

GIRLS ON THE STREETS

Everyone is talking about the Overall and Gingham dress ball to be held the 27th. It will really be the solid lick if everyone that is woffin be there.

The Paul Briggs ensemble is really an addition to the Cats and Chicks.

Everyone in his ensemble has a nice voice and they all sing like mocking birds. They are really getting to be on.—Marion Anderson the second (Colleen Kincaid) is a good example.

Booker Washington (another talented cat) has and is reaching the road to success. Sunday he will direct the Spring Musical.

Due to the shortage of studs we see that Wiletta Bryant isn't wasting much time—She is rather sure of the situation concerning Mubby and Edith C. (Cowboy).

Helen King just can't get Johnny Harrison. It didn't seem hard for her to tell Ernest Brill that they could still be friends.

Odesa (former Ware) is back in the city of five, living with the hep cats. She looked very nice even if she did have a long honey moon trip.

Who was the stack of studs all piled up on 24th and Burdette St.

NEW TREATMENT FOR HIGH BLOOD PRESSURE
Dangerous High Blood Pressure (Essential Hypertension) is usually marked by distressing symptoms such as dizziness, throbbing headaches, sleeplessness and nervousness. If disregarded, this may lead to Heart Trouble, Stroke, Paralysis, Hardening of the Arteries or Kidney Trouble. Diamonex, new formula of a heart specialist, is designed to quickly aid in the relief of these symptoms.

A Chicago resident says: "I suffered from High Blood Pressure for several years with increasingly severe throbbing headaches, dizziness and shortness of breath. I showed the Diamonex formula to my Doctor and, on his advice, tried the treatment for two weeks under identical conditions as previous treatments. Within only three days my bad headaches and dizzy spells were gone. My high blood pressure was reduced and I sleep fine."

Diamonex goes directly to work in three different ways to aid in the relief of these dangerous symptoms. Results are speedy—within as short a time as two weeks sufferers often find that Diamonex has accomplished 75% of the total reduction possible with this formula. If you suffer from High Blood Pressure you may try DIAMONEX without risking a penny. To introduce this wonderful treatment to a million new sufferers this liberal trial offer is made for a limited time only. SEND NO MONEY—just your name and address to the Diamonex Company, 316 No. Michigan Ave., Chicago, Illinois for a regular \$2.00 treatment of Diamonex for only \$1.00 and a few cents postage. Use Diamonex according to the simple directions for only two weeks. If, at the end of that test period you are not delighted with results your money will be refunded immediately on request. There are no strings or conditions—you owe it to yourself to make this wonderful test at once. Write today as this offer is fully guaranteed.

Monday night that led a crap game and when a chic yelled 'oops' they left dough—marbles and just. The "Cop" yell was only a gag. We are surprised that that word can scar such disromantical studs.

Yes—we said it! This summer slacks will be the lick as usual, but hath wil be worn with them this year. Several styles of hats so who will be the first on Bronzeville to lead out in one. We have not spotted the outfit yet. Slacks with a hat (hat special for slacks.)

We can't help but menshun how fine the Lawson sisters felt out Sunday. Dorothy in a pastel plaid of pink and blue coat, a light powdered blue judy hat with a spinning bird fluff feather on the side, handbag of navy blue to match her attractive blue playmate shoes.

Charlotte in a strictly Pittsburg fashioned outfit, a three piece draped blue tweed suit with a light fur color, blue bonnet and purse, with those fine red shoes. Both outfits looked very smart.

Edna Taylor was another one of the best outstanding outfits Sunday—She looked very fine. Gaze it....we did!!!

Is it true that Leota Levison let Donald Peoples take her to the affair Friday night? or was Don busted (as usual).
Not that she goes with him.

Winfield Ragland looks rather sick when he sees a certain chic. Could it be that....could be!

Betty Jones' new luv affair is comin' on like a thunder-storm. Every time it Lightnings it thunders hard!

Walter Wright, one of Bronzeville's promising dressers really did look fine Sunday. At least, a certain cat said so.

Bertha Davis hoo also looked very nice, must have given Joseph Wright the brush off for a soldier. They were solid together. (She her soldier and her).

Baige and Brown is what color Joe W. chose to wear for his sport jacket. It is the most attractive one along the stroll so far.

Johny Lee Anderson and Richard Gray are seen a lots together lately....what's the score? They do make a fine couple.

Very dumb but happy....that's what describes the condition we found W. K. M. in. Boasting of his great ability to go with women. Very disgusting.

We received compliments about Corinne Seay's suit....light blue draped effect, made in Cleveland, Ohio. Special Order and it looks very nice.
The records with the most popular name this week is "Somebody Else is taking My Place."
That's All this week....

MRS. M. A. SHEPHERD OF CHICAGO PAYS VISIT TO OMAHA

Mrs. M. A. Shepherd of Chicago, Illinois, spent several days in Omaha last week as the house guest of Mr. and Mrs. F. D. Banks of 2118 North 25th Street. Mrs. Shepherd has been a successful Modiste in Chicago for many years where she numbers among her clients many prominent persons of the Mid-West Metropolis. Mrs. Shepherd is the sister of Mr. F. D. Banks.

