CANTALOUPEs WATERMELONS GRAPES

THE END IS NOT YET!
(by RUTH TAYLOR)

Watch out! Don't slacken! Don't let the dazzling rainbow of victories won blind us to the fact that the storm is not yet over, that the clouds are still dark above us. The end is not yet. Now is not the time to let down our efforts and start scrambling for the prizes of peace. This war is going to last a long time, no matter when the hostilities may end. War is not just the time of fighting, but also the time it takes to struggle back to a normal way of living.

The end is not yet. We cannot win the war by over-confidence. We cannot assume that the game is over, just when the play begins to run our way. The decision will come at the end of the game when the last play has been made and the last battle fought. We cannot leave the field until the final second of the game.

We cannot win by wishing. We have advanced this far by sacrifice. How great a sacrifice we are learning as the casualty lists pour in—the lists not of rich or poor, worker or student, Black or White, Catholic, Protestant or Jew—but simply of Americans who died for America.

The quickest way to win the war

appeal for decency and justice in North America and for the darker people of the world as the one supreme challenge of Baptist and Christians around the world.

As he sat down the notables on the platform rose as one man, and swarmed around him, to shake his hand or just to shout, "bravo". Dr. Jernigan, presiding, got to his feet and with the dignity of his years stepped to the microphones and slyly, but loudly announced, "Now don't you oldsters try to break up the young folks meeting."

LEGISLATIVE ACCOMPLISHMENTS

A six hour long testimonial was tendered this venerable man of God by the Sunday School Congress. Tributes to a consecrated life of public service were many and unique. Several Washington spokesmen were particularly eloquent in their praise of Dr. Jernigan. He was credited with exerting the necessary influence to protect the constitutional rights of 10,000 colored nurses from the quotas and other subterfuges of the Red Cross and Army and Navy officials. Senator W. Warren Barbour's anti-discrimination amendment in the Bolton \$85,000,000 nurse training legislation recently passed by Congress, prohibited any funds being allotted to hospitals that denied the same and equal training to colored nurses. Dr. Jernigan saw to its success. It was this active race leader, who led the successful fight to restore

Here's a Labor-Saving Menu Trick
For Double Duty Kitchen Soldiers

LOTS of women are really working on two fighting fronts these busy days. Before and after they do their bit for the war effort in a factory or office job or volunteer workroom, they take over as kitchen soldiers in the battle to provide a tempting, nourishing family diet, in spite of shortages, rationing and high prices.

Good news to the double-duty home soldier is the fact that quick-frozen fruits and vegetables have low point values in ration point cost. These delicacies are real time-savers that reach you all ready to cook or serve, just as they come from their cartons.

This recipe for Eggs a la Florentine calls for grated cheese. That will bring up the ration point cost of the dish, but it will also add to the food value. The cheese may be omitted if desired.

Eggs a la Florentine
1 box (14 oz.) quick-frozen spinach,
1 cup spinach liquor and water
1/2 teaspoon salt
1/2 cup butter
1/2 cup grated cheese
1/2 cup milk
1/2 cup light cream
Dash of nutmeg and thyme

Cook frozen spinach according to directions on package. Drain, reserving liquor; add water to make 1 cup. Chop spinach. Add bouillon cubes, salt, pepper, nutmeg, thyme, and onion to spinach liquor and cook gently 15 minutes. Strain, measure, and add light cream to make 1 1/2 cups.

Melt butter in saucepan, add flour, and stir until smooth. Add spinach liquor and cream and cook until thickened, stirring constantly. Add 2 tablespoons cheese. Pour small amount of sauce into shallow baking dish or individual ramekins. Arrange spinach on sauce; sprinkle with 1 tablespoon cheese. Make four depressions and break an egg into each. Pour remaining sauce over egg and sprinkle with remaining cheese. (Cheese may be omitted.) Bake in very hot oven (500° F.) 5 to 10 minutes, or until eggs are set. Brown in broiler 2 minutes. Serve 4.

\$100,000—NO RACE RIOTS AND GOOD WILL FUND

Our hats are off and sleeves rolled up to back up the nation-wide \$100,000 No Race Riot and Good Will Fund. W. Ellis Stewart, secretary of the Supreme Liberty Life Insurance Company of Chicago, has been drafted by a group of national colored leaders to head up the drive.

The plan is to raise the entire fund in the next thirty days by asking every single, wide awake and self-interested Race man and woman, who loves his fellowman, especially the mothers and fathers of the 700,000 colored soldiers and sailors in the United States Army and Navy and Air Corps to send along a \$1, \$5, \$10, \$20 or century note to the headquarters at 2501 South Parkway, Chicago, Illinois; Treasurer, Nationwide \$100,000 No Race Riot and Goodwill Fund. Every dollar will be spent to broadcast over ten or twelve national hookups and to preach to every American over the air the gospel of Christian tolerance and good will.

The U. S. Treasury. In the big drive to lift the anti-poll tax from the house Judiciary Committee. Led by Congressman Hutton Summers of Texas, Dr. Jernigan won the support of 170 Republicans enough to get necessary signatures on the petition and subsequently pass the bill in the House. The legislation is now up in the Senate Judiciary Committee, but has been threatened by another filibuster led by Senator Bilbo of Mississippi.

regardless of race, creed or color for the duration on the home front.

PRESIDENT ROOSEVELT MUST ACT.....

Every important colored organization last week urged President Roosevelt to broadcast a challenge to the American people to keep peace and fight for unity and racial adjustments in war plants and at army camps. The National Negro Council led off in a great citizens' rally in Chicago on June 20 at Metropolitan Community church and memorialized the Nation's Chief Executive to speak out against the terrorism at Camp Stewart, Georgia, and Camp Can Dorn, Mississippi, the riotings and burnings at Beaumont, Texas. The wire had hardly reached the White House before the holocaust of the fourth city was set off by the incident at Belle Island on the bridge between Detroit and that cooling and refreshing summer resort, which in this instance only set hot passions aflame. The smoldering resentments and protests of colored war workers denied homes in the Federal City, built by \$12,000,000 of federal housing funds burst out in rioting and bloodshed. The Klu Klux Klan elements long held at bay, embraced this opportunity to seek vengeance on every lone colored man spotted out of the neighborhood of Hasting Street. The federal authorities must be blamed and John B. Blandford Jr., the administrator in Washington should be ousted by President Roosevelt.

WHITE HOUSE MAINTAINS SILENCE OF SPHINX

The NAACP, in a report published throughout the country added that the President spoke following the Detroit riots and a personal visit here by Walter White.

The leaders of the National Negro Insurance Association, the National Baptist Convention, the Bishop's Council, the March on Washington Movement and the great Negro Newspaper Publishers Association joined in the appeal for action to the Commander in Chief. An executive order abolishing Jim-crow cars and every form of discrimination in the armed services and war plants was the burden of Colored Americans telegrams from everywhere, North and South.
