

Negro Soldier's Moral High In Camp If Treated Right

Washington, Sept. 16 (ANP) Back in Washington after a tour of 30 army camps in all sections of the country, Maj. Alston Bureleigh of the morale division reports exceptionally high spirits among the Negro troops in most of the camps where they are "treated right."

Especially is this true at Fort Huachuca, where the infiltration of over 100 Negro officers has raised the spirits of the troops to a height hitherto unachieved.

Major Bureleigh is especially eager to see the physical fitness program adopted for other branches of the service put into effect for the Negro troops.

"An all star Negro football team, capable coach, would be one of the season's sensations," said the major. "Not only would it be successful, but it would prove one of the finest builders of morale for the soldiers. A good choral group, not to sing spirituals only, but to be patterned along the lines of the famous Don Cossack Russian choir; a cracker jack band, all would add something which the army now lacks for Negro soldiers."

"Heretofore, it has been said that the need for trained men and the intense training necessary for modern warfare has been one of the drawbacks in organizing extra curricula activities for Negroes. But I am wholeheartedly for these things since they are necessary."

Major Bureleigh spent a month at Huachuca looking over the situation very carefully and making recommendations to his chief, Gen. Osborne.

His tour extended all over the country and included camps wherever the larger ones were located.

He was enthusiastic over the splendid showing the colored troops are making in the various camps, and in his report to Gen. Osborne made certain recommendations for the betterment of certain spots.

Evening Worship \$1.35
Wed. Night Service \$1.30

We had lovely service through out the day.

Our pastor preached soul stirring words morning and night. We had a lovely attendance Sunday and Sunday night.

Sunday night the spirit ran high. Sister Dollie Mae Brown led a soul stirring testimonial meeting.

Sister Elsie Laster took charge of song service.

Our pastor's text was Sunday night "Why will we sit here until we die?" Oh! how our hearts did burn within. The spirit was high. Our pastor's text for Sunday Sept. 20, 1942 will be "Running in a race." Sunday night "Gambling on life." We would like all gamblers to be present and hear this grand sermon.

Corporal Joe Headley arrived in the city Tuesday morning for a 3 day visit with relatives and friends. Corp. Headley is stationed at Fort Leonard Wood, Mo., in the Quartermaster Detachment.

Mrs. H. P. Faulkner and daughters of Kansas City, Kansas were visitors of Mrs. E. Conner, sister of Mrs. Faulkner, last week Sept. 8rd.

Mr. E. Faulkner came over the week end and spent Sunday and Monday with his mother, Mrs. Irene M. Oliver. Mr. Faulkner preached at the Peoples Interdenominational Church, Sunday morning and at the Zion Baptist Church Sunday night.

They returned Sept. 7. Little Jeanette Marie returned with them. Mrs. Ada Woodson, 2211 Grant St., aunt of Mr. Faulkner entertained them Labor Day. Covers were laid for ten.

ST. JOHN'S CHURCH

Rev. E. F. Ridel, Pastor
Ruby E. Reese, Reporter

In spite of the bad weather Sunday, there was a goodly number out, who heard Rev. Ridel deliver the message.

Next Sunday is Quarterly Conference and we are having a good fellowship day. The members of St. John's are bringing baskets of food to be spread after service, to entertain all new members who have joined this year. This old fashion set together to make all feel as one big family. We are using brick mighty fast and can still use more.

Mrs. Laura Griffin united with the church. She is a former member of St. John's, but has been out of the city for sometime. Mrs. Merdith Harold, Mrs. Georgia Cropp are on the sick list. Mr. Porter is much improved. St. John's invites you

GIRLS ON THE STREETS

Sloppy Joe's and Plaid skirts are a sure sign of school days. Girls and boys smiling over a soda in the Grand Street drugstore. Cats carrying his Chic's books home, and carloads of studs antroung around Thirtieth and Twenty-fifth streets, is a sure enough sign of the First Week of School.

Scanning the list we see Hazel Montgomery, and Kenneth Young will forget school days.

Virginia Key and "Chinky" McDavis can also forget school days.

Octavia McClarity will be married next month.

Joe Raymond, Joe Wright and Robert Fontane are among the hep cats that are now running on the road. Think they ain't on, knowing they are.

Estelle Littlejohn and Joe Nathan Fagan will be by the time this column gets out Mr. and Mrs.CONGRATULATIONS!!!

Evelyn Stewart really does miss Harry Rutledge since he is out more than he is in on the road of course.

Ike Carey who left for the army last week really did have a fine farewell party. The place was jammed and jammed to a session.

It seems that the new girl from

to worship with us.

Mrs. Belzora Collins has just returned from a visit with her uncle, Mr. J. D. Whaley of Okamulkee, Oklahoma. She also visited friends in Tulsa, Oklahoma and Kansas City, Mo.

