constituted the seed races and were led by "Moses" through the red sea to the promise land. Man fast losing his touch with Spiritual Worlds, takes his evolution into his own hand when under the influence of the false spirit...

But a change is gradually taking place, now this change is coming so subtly and so surely that only the reasoning mind can observe it.

Coming back to our subject of the "Race Spirits" who are guiding the people of western Europe and Asia. These "Race Spirits" prepare to use the people over whom they have influence by directing their minds along lines of thought, which help them to meet the change which must come to them as a race or a nation.

They are beginning to rise above the national spirit, to where they look upon the "World" as their "Country". The advance students who have become interested in mystical and occult teaching, in particular, have become World minded, and no longer look upon race and nation as belonging to an enemy people; recognizing each man as a brother each nation and race as belonging to one great race; consisting of individual spirits who have come out from "God" and who must work their way back to "God".

Today man is standing at the entrance of a new age. A new world is opening to him, a world so wonderful and so great that if he could see ahead and have a picture of the coming age. He would not despair at the trials which beset him; he would rejoice and be exceedingly glad to be one of God's wonderful children. While they have fallen and have sinned and have brought much grief and sorrow upon themselves. Yet "God" is ever just and loving and sometimes they will understand "His" great and glorious plan and the universe which He created for them.

The "Race Spirits" to carry out their schemes and a new and a better world order will have been established, with wars and rumors of wars at an end.

The dreadfulness of present war methods is the surest way to bring war to an end.

In the next sixty years we will have three great nations; the United States of Asia; the United States of Europe and the United States of America. Three nations at peace with each other and the revelation of St. John, truly will have begun to come to pass, and he said, "Run to me. It is done. I am Alpha and Omega," the beginning and the end". Rev. 21:14-19.

RACE SPIRITS (by Mrs. M. E. McDonald, 2215 North 29th St., Study Group Temple Service at 6 P.M.)
Man is today standing at the open gate of a mysteriously changing world. Everything is in a state of chaos; a period of breaking up; revelations and unrest are in the very air which we breathe. Never in the history of mankind has there been such a state of unrest and changes. Prophets of old have left written "Prophecies" of changes, which were to come. These are right here at our doorsteps.
How are we to meet them? What are we to do? What is the underlying reason for all this suffering? Max Heindel, has given out much knowledge which is today of the greatest value, the development of man to the time when he reaches the middle of the "Atlantean Epoch".
During the early third of the "Atlantean Epoch", man was yet unconscious of his physical body, and embryonic brain, was developing, nor did his eyes have the wherewithal to see. He was innocent of evil, still in touch with the spiritual worlds. The "Hierarchies" guiding him as Mother guides and protects her child.
"God" sent out into manifestation these virgin spirits, they cannot remain longer in the dream state and in playful ignorance, but must be about their "Father's" business and become as destined. "God" in making "Jehovah" re-

At the twenty first century man will have reached the age of understanding and have advanced beyond the redeeming of the "Race Spirits, individualized man, peace, loving and God-fearing he will have no need for war, for he will recognize the true brotherhood of man.

Today man is standing at the entrance of a new age. A new world is opening to him, a world so wonderful and so great that if he could see ahead and have a picture of the coming age. He would not despair at the trials which beset him; he would rejoice and be exceedingly glad to be one of God's wonderful children. While they have fallen and have sinned and have brought much grief and sorrow upon themselves. Yet "God" is ever just and loving and sometimes they will understand "His" great and glorious plan and the universe which He created for them.
