The RR boys are very much out in front giving good service to the traveling public. Mr. George Dean, Mr. Luther Johnson, Mr. Gordon Hopkins, Mr. Felix Meteor, Mr. Bill Taylor, Mr. Roy McCallister and Mr. Bill Norman and Mr. Rodney Williams are top service men.

The Omaha Club waiters are very much on the job, giving very fine service.

Do you know the Omaha Guide is always for the uplifting of the race.

Now waiters let all of us do our part in helping to win the war—as it is our job to be very mindful of what we are going through as things may be very different when the war is over.

The race horse head waiter and the very fine crew at the Paxton Hotel are always up and going and doing things to improve the service.

The White Horse Inn is on the front line at all times on service. The Cottonwood room at the Blackstone is going over big at all times, and the streamlined room service man, Mr. Avant is a rapid fire shot on any party small or large.

LEGION NEWS
(BY JULIUS E. HILL)
(Post Publicity Officer)

WHO SAID THAT?
If all the members were like me oh what a Legion Post this would be!—Comrade Phil Berge.

Legion Button—good; dues paid—better; membership card best of all—Comrade Frank Austin.

If we're going to do it let's do it NOW!—Comrade Shorty Glass.

I'll write the rest of this in verse But don't know why I should; As in old fashioned English Perhaps I'd do as good.

In fact I'd do much better. And not try very hard. For here's one thing that's certain: I'm truly not a bard.

But what I want to say is this: our group and remember our Drs. when illness overtakes us and always keep in mind that the laborer is worthy of his hire. We can keep our group out in front by making good our promises and it will keep a lovely smile on their faces and keep the service very much improved and we hope to see our business men up to the minute on taking very good care of their trade as more customers means more salesmen and neatly kept stock on the shelves attracts the eyes of people trading.

But now we're raising heck with them. Their troups are annoying. The papers are quite full of how they convoy we're destroying.

And if we do our part back here. Much sooner we will go. A marching down some well bombed street. That leads to Tokio!

We'll kick Hirohito in the pants. We'll darn near wreck his town. And how that Jap will hate to see His "rising sun" go down.

For just as Joseph Louis said. And I repeat with pride. "We will win this war because We all fight on God's side."

Now that I've had my say in verse. If this gives folks the blues. I'm sorry but must let it go For this week's Legion News.

Times are getting tougher. But then, upon the other hand. We're treating Hitler rougher.

So I don't care how tough it gets. (For I want us to win) As long as our boys have the stuff With which to bomb Berlin!

As long as for our enemy Things keep getting hotter. I won't kick because my coffee Tastes just like plain water.

I'll gladly yield to rationing Because of one December.— The Japs you know; they started it— At Pearl Harbor—remember?

AWOL.
I think he proposed to a certain chic while he was here.

Private Oliver Hodge is now in Africa. What's he doing? He's thinking of Harriet Green. He said that flame will never go out—In Africa. He don't know how it's burning on this end.

Sergeant Melver of the Technical Air Force school squadron, whose home is in New York City, was setting up beautiful chics at a party in the Elks Club Monday night. In the party was other Sergeants and their chics, Ahem.

Sgt. Melver who is only too handsome, is the nephew of Mrs. and Mr. D. S. Talbert. He will be in and out of Bronzeville every week end.

Pvt Jimmy Seay who is also at Lincoln, has promised Bronzeville and his wife the week ends— was out sporting Saturday night. He was sharp in his uniform.

Now that we have mentioned the mentionable, let's say a few words for Korea Clark and her Lieutenants. We is forced to agree that those PVTs and Sergeants are the lick but the Lieutenants are much more entertainers. No hard feelings.

Kenneth from Detroit has sent a twelve by twelve picture of himself to Viola Seay. Wonder how does Herman D. like his look.

Mr. Five by Five—better known as George Station is getting cheaper as the years go by. Much cabbage as he carries, he is afraid to spend a leaf off the roll on nice chics. Sad.

Louise Wright who is at the aircraft factory along with the other chics—really was togged Sat. nite. Her coolers were "Red" oh but she looked nice.

Betty Montgomery Roundtree turned out the Blue House Saturday night when she was forced to use an empty beer bottle over the head of a chics that the other cat picked. So unnecessary!

While "stomp" Brown was here it was rumored that he asked Juanita Winn how she would like a ring from him. Ahem!

Alfred Irwin, as a horse, attached him to a plow and applied similar driving methods, beating him with a bull whip.

Federal judges are holding Skrobarczyk and his 29 year old daughter on trial on an indictment charge of keeping Irwin in conditions of slavery and peonage.