Miss Charlotte Lawson has returned to Omaha for a short visit

A baby girl was born to Mr. and Mrs. Thomas Jones at 2866 Grant St.

We must have our pro-rata of employment in business to which we have and do give our patronage, such as grocery stores, laundries, furniture stores, department stores and coal companies, in fact, every concern which we support.

We must give our citizens the chance to live respectably. We are tired of educating our children and permitting them to remain economic slaves and entering into a life of shame.

RETURNS HOME FOR VISIT

William Avant returned home this week, for a short visit from Oakland, California, where he is now living. He is a dining car waiter and he runs from Oakland.

WAITERS' COLUMN

(BY H. W. SMITH)
WE. 6458

We contacted Mr. Simon Harold by phone one morning last week and the murgian headwaiter had his usual line of conversation, telling this writer to start talking. It is always a pleasure to converse with any of the very friendly crew of waiters and cooks at the Chamber of Commerce as they always know what everything is all about....give them a good hand

The White Horse Inn with that rapid fire waiter Mr. Branch, Mr. Louis White, Mr. Pryor, Mr. Isian Jones, Mr. Dave Russ....all are out in front all of the time.

Mr. John Evans of the Rome is on the job every minute, and always is in the running on good, quick service.

Do you know the Omaha Guide knows how to get the news, print the news and explain all about the news.

The Railroad boys are in front always. Mr. George Dean, Mr. Felix Metoyer, Mr. Buster Phillips, Mr. Luther Johnson, Mr. Harry Swain, Mr. Lindwood Hall, Mr. Rodney Williams and we hope to see them join the 4C Club and take out some shares in the Credit Union.

We talked with Mr. Joe Alls and also made a short visit to Mr. King Alls on Sunday afternoon, and he hopes to see the waiters union have success as the boys are all reliable workers.

We noticed some of the Omaha Club waiters, who are all top men in their line, in some of the First Aid classes and we always notice

Installation services for the new Pastor begin May 4 through the 10th.

The New Era State Prayer Day will be held at the Mt. Moriah Church May 14, 1942 from 10:00 till 2:00.

Mr. Earl Jones knows how to talk, when to talk and what to talk about and Mr. Chas. Solomon is one of the substantial members of the local NAACP.

The Paxton hotel waiters are on the up and go and the race horse headwaiter and Mr. Jerry Simpson the top party man are very good spokes in the Paxton wheel.

The Fontenelle waiters are taking care of the service in a very fine way. Mr. Redd, Mr. Underwood, Mr. Copeland, Mr. Thomas, Mr. Hill, Mr. George Lipton are the crew.

The Omaha Athletic Club with the very fine waiters and cooks who are always on their toes and are on the up and up all the time and included are the two front door men Mr. Hiram Greenfield, and Mr. Goldie Davis, always on the job with a smile.

ARE YOU A MEMBER of the NAACP? If not take out a membership and help them on the job. As Mr. Arthur McCaw, the wide awake president should have the full support of all of us at all times.

EDITORIALS

(continued from page 1)

Omaha led by Mr. Jasper Cole and Mrs. Lovetta Busch, backed by the CIO. Packing House Union, made this gain possible. Active in this effort within the union has been Mr. J. C. Harris and to him must go a large measure of the credit for the aid the union has given.

Congratulations, People of South Omaha and members of the Union. You are winning the war for democracy here at home, the first step to be taken in order to win it abroad.

WAS TOKIO BOMBED?
Radio and Newspapers throughout the country last week were crowded with reports of a "Bombing Raid" on Tokio and other Japanese cities. And there was rumor and counter rumor. Then came reports that it was all propaganda and a lure to victimize the United Nations. We shall know a part of the truth by and by.

CONGRATULATIONS NAACP
For more than twenty years we have been urging the Omaha Branch of the NAACP to establish an office and keep it open from which to carry on its work of aiding to make America a Democracy within the framework of her laws.

Over and over again we have said that the people can and will support the effort when they know you are sincerely fighting the battle for them which they cannot fight for themselves. And Heaven knows the National Association has done just that, locally and nationally.

Last week our dream came true. The office of the Omaha Branch is to be open each and every day henceforth, with an office secretary in charge, working under the President and Board of Directors of the Branch.

LONG DISTANCE BOMBERS

Wiser men in every age have reminded YOUTH that every generation, every country and age are the heirs of all that has gone before; and that the sum of it all was essential to present possibilities and accomplishments. They reminded YOUTH then as we remind YOUTH now, that every young thing, every new thing, is not better than every old thing. We do remind them, too, that the ability to evaluate history, by the large, comes with maturer years.

Not very long ago, a young orator, swept away by his modernity, referred to his parents who had passed away as simple folk who never developed beyond the point of going to work, to bed, and to church.
