The meeting was called to order by the President Mr. Bud Green presiding. Song and scripture were read by Mr. E. Hubbard. Business of importance was discussed. Mr. Jack Hall, acting secretary, Mrs. Henderson was absent due to illness. It is of interest for you to know that the United Ushers of the State of Nebraska is no longer affiliated with the International Association of Ushers for the duration. We have decided to consolidate all of the local Usher Boards that will become a member of our Union, into the United Ushers of the State of Nebraska. There has been a committee appointed that will contact all of the Usher boards of the various churches that are not already a member of our Union. There have been rumors of the United Ushers, not in existence any longer. This is not so. We are now getting ready to do even greater work than heretofore. Might also add for your information that all Usher boards that can become a member of the United Ushers have a representative present at our next meeting which will be on the second Sunday in next month for further information call Mr. J. Hollywood in Bronze DROWNS Hollywood, Calif. (CNS) CROSS-ROADS: Probably more interesting than any one star's bid to fame is the intricate pattern woven when the paths of the stars cross other.

Hattie McDaniel is being sought for a big featured part in the David O. Selznick production "Since You Went Away" which will star Shirley Temple. Hattie first played with Shirley when the child star was at the height of her career. At that time Hattie was a rising Hollywood comedienne and Shirley was the most pampered child on 20th Century-Fox lot. Then Hattie was cast by David Selznick in "Gone with the Wind" and made history by being the first and only Negro to win an Academy Award as the best supporting actress of that year. The three together again should make a new and important film history. The story is a modern played against a background of war.

JUBILEE: Celebrating half a year of the famous "Jubilee" all-colored radio show transcribed for men in service overseas, an outstanding group of artists recorded a special one hour show last week at CBS in Hollywood. The show featured a battle of bands that would have delighted the heart of any hep cat when Jimmie Lunceford and Count Basie and their boys squared off for a solid jam and live session. Other stars on the show included Bill Robinson, Ada Brown, the Delta Rhythm Boys, Butterfly McQueen, Barney Bigard, Dolores Williams and Rose Murphy. Ernest Whitman has the permanent spot as M.C. for Jubilee. The program that would have hung up an SRO sign at the Shrine Auditorium was only heard by 340 persons, a Hollywood radio studio audience of service men. In transcription form it will reach all the armed forces overseas.

BROADWAY RHYTHM: The press that has raved over Lena Horne's beauty in "Panama Hattie", "Cabin in the Sky" and "Stormy Weather" will probably go berserk trying to find adjectives for our Number One Glamour Girl in Metro-Goldwyn Mayer's new

musical "Broadway Rhythm" starring Ginny Sims, Irene, who designs the gowns for Joan Crawford, Greer Garson, Norma Shearer and the other Metro stars will design Miss Horne's costumes. Lena sings 23 numbers in the picture, your old Gershwin favorite, "Somebody Loves Me" and two new numbers, "Brazilian Boogie Woogie" written especially for her by Ralph Blaine and Hugh Martin, and a cute little ditty called "Tater Tater Tea Time." Rochester will give out in his sand paper voice doing "Sold Potato Salad" Archie Savage and Johnnie Walker are leading a large group of dancers in the Brazilian Boogie Woogie number.

members have been enrolled, making the unit second only in size to the air raid warden unit of 3,300 members. Included in the medical unit are 30 doctors, 123 registered nurses and 300 stretcher bearers.

Members who leave now qualified as nurses aides are: Mesdames Gordon Britton, E. K. Corriean, Wilbur Cox, John Farber, Ethel Finlay, Dan Gross, Arthur Knutson, Francis McKenna, John Scott.

M-G-M's merriest, maddest musical of all is coming your way soon!

With romping Red Skelton, dazzling red-headed Lucille Ball and Gene Kelly heading up a scintillating cast!

The name of this showiest of shows is "Du Barry Was A Lady."

Note the emphasis by the actor!

It gives you an idea of the goings-on that make this a hip-hip-booyay entertainment!

On the beauty-side, there's such a bevy of concentrated feminine dazzle and loveliness that prominent artists were attracted to Hollywood to paint their conceptions of the composite American Beauty.

On the musical-side, there's Tommy Dorsey and his Orchestra. Including that red hot trumpet, of course!

With witty tunes to give the production musical gaiety.

You get all this and Technicolor, too!

You might call "Du Barry Was A Lady" a mad dream in Technicolor.

But Leo says you won't want to wake up. Let me dream.
