aches and pains. In fact—if it does not help

**Did You Place Your
FALSE TEETH
In a Glass Last Night?**

Thousands do and wonder why their den-
tures remain dull and grained—why they
suffer with offending denture breath. They
fail to realize that water alone is not a clean-
ing agent—but now, there's a great formula
perfected by a dentist, called Siera-Kleen
that thoroughly cleans false teeth like magic—
no brushing! Simply put a little Siera-Kleen
Powder in a glass of water—soak
your teeth—now they sparkle,
are really clean and look like
the day your dentist said,
"Don't they look natural?" Try
Siera-Kleen—lasts long—costs
only 30¢. At all drug stores.

CANDY SALESMEN AID SCRAP DRIVE

CHICAGO, ILL.—"Small Scraps of Metal Will Win The Big Scrap"
is the slogan of a metal collection campaign that has been launched
by Curtiss Candy Company in cooperation with the nationwide sal-
vage drive. Above, Otto Schnering, president of the company, hands
salesman Vic Eckersall first of the scrap metal collection recepta-
cles the company is supplying dealers handling its food products in
Minnesota, Wisconsin, Iowa, Illinois, Kansas, Missouri, Arkansas,
Oklahoma and Texas. The Drive has as its goal collection of at least
100 tons of small pieces of metal weekly as 800 salesmen of the
company call upon approximately 150,000 food, grocery, drug and
confectionery establishments, where window streamers and counter
display cards urge the public to bring small pieces of metal when
they come to shop. Proceeds from the sale of metal thus collected
is donated to the U. S. O. and charitable organizations.

**Young lady, does an old TABOO
prevent your knowing this help?**

In less enlightened days, women
didn't discuss these things. Now, it's
different. If a woman suffers from
periodic cramp-like pain and other
purely functional distresses, she
tries to learn how to help herself.

Thousands of women praise the
2-way help of Cardui. Taken as a
tonic, it usually pepes up the appe-
tite, stimulates the flow of gastric
juices, thus aiding digestion and
thereby helping build up energy
and resistance. Started three days
before the time, and taken as di-
rected, it should help relieve much
purely functional, periodic pain.

Try CARDUI. A 62 year record
says it may help!