Mr. William Peoples, accompanied by his parents, Mr. and Mrs. A. P. Peoples, 3011 Pinkney St., left Monday afternoon by auto enroute to Wilberforce, Ohio. Mr. Peoples will enter his second year at Wilberforce University where he is studying to be an architect.

Mrs. Maggie Peirce, 3119 R. St., has returned from a recent trip to Helena, Ark., where she visited an aunt and sister. Mrs. Lizzie Lewis, mother of Mrs. Pierce who accompanied her, will remain in Helena until Christmas.

HOW ABOUT IT OMAHA?

Who will be the first? Down at Jackson, Mississippi last week a new wrinkle in Selling War Bonds and Stamps was ironed out by Mr. Lehman the popular owner of The Alamo and Booker T. Washington Theatres.

Having been appointed Stamp and Bond Director for the month he inaugurated his campaign with a block dance by roping off the block in front of the Alamo Theatre and securing the services of The Pinney Woods School Rays of Rhythm as a feature attraction. It has become a slogan in Jackson, get the Rays of Rhythm and "everybody from every where will be there".

Admission to the block dance was one War Stamp or a Bond if you wanted to give it.

More than two thousand people crowded in the block, danced and made merry until long past midnight to the sweet song and hot rhythm melody of those charming little high school girls from the Pinney Woods School.

Pinkham's Vegetable Compound. It's the best known medicine you can buy that's made especially for women.
Pinkham's Compound is famous to relieve such distress. Taken regularly—it helps build up resistance against such symptoms. It also is a fine stomachic tonic, thousands upon thousands of women—rich and poor alike—have reported benefits. Also beneficial for younger women to help relieve distress of monthly functional disturbances. Follow label directions. Worth trying!

the Bahamas is really cute and if she stayed here longer she'd be the lick!

The dance last Wednesday night shore was a sensational affair.

Claudia Seay who left last Monday night really did leave "Stompin' in" in the air.

Kappell's Picture really was a lick... wasn't it Corrine. That's all this week....

NAME NEGRO MINISTER TO OPPOSE RANKIN IN MISS. ELECTION

(continued from page 1)

Brown declared that of the 263,000 persons in the district about half are Negroes. The votes of persons left at home coupled with the solid soldier vote can assure Rev. Parsons of a congressional seat, he emphasized. A clause in the soldier vote bill provides for space to write in the candidates name. Soldier from Tupelo will be urged to name Rev. Parsons, he stated.

"The significance of this move cannot be overlooked," said Brown. "Pastor Parsons is the first of 120 candidates we intend to enter in as many congressional districts in the poll tax states."

Contributions of money to finance the movement are already coming in to break the Democratic bloc in the southern states Brown revealed. He indicated he would go to Mississippi to direct the minister's campaign.

Speaking of the Amendment killing the payment of poll taxes as a vote requirement, Brown said, "This is the first implementation of the 13th, 14th and 15th amendments to our constitution, guaranteeing the vote to 400,000 Negro soldiers who are ready to lay down their lives for this country."

IF YOU ARE WRITING A SOLDIER OVERSEAS

1. USE V-MAIL FOR FASTER DELIVERY.
2. MAIL HIS CHRISTMAS PACKAGE BEFORE NOV. 1.

This is urged by both postal authorities and all branches of military service. The army recently extended its V-Mail service to the British Isles, Australia, India and Hawaii. Similar service is being planned for Iceland and other U. S. bases overseas as soon as the volume of mail for these offices warrants its installation.

Began a few months ago as an experiment it now is regarded by the army as a necessity. There is no substitute for good letters from the home folk in maintaining high morale among the men in service abroad. Space on all out going craft sea or air, has been overcrowded with urgent supplies. Despite the importance the army placed on the soldier's mail there was little room for it until made available by V-mail. Now this class of mail is given absolute priority in handling and delivery; is faster than any other class, including air mail; and its delivery is assured.

V-mail stationery is free and may be obtained at every post office and on every rural route in the United States. Only the usual postage is required. The stationery is a single sheet, 8 1/2 by 11 inches in size, combination letter envelope. Specific directions are printed on each sheet and these must be followed in detail. Each sheet must be a separate letter.

At the embarkation point these letters are sorted, opened by an automatic cutting machine; read by censors; numbered and passed thru a mechanical device that automatic-

ally photographs them on a roll of 12 mm film at a speed of 2,500 letters on one roll. The film is packed in a special container and speeded by plane to the designated overseas office.

It is estimated that 150,000 ordinary one page letters with envelopes would fill 37 sacks and weigh slightly more than one and one quarter tons. Microfilmed they may be contained in one sack and will weigh only 45 pounds.

Upon arrival at the overseas port the film is developed and each letter reproduced on a sheet about 4 by 5 inches in size. Nothing in the original letter is omitted unless deleted by the censor. Everything that remains is reproduced exactly as written by the sender. The reproduced letter then is forward in an official army "window" envelope to the service man to whom it is addressed.

