN THE NEWS

India is prominent in the daily
news. Sir Stafford Cripps was
there striving to win the support
of the people of India for an all
out war effort. He offered on be-
half of the British government,
"Dominion Status and equality
within the frame work of British
Commonwealth of Nations". This
means, of course, loyalty to the
Crown.

Gandhi and Nehru, the most
powerful leaders in India, and
Jinnah the leader of the Moslem
League, will have to be won to
the plan.

The Indian leaders are wary of
Britain. They remember a simi-
lar promise during the first world
war which was not kept. Nehru
wants action now, a declaration of
the British Parliament concerning
things to be given now and things
to come. Gandhi submitted the
promise made by Cripps to the All
-India Congress and let them de-
cide whether to take it or leave it.

It is true, that Japan is at their
gates. But this is not the fault of
India, the blame belongs to Brit-
ain. In fairness, too, it should be
said, the present government of
Britain now in power is not re-
sponsible for the Indian problem,
but it must get action now or nev-
er.

Britain seems not to realize the
tremendous influence radio has
had on mankind everywhere; how
greatly it has advanced public ed-
ucation in the field of general in-
formation. The India of today is
a very different India from 1917.
Our wish is that the Indian prob-
lem may be solved now and that
this land which gave to the world
the founder of the Great Buddhist
Religion may take the same proud
place today she occupied in the
Ancient World.

If a "Free India" results from
the war, that will be a very great
gain and it will do much to dis-
ciple the "color complexes"
which beset the world.

THE TOWN HALL MEETING
OF THE AIR

Last week Miss Pearl Buck ap-
peared on the Radio "Town Meet-
ing of the Air" with a distinguish-
ed scholar from India, the Wash-
ington Correspondent of the Lon-
don Times and an American eco-
nomist, traveller and writer.

Miss Buck set forth the case of
China; the Indian case for In-
dia, the London Times correspon-
dent; the case for the British in
India, and the economist made an
apology for the Dutch in the East
Indies.

Everyone who heard Miss Buck
understands why she is the WO-
MAN SHE IS. SHE HAS WHAT
IT TAKES. And every person
who is denied the boon of free-
dom and human equality has been
helped and strengthened by Miss
Buck's compelling arguments.

More than any individual in the
world today, Miss Buck is deman-
ding freedom for the non-white
races, here in the United States and
elsewhere in the world.

"The Town Hall Meeting of the
Air" has rendered humanity a very
great service.

We hope the attorneys in Mrs
Eldridge's case will put a little
more "zip" into it when they
reach the District Court and the
City Council. Thanks.
