The race horse headwaiter Mr. Corbett of the Paxton Hotel is the top man on all sporting events and

Mr. Frank Hughes of the Highland Club rooms of the Paxton Hotel is a real rapid fire service waiter.

The White Horse Inn with Mr. Louis White, Mr. Branch, Mr. Isaiah Jones and Mr. Dave Russ are all giving service with a smile.

All waiters should keep in mind to use our very best efforts to please the guests and always give them the benefit of the doubt. As the interest of the people in these crucial times is very serious, and we all are striving to help the good old U. S. A. win the war when we keep down dissatisfaction for we are lending a helping hand in the right way. Always bear in mind when we are helping others we are doing justice to ourselves and making good history for the next generation that will take our places in the very important picture of our life. Now let's pull together.
