DOING DOUBLE DUTY FOR THE DURATION

The rising tempo of America's war effort, coupled with requests for conservation of private motor vehicles, is creating an extraordinary demand for railroad transportation.

Since the imperative need for ships and armaments limits enlargement of railroad facilities at this time, maximum service must be exacted from every car and locomotive.

We are maintaining with existing facilities Burlington's traditionally high transportation standards, confident the patriotic cooperation of travelers and shippers will help America's railroads do double duty for the duration.

For expert counsel on how best to utilize the substantial part of the transportation facilities of the Burlington that are not yet required by war traffic, consult:

is stationed at Fort Sill, Oklahoma in the Ordnance department. Since his enlistment in the army in April he has been promoted to Technical Sergeant and is in charge of the ammunition magazine area. During his visit home, Sgt. Crumbley enjoyed a short, but pleasant visit with his wife, family and many friends. Everyone regretted to see his furlough draw to a close, but we all hope that he will return home safe and soon. May God bless him.

UNITED UNION USHERS OF NEBRASKA

Jack Hall, Acting Reporter
To our "Co-workers" here and also where.

First, we want to say "Greetings" for as much as seemingly, we have been a bit irregular with our issues in the past. We feel we owe you some kind of explanation. Believe us, when we say, though, we may have been, "as you might, say asleep on the job," we have been very much awake and doing things. Time and space will not permit me to go into details as I would like to, but if you will come out to our next regular meeting which will be held next Sunday at the residence of Mrs. Todd's, 19th and Burdette St. at 3 p. m., we will be glad to inform you of our present and future plans of which we have many.

Our Annual sermon and installation of officers which was held a couple of weeks ago, at Bethel AME Church on Franklin St. over which Rev. Jones presided, was a very colorful affair. The sermon itself was inspiring and many good points were brought out concerning our duties as Ushers. Rev. we are grateful to you for that sermon to together with your wonderful choir. So thanks again".

The Cabinet meeting was held last Sunday Nov 15th at the residence of Mr. and Mrs. Bells on Lake St. Much work was outlined by the President Mrs. Alice Young and from the outlook of things we have a very bright and prosperous future.

We are glad to learn our newly appointed Publicity Reporter Mr. M. Powell is recovering from an accident that happened to him on his job which hospitalized him for a few days. Mr. Bud Green of Zion Local is wearing a smile that time alone can wear off, due to the fact "Uncle Sam" told him "never mind". He'd try to finish his war without him just buy one more "Bond" and they would call it square.

Don't forget the regular meeting, so until then. I'll be seeing you.

ST. JOHN'S AME CHURCH Rev. E. F. Ridley, Pastor Ruby B. Reese, Reporter Sunday was a beautiful day to go to Church to worship and a comfort to be able to sit and listen to a marvelous sermon delivered by the pastor on the beautiful and noble life of Esther. The large attendances was grateful. Being the 3rd Sunday the Junior Choir furnished the music and under the capable direction of Mrs. Ruth Forrest Dorsey their singing was beautiful. Brother G. C. Walker has been appointed to the Junior Steward Board.

COMING EVENTS
The Stewardess Board No. One will have services here at the Church Sunday Nov. 22nd at 3:00 p. m. Rev. L. A. Story of Cleaves Temple will preach the sermon. All members and friends are asked to come and help us. At the night services which is the 4th Sunday, will be the choir's all request program. These choir members work faithfully to bring to you the songs you like and enjoy. You have received comfort and joy from them in the past, as the songs are a sermon within themselves. Too much praise cannot be given to them for without song and joyfulness we could not carry on during these war stricken times. Come early and be prepared to receive a couple of hours of enjoyment. There will be a Thanksgiving Day services on Thursday November 26 at 11:00 a. m., also a Thanksgiving Turkey Dinner served at the Church for 50 cents a plate. On the 5th Sunday Nov. 29 there will be the dedication of the flag at the morning services sponsored by the Sunshine Charity Club. They will have charge of the evening services. So come out and help to make this a grand affair. Sunday Dec. 6th will be Quarterly Conference. All the members are asked to do their duty. The Missionary Inspirational Meeting will be held Dec. 10th. Both morning and evening. There will be visitors from various parts of the state. The big event of the year is the Annual King Solomon's Wedding sponsored by the Junior Matrons on Friday Dec. 11th. We urge you to support your contestant by selling your tickets and attending. From now on our evening services will begin at 7:30 pm. We are having a Bible Study every Tuesday night along with our class meeting. Won't you come out and

bring your Bible and learn more about God's work. We urge the members to attend. Mrs. Grace Stanley and Mrs. Mary Faucett were able to attend the services on Sunday after being so terribly ill. We were happy to have the visitors to worship with us. The Cedar Chest contest ended last Sunday night, sponsored by the Progressive 24 Club of St. John's. Of the three contestants Mrs. Ruth Forrest Dorsey was the winner of the beautiful chest. Let St. John's be your house of worship.

NEGRO CARPENTERS GO TO WORK IN WASHINGTON

Twenty eight Negro carpenters and two carpenter foremen were working on the Langston Stadium Site war dormitory project in North East Washington last week, according to a report from William J. Trent Jr., to Major General Philip B. Fleming, Administrator of the Federal Works Agency. This figure also represented the total number of Negro carpenters who had qualified up to that time for employment on union jobs by affiliating with the Local District Council of Carpenters.

The opening of these jobs to Negro carpenters has come at the insistence of General Fleming that there be no discrimination against Negro mechanics in employment on projects constructed by the Federal Works Agency. In the past it had not been the practice of the carpenter's District Council in Washington to permit the affiliation of Negroes and, as a result, Negro carpenters desiring to work under union conditions have been obliged to join a Baltimore local which qualified them for employment in the Baltimore jurisdiction.

Following conferences between District Council officials and labor representatives of FWA several months ago, it was agreed that available Negro carpenters would be employed on public works and war dormitory construction. FWA regulations require that contractors pay Negro mechanics not less than 12 percent of their skilled payrolls in Washington and vicinity as evidence of non-discrimination on account of race. It is expected that Negro carpenter