Meanwhile, the original letter, numbered to correspond with the microfilmed letter, is retained on file at the port of embarkation until assurance that it has been reproduced successfully. Should the film be destroyed in transit, the originals still are available for a re-take.

Absoute privacy, except with the censor, is assured. He will read the letter before its delivery, regardless of its form. Developing and reprinting on the film is done mechanically and in darkness, too rapidly for any operator to read. So carefully are the letters protected that even important communications requiring utmost secrecy are sent regularly by this micro film method.

Postal authorities in Washington estimate that one tenth of the entire volume of mail now handled in this country is service men's mail. The increase has been enormous since they began leaving the mainland. Yet because of this new facility to expedite the handling overseas, delivery of V-Mail to a soldier is not a headache and may avert many heartaches at home and abroad.

Special arrangements also are being made by the army and the post office department for delivery of Christmas parcels overseas before Dec. 25 if they are in the mails before November 1. They may be mailed now. Your postmaster can tell you the regulations governing their acceptance.

DR. PATTERSON AMONG COLLEGE PRESIDENTS MEETING ON EDUCATION AND WAR

Washington, Sept. 11 (ANP)—Dr. Frederick D. Patterson, president of Tuskegee institute, was one of 12 college and university presidents meeting in Washington early last week as the planning and policy committee on the relationship of high-

er education to the federal government in the war effort. George F. Zook, president of the American Council on Education, in calling this group from all parts of the country said, "Higher education needs a planning board to represent the viewpoints of the 1800 colleges and universities and to plan continuously with governmental officials for the most effect utilization of these institutions in the total war effort."

The committee has already met with officers of the Joint Army-Navy Personnel board and of the War Manpower commission. Among the problems which the committee is working on are the likelihood of lowering the draft age to 18 and its possible effect on the supply of trained specialists for the army and navy; the program of the War Manpower commission for specialized training of women and physically disqualified men; and the contract services by which thousands of enlisted men and women are being trained on college and university campuses for special duties in the army and navy.

Next meeting of the committee will be held in Washington on Sept. 22 and 23.

NEGROES FIGHTING JAPS IN NEW GUINEA

Washington, Sept. 12 (ANP) Negro service troops are playing an important role in the repulsing of Japanese invaders in New Guinea, according to cables reaching this city. Under command of Gen. MacArthur in the Australian salient, these troops together with the Australian shock troops gave the Japs such a hot reception in the invasion plans in the Milne Bay area, the invaders fell back and were glad to get aboard the warships sent to their rescue.

While no specific mention is made of the troops, it is well known that many Negro soldiers are in this section.

HOLD LAST RITES FOR AME MINISTER
Washington, Sept. 16 (ANP) —Funeral services were held Tuesday for the Rev. Thomas Walker Wallace from the John Wesley National Church of Zion Methodist. Rev. Wallace died at his residence here Sept. 7.

The late minister was secretary of the home missions and ministerial relief of the African Methodist Zion church at the time of his death. He was also editor of the denomination's Christian education department.

Rev. Wallace served as a captain in World War I with a regiment located in France.

He is survived by a wife, several children and a brother.

UNHAPPY WIVES FIND NEW HOPE IN SPECIAL VITAMIN COMBINATION

Clinical Tests Demonstrate Sterile Women May Be Aided—Happy Homes Are Dependent on Babies

Nothing equals a baby to bring complete unity and happiness into the home and the husband and wife into a stronger bond of enduring love and mutual interest.

new vitamin of the B Complex group has a striking effect on sterility. Twenty-two women, with known sterility records for as much as five years were selected for the test. After weeks of heavy dosage with Paraaminobenzoic acid (a vitamin of the B Complex group) more than half of these women became mothers. Many of these women had been told their condition was hopeless. The vitamin is absolutely harmless and decidedly beneficial to general health as well.

Thus it is apparent that highly fortified vitamin combination may be just the thing needed by the childless wife and quickly bring the happiness of a baby into the home.

If you are childless and have even given up hope, if you wish to eliminate one of the greatest causes of unhappy marriages, by all means give the Perlex Combination Vitamin System a short trial in the privacy of your home. To introduce this new vitamin combination quickly to a million women, the Perlex Company, 314 North Michigan Ave., Chicago, Illinois, will send a regular \$2.00 supply for only \$1.00 and a few cents postage. You need send no money—just your name and address. Perlex comes in a plain wrapper—directions are quite simple, and no special diet or exercise is required.

Many homes break up from lack of children and contribute to the amazing American record of one divorce for every five marriages. Unhappy wives, childless due to a vitamin-deficient functional weakness, may now enjoy the desires and activities of Nature's most wonderful creation—a normal, fully developed, vigorous woman.

Sensational clinical tests demonstrate that in vitamin-deficient instances a
